WARNING NOTICE-SENSITIVE INTELLIGENCE SOURCES AND METHODS INVOLVED

1. The information provided below is taken from a Santo Domingo Station liaison report transmitted to Headquarters under HDCA-11074, dated 29 November 1976. The information dated 29 August 1976 was received by the liaison service from one of its agents assigned to Miami, Florida. It is being sent to you for information only. All information below was reportedly stated in testimony at the trial of the Cuban terrorist Rolando Otero in Jacksonville, Florida, and Antonio Gonzalez had obtained immunity from prosecution. The declarations he made were corroborated by Cubans Ciro Orizondo and Manuel Revuelta, former comrades of Otero in the Frente de Liberacion Nacional Cubano (FLNC).

2. According to Antonio Gonzalez, there have to be in Miami up to 500 pro-Castro agents operating; that in a supposed plot to kill Fidel Castro in Venezuela, there had been with him and Rolando Otero, a Cuban named Ricardo Morales and infiltrating into the affair, he tried to frustrate the plan. Gonzalez also said that Morales, supposedly worked for the "CIA in the Congo" and actually is an agent of the Government of Venezuela, used to investigate those Cubans who enter and exit from Venezuela. Gonzalez also said that in reality, Morales is a Castro agent.

1. STATION LIAISON OFFICER MET WITH SUBJECT OF 201-0952786 AS PART OF ASSESSMENT OF SUBJECT'S KNOWLEDGE OF SOVIET PERSONNEL AND ACTIVITIES IN VENEZUELA, AND TO DETERMINE HER POTENTIAL AS POSSIBLE UNILATERAL SUPPORT ASSET AGAINST SOVIET AND BLOC TARGETS.

2. DURING DISCUSSIONS, SUBJECT MENTIONED THAT ON SEVERAL OCCASIONS IN PAST SHE HAD NOTED ON SURVEILLANCE REPORTS OF CUBAN EMBASSY THAT A VEHICLE BEARING LICENSE PLATE REGISTERED TO MINISTRY OF INTERIOR ENTERED WITH SOME FREQUENCY. HOWEVER, ATTEMPTS TO IDENTIFY THE PERSON TO WHOM VEHICLE ALLOCATED ALWAYS WERE RETURNED TO HER WITH INSTRUCTIONS TO FORGET THE ENTRY AND TO STOP MAKING REFERENCES TO IT IN HER REPORTS. SHE FINALLY WAS ADVISED THAT THE CAR WAS USED BY (AT THAT TIME) COMISARIO RICARDO M O R A L E S NAVARETTE (201-0285923), AND THAT SHE SHOULD REFRAIN FROM MAKING FURTHER INQUIRIES OR FORM INCLUDING THAT LICENSE PLATE IN HER REPORTS. SHORTLY AFTERWARDS, SUBJECT WAS REMOVED FROM RESPONSIBILITY OF MONITORING AND ANALYZING CUBAN ACTIVITIES IN VENEZUELA AND RESTRICTED TO THE SOVIETS AND SOVIET BLOC.

