SUBJECT : Recommendation for Promotion to GS-13,
Joseph S. Piccolo

2. M. Piccolo has been consistently evaluated as a very Strong performer in his current grade and this in a variety of assignments which have progressed upwards in responsibility and have included field FI and liaison responsibilities, Headquarters desk officer and liaison officer; up to his current assignment as senior officer in charge of one of the Station's major operational programs, Communist Party and terrorist operations including direct handling of the Station's most sensitive CP agent. He has been evaluated by the Rio de Janeiro Base Chief as the most mature, dependable and competent case officer at the Base. He has excelled in the handling of intricate sensitive penetration operations where the highest professional standards are demanded. He carries a very heavy work load lightly and is a prodigious contributor in both operational and information reporting. His performance as a supervisor has been characterized by conscientiousness, a good sense of detail, perceptiveness, fairness and firmness. Two Chiefs of Station have emphatically endorsed the very

high evaluation placed on Mr. Piccolo's performance. His current COS has especially commended him on his handling of a complex current case involving liaison in which Mr. Piccolo has demonstrated an unusual grasp of detail, excellent judgment, poise under pressure, and extraordinary stamina. The COS has stated that Mr. Piccolo is already performing well above the GS-13 level.

3. Several supervisors have commented on Mr. Piccolo's quiet unassuming personality which belies the intensity with which he approaches his work. Underlying the quiet manner it has been noted that he is tough-minded and aggressive in his agent handling and exploitation and is highly experienced and skilled in the basic craft of the intelligence business. He is linguistically talented and can function in both the Spanish and Portuguese languages. He has had the basic Agency operations courses including some in technical operations. He is also an intelligent supervisor with a capability for lighting fires under his charges when necessary. He is highly respected and appreciated by all his colleagues and though he maintains a low-profile he moves easily in his official cover circles.

4. Mr. Piccolo has already proven his ability to perform at the next highest grade. Most supervisors have emphasized his potential for assuming ever increasing responsibilities. He has realized this potential with each succeeding assignment and particularly in his current one. He fits both the general and specific criteria for promotion. He has shown himself in possession of the requisite qualities of reliability, seriousness of purpose, imagination, and dedication. He has personally applied the specifics of his profession in a successful manner and has demonstrated his ability to supervise and inspire others in their application as well.

5. Mr. Piccolo's request for a one-year extension of his current tour has been approved. At the culmination of that period an appropriate assignment will be arranged for him commensurate with the Agency's needs, his desires and the continued furtherance of his career.

14-00000

6. It is hereby strongly recommended that
Mr. Piccolo be promoted from GS-12 to GS-13.

Dear Dick:

As you know, the President and Mrs. Johnson visited Managua, Nicaragua on Monday, July 8, 1968, upon their return from the San Salvador Conference.

MEMORANDUM FOR: Secretary, CS/CS Panel (Section B)

SUBJECT : Recommendation for Promotion to Grade
GS-12--Mr. Joseph S. Piccolo

1. It is recommended that Mr. Joseph S. Piccolo be promoted to the grade of GS-12. Mr. Piccolo has been in grade as a GS-11 since September 1966 and is presently serving as an operations officer at Managua, Nicaragua.

2. Mr. Piccolo is a promising young officer who first entered the Agency in 1957 as a clerk in Agency Records section (RI). He also did a tour in the Records Section of the Mexico City Station. After a short separation for military service, Mr. Piccolo returned to the Agency and later was appointed to the