C. AMBASSADOR MET PRESIDENT PEREZ FOR BREAKFAST MORNING 28 JULY. NOTHING WAS MENTIONED ABOUT CUBAN EXILE SITUATION.

2. WHAT WE COULD HAVE AS BASIS OF THIS WHOLE SITUATION IS CUBAN FORGERIES OF LETTERS FROM BOSCH TO BRING PRESSURE ON CUBAN EXILE COMMUNITY IN VENEZUELA WHILE REMAINS ALMOST TOTALLY ANTI-CASTRO. IT IS INTERESTING TO NOTE LETTERS PASSED BY CUBAN AMBASSADOR TO PRESIDENT PEREZ WERE TYPED, NOT HANDWRITTEN, AND ONLY SIGNED BY BOSCH. IN ANY EVENT, AMBASSADOR STRONGLY DISTRUSTS WKTANGO-1 IN ANYTHING INVOLVING CUBAN EXILES AND SUSPECTS THAT RICARDO MORALES IS EMOTIONALLY, IF NOT MENTALLY, UNSTABLE AND A CUBAN AGENT(SO DO WE). COS DISCUSSED GENERAL SITUATION WITH AMBASSADOR THIS MORNING. AS OF NOW, AMBASSADOR DOES NOT WANT TO GIVE ANY INFORMATION TO VENEZUELAN ON CUBAN EXILES EXCEPT ON ESTABLISHED TERRORISTS AND ADVANCE NOTICE OF IMPENDING TERRORIST ACTIONS, LEAST OF ALL DOES HE WANT US TO DEAL WITH WKTANGO-1 ON THIS SUBJECT.

1. ANY ADDITIONAL INFO WE MAY OBTAIN ON NATURE OF
MORALES CONTACT WITH SLFAT-1 WILL BE CABLED TO ADDRESSEES.

AT THIS POINT ALL WE HAVE IS INFO PROVIDED IN REF B.

2. WHILE IT POSSIBLE, WE DON'T THINK THAT MORALES
CONTACT WITH SLFAT-1 IS RESULT OF A WKTANGO-1 DIRECTED
RECRUITMENT OP. WE ARE MORE INCLINED TO BELIEVE THAT THIS
IS SOME SORT OF STRANGE LIAISON OR DOUBLE-AGENT OPERATION,
PROBABLY SUGGESTED BY MORALES HIMSELF, OSTENSIBLY TO MAKE
HIMSELF USEFUL TO WKSCARLET. IT HAS BEEN MENTIONED BEFORE,
AND WE HAVE LONG SUSPECTED, WITHOUT ANY HARD EVIDENCE, THAT
MORALES MAY BE A CASTRO CUBAN AGENT. IT IS QUITE POSSIBLE
THAT HE HAS COINED THE VENEZUELAN GOVERNMENT, OR WKTANGO-1,
INTO BELIEVING THAT HE HAS SOME SPECIAL ENTREE WITH SLFAT-1.

28 August 1951

MEMORANDUM FOR: Chairman, CIA Defector Committee

FROM: OSO Representative, CIA Defector Committee

SUBJECT: Army Disposal Action on Defector to Chile.

1. On 17 August 1951, CIA received a priority cable (IN 21787) from Santiago advising that the Chilean Consul in Frankfurt, Germany, had requested authority from his Foreign Office to issue an "ordinary visa" to Borowicz, a Russian defector (actually a Polish defector), stating that American Intelligence had requested the visa on the same basis as in the case of earlier defectors. Santiago indicated that Chilean officials did not look on this with favor.

2. On 17 August the undersigned was able to ascertain that Borowicz had defected to the 66th Detachment, CIA, in Germany in late May 1951 and since that time had been held in ECIC.

3. On 17 August CIA queried German Station (OUT 71605) as to why Borowicz had not been placed in the DRC and requested that Borowicz be sent to Chile.

4. On 17 August 1951, the undersigned telephoned Mrs. Dorothy Matlack, G-2, and requested her to have a cable sent to Germany by G-2 forbidding the disposal of Borowicz to Chile. The undersigned provided Mrs. Matlack with the serial number of the pertinent CIC memo. Mrs. Matlack stated that she would do everything possible to have this cable sent even if it required her to come in the next day, which was Saturday.

5. On 20 August CIA advised Santiago (OUT 71940) that it had no knowledge regarding this disposal action and was opposed to any more disposal actions to Chile at this time.

6. On 22 August, CIA received a reply from Germany (IN 22176) stating that this Borowicz matter was entirely within the province of CIC and under the circumstances it was impossible for CIA in Germany to have had the body sent to the DRC. It was also stated that ID EECOM was arranging for departure on 21 August 1951. The undersigned immediately advised Mrs. Matlack of this EED and she stated that she was doing all she could to have a priority cable sent at once.

7. On 22 August about 1500 hours, Mrs. Matlack telephoned the undersigned and stated that G-2 did not have a copy of the referenced CIC memo. She requested the undersigned to come over to the Pentagon immediately in order to exhibit the CIA copy of the CIA memorandum, as otherwise G-2 would not send out the desired cable to CIC, Germany. This the undersigned did and such a cable was eventually sent out priority by G-2 to Germany (IN W 23393).

8. On 27 August 1951, CIA received word from Germany (IN 23698) that on 21 August Borowicz had left by plane for Chile and would apparently require no assistance there since he had his own funds.

MEMORANDUM FOR THE RECORD

SUBJECT: John K. McLean

1. On 28 April the undersigned was introduced to Mr. John McLean by Mr. Wallace Lampshire, a staff officer. The purpose of the meeting was to discuss Mr. McLean's connection with Mr. Gordon Barton McLendon (201-79764) and Mr. McLendon's stated desire to help his government.

2. Mr. McLean is a former staff officer (DDI/OCI) who resigned to enter the field of finance. He has been a banker, a stock broker (Sade & Co.) and currently is Vice-President and Treasurer of International Ventures, Inc., 888 17th Street N.W., Washington 20006, as well as Vice-President of Riviere & Berens Securities Corp., stockbrokers located at 1832 M St., N.W., Washington, D.C. 20036.

3. Mr. McLendon was born in Paris, Texas 8 June 1921 and now lives in Dallas. According to Who's Who in the South and Southwest, Mr. McLendon is the owner of a number of radio stations and is listed as the president of numerous companies in radio, TV, and motion picture theatre fields. Mr. McLendon is reputedly a multi-millionaire.

4. Mr. McLean and Mr. McLendon have maintained a friendship since their years at Yale. Mr. McLean recently visited Mr. McLendon at his ranch some thirty miles from Dallas. During this visit Mr. McLendon expressed his fears of the future of the dollar and said that he has moved millions of his dollars to Europe where the money has been put into Swiss and French francs, plus German marks. Most of the money is apparently in savings instruments of one kind or another plus a night club that Mr. McLendon has bought in Stockholm. During these conversations, Mr. McLendon wondered if these foreign operations might not be of interest to the Government (read CIA as Mr. McLendon was an ONI officer during WW II and is aware of Mr. McLean's former employment with the Agency.) Mr. McLendon mentioned his night club as a possibility, as it is frequented by persons of many countries, including the USSR.

SECRET

SECRET

5. Mr. McLean has business interests in Dallas and said that he is willing to explore this possibility with Mr. McLendon if we provide guidance.

6. Mr. McLean himself perhaps offers more potential via International Ventures, Inc. Mr. McLean is seeking venture capital opportunities abroad. For example, he and a Mr. Lincoln Epworth in New York City are working with a Japanese named Ikvo Kasai who is President of Nichimen Co. of Tokyo, a firm seeking to export to the States. Mr. McLean was frank to say that International Ventures is more a dream than a reality in terms of business but the concern is making progress. Mr. McLean offered to be of any assistance.

Comment: I have sent for Mr. McLean's file and upon its receipt I will seek a PCSA.

of Alberto LUDERO (the Argentine shipping magnate) and who is living in France at the present time.

5. It is our thought that perhaps subject's unusual personality and in the cover-job he now occupies could be exploited to advantage by this Station and the organization as a whole. Subject has absolute freedom of movement outside France (usually by TWA), enters into practically any milieu his assignments might require and is known to be an intelligent, hard-working and patriotic individual.

6. On a recent tour of inspection of the TWA circuit, Warren L. PIERSON, Chairman of the Board of TWA, assured subject he would endeavor to secure for him an additional allotment of funds to supplement his present expense account budget. Due to budgetary restrictions this has not been possible and subject is at present seeking another more remunerative position, since he claims that his present income of approximately \$666.00 monthly (including expense account) is insufficient to permit him to live in Paris and maintain the contacts and activity required by his job. According to UNMOVED, subject is at present endeavoring to secure from his good friend Benjamin KATZ (President of the Gruen Watch Co.) the sales agency for Gruen watches in Europe. Meanwhile, however, subject is not contemplating resigning his position with TWA until he has a firm and more remunerative position. UNMOVED states that subject plans to remain with TWA at least until the end of the year, by which time he may have secured something better. Subject has also had talks with James A. FARLEY (on his recent trip to France) concerning the possibility of handling the Coca-Cola agency here. Nothing has come of this possibility to date, but subject appears to be hopeful.

7. UNMOVED is of the opinion that subject would be most receptive to a proposition of doing intelligence work and furthermore believes that if subject could supplement his present income by an additional \$200 or \$300 per month, he would be willing to remain with TWA, which he likes and is only considering leaving due to his present low total income, much of which is spent in connection with activities required by his position.

8. UNMOVED has, of course, never even hinted to subject anything about his own undercover activities and is sure subject does not suspect that the former is doing anything but his cover work in France. UNMOVED, when questioned as to his opinion concerning subject's potential value as a covert agent, as well as his recruitability, has pointed out very strongly that subject, due to the very nature of his personality, must be given a good deal of operational guidance and be closely controlled. Questioned as to whether some other individual should endeavor to recruit subject, UNMOVED was of the opinion that, should the organization desire to do so, he would be best fitted to exploit subject's potential, since

he has known him for a good many years and as a close friend, knows his strong and weak points and could, in general, handle subject to better advantage than another individual who might have only occasional contact with him.

9. We request that consideration be given to the advisability of endeavoring to recruit subject and, in the event of a favorable decision, that provisional operational clearance be given in order that subject may be approached on the subject of engaging in intelligence work. With regard to whom should actually recruit subject, we suggest that HARE might safely make the first approach and, if subject accepts and final security is obtained, he might eventually be turned over to UNSCOWED for exploitation.

10. We would appreciate your reactions to the desirability of recruiting subject, as well as your thoughts as to how best exploit his obvious potential.

11. If subject's recruitability is approved in principle and he is given provisional security clearance, this Station would then prepare a field project outline, to be submitted to you for approval.

30. EMPLOYMENT HISTORY. (Include type of work done, dates, employers, and addresses.)

Business career began in Europe. Brought up in France and speaking French, was appointed, at the age of 18, General Sales Agent for numerous American products including Jantzen Bathing Suits, Three-In-One Oil, the Franklin Motor Car and the Le Baron Motor Car. Successful with these lines, later became General Sales Agent in France for Duesenberg Motor Cars and the Packard Motor Car Company. Almost immediately after taking on Packard sales he accepted a proposition to work exclusively for the Packard Motor Car. Co. Remained with the company in Paris for two years, or until early in 1931. Was then sent to the United States by the company to handle Packard sales in Buffalo, New York where he remained until the autumn of 1932.

At that time he was approached by Raymond-Whitcomb Inc., a leading American travel company, specializing in deluxe tours and cruises, and asked to take over sales in the New York Office due to his knowledge of Europe and his contacts in Europe and the United States who were potential customers for high priced travel offerings. He went to work in the company's principal sales office at 670 Fifth Avenue and remained there until 1940. The travel business became so severely restricted after the outbreak of war in Europe that Raymond-Whitcomb Inc. was obliged to close most of its offices. Sales were at a standstill and, as he was working by his own choice on a commission basis, it was necessary for him to leave. During his eight-year tenure with Raymond-Whitcomb Inc. he wrote on an average of \$500,000 worth of business yearly by himself.

After leaving Raymond-Whitcomb Inc., he took a position as Assistant General Manager of the St. Regis Hotel in New York and subsequently transferred to the Hotel Pierre in the same capacity. He remained at the Hotel Pierre until 1942.

30. EMPLOYMENT HISTORY. (Continued)

Attempting to volunteer for service in the U.S. Armed Forces he was turned down as being overweight. He then approached the U. S. Red Cross, was accepted, and sent immediately to Sidney, Australia as manager of the U.S. Officers' Club in that city. Subsequently, he served in New Guinea, and in Leyte and Manila in the Philippines.

After two and a half years overseas he became eligible for discharge and made application to return to the United States. He went directly to Washington D.C. upon his arrival to operate there the War Service Bureau of the American Optical Company. The Bureau handled that company's business relations with foreign governments and aided implementation of U.S. Army, Navy and Air Corps contracts.

With the war over and the War Service Bureau about to close, he refused a position with the American Optical Company Sales Division, to re-enter the Transportation field. He joined a newly-formed airline called Transair Inc., at that time one of the leading charter companies.

Due to the uncertain position of charter lines within the aviation industry he decided to accept an offer made to him by American Airlines to go to Europe as District Traffic Manager for Holland, Belgium and Luxembourg with headquarters in Amsterdam. He remained with American Overseas Airlines until he had an opportunity to transfer to Trans World Airline which made it possible for him to return to Paris as Special Sales Representative, covering large corporation, government accounts and the motion picture industry. He has now been with Trans World Airline in Paris for fifteen months.

For verification of his employment history the following persons are offered as references. Both are familiar with his business career and have known him personally for years. As is indicated by the above he has been employed by both.

DISPATCH NO. WFF-3724

SECRET
CLASSIFICATION

TO : Chief, FOW

DATE: 15 December 1949

FROM : Chief, Paris Station

SUBJECT: GENERAL: John Augustus McVICKAR, Jr.

201-33408

SPECIFIC: PARI-4214

REFOK

1. We regret that circumstances beyond our control prompted us to dispatch PARI-4214 on the off chance that Subject might be of sufficient interest to you as a potential candidate for recruitment, thus bringing to a head a question which normally would have followed its course through the mill. In this case, however, due to Subject's alleged resignation from TWA, we felt that a cable such as the one we dispatched was justified, due to the fact that unless some quick action is taken, Subject will definitely leave his present job with TWA and seek employment elsewhere.

2. On 10 December, Subject had luncheon with HARE and unloaded all his financial troubles. In a casual way HARE asked him if by any chance he would be willing to stay on at TWA if his salary were supplemented. Subject took eagerly to this possibility, since it is well-known that Subject likes his job and desires very much to remain, but is resigning merely for financial reasons. In consultation with UNWED and HARE, both of whom knew Subject well, it is apparent that probably \$300 monthly would allow Subject to decide to stay with TWA, provided we are sufficiently interested in recruiting him for intelligence activities.

3. Attached hereto is UNWED's latest report on Subject, dated 8 December, and prepared prior to HARE's luncheon with Subject. There seems to be some question as to whether Subject has actually submitted his resignation to TWA in writing. According to UNWED, he has, whereas Subject denied this to HARE. In any event, it is well known in Paris that Subject is taking terminal leave at present, prior to leaving TWA.

4. We now await your reaction as to whether you feel that in principle McVICKAR is worth recruiting. It is too early, not having had specific and detailed talks with McVICKAR, to submit a project outline, but all here are agreed that the organization could benefit considerably by Subject's extensive contacts in all countries of Western Europe.

15 DEC 49

6 December, 1949

Subject: McVICKAR, JOHN AUGUSTUS JR.

Address: 28 Avenue Montaigne Paris

Telephone: ELY 46-65

Subject is quitting his position as traffic representative with Trans World Airline as of 31 December, 1949. In August, 1949, subject advised his superiors, including WARREN LEE PIERSON, Chairman of the Board of TWA and a personal friend, that he could not continue unless a larger salary and a more liberal expense account were forthcoming. He was informed in due course by Vice President COCKE that it was impossible for the company to give him more money within the present wage structure. Subject therefor decided to seek other employment. On or about 15 November subject was advised by Overseas Manager THORNTON that he could proceed to make new arrangements as of the end of the year. Whether subject actually resigned or was asked to terminate his connection due to his repeated demands for more money is not completely clear to the writer.

Overseas Manager THORNTON was never sympathetic with the subject. According to STANLEY MARKUSEN, TWA Overseas Public Relations Director, THORNTON was jealous of subject's popularity. On the other hand, JOHN WINCHELL, Traffic Manager for Paris, and subject's immediate superior, was, and continues to be, his strong supporter. On the basis of business produced WINCHELL has told the writer that subject is the company's most valuable employe overseas. MARKUSEN concurs in that belief.

Subject is highly regarded by OSCAR HOLCOMB and PALMER BRADLEY, directors of TWA. In addition he is a close friend of PIERSON, Chairman of the Board, who engaged him directly in the first place. None of these, however, seem willing to run counter to the economy drive now in progress within TWA sponsored by new President RALPH DAPON. Unless there is a last minute change in policy subject's termination will stand.

Subject's future is uncertain. He has been in touch with a friend of his in New York named HARVEY DWIGHT. DWIGHT makes frequent business trips to Europe on behalf of his own company which deals in spare parts for airplanes. He has intimated that he might use subject in Europe for six to eight months and then bring him back to the U.S. for employment in Washington. As of the above date DWIGHT has made subject no definite offer but has advised him in a letter seen by the writer not to worry about his future.

Ex-Postmaster General JAMES FARLEY, now with the Coca-Cola Company, was interested recently in hiring subject for work in France but that idea seems now to have been dropped.

CHARLES ROGERS, Paris automobile dealer, has asked subject to work for him but subject has refused.

Subject is hard pressed for money. He has outstanding debts and his ^{former} salary from TWA, in the vicinity of \$350 monthly, had never been sufficient for his needs. In October, 1949, TWA cut the living allowance paid to employes overseas. According to subject that cost him about \$150. monthly and forced him into debt. Subject was

1. On the basis of the information submitted in reference dispatch, we have initiated an investigation of subject, who appears to have, as you suggest, many facets worth exploiting. To expect this preliminary four-way check to take at least six weeks to complete and in the meantime would appreciate a further list of subject's contacts, sketched briefly at the bottom of page 8a of his personal record form. Since operational clearance is given only for a specific purpose, we also request UNMOVED's preliminary views on exploitation.

2. Subject personal record form (as well as that submitted with KIPA-3366) is unusually complete, which greatly facilitates checking at this end. UNMOVED should be congratulated on his painstaking reporting in this matter.

TO Chief, FEW
FROM : Chief, Paris Station
SUBJECT: GENERAL- WPPA-3724; WASH-5370
SPECIFIC-

DATE: 10 February 1950

1. UNKNOWN has just informed me that Subject has definitely decided not to return to Paris and is now staying at the Hotel Stanhope on 5th Ave., New York. UNKNOWN further assures me that Subject is definitely unemployed for the moment and is desperately looking for suitable employment.

2. Apparently Subject has been able to borrow a considerable amount of money, he having sent to his wife who remained behind in Paris a sufficient amount of dollars to cover local debts in French Francs which Subject had accrued at the various Paris hotels, bars, nightclubs, etc. Subject's wife is at present liquidating all these debts, closing up and returning to the owner the apartment in which they lived and plans to depart for New York to rejoin her husband within a few days.

3. UNKNOWN has also assured me that Subject is very anxious to return to Europe and, if possible, Paris. UNKNOWN has maintained his contacts with other high TWA officials in Paris, who have told him that they are "lost without" Subject and would be very glad to see him back in Paris. It also seems apparent that Subject left TWA under favorable circumstances and would be willing to return (and they would accept him) provided his financial situation were satisfactorily settled.

4. If Subject still interests you, I suggest you endeavor to contact him at his hotel in New York.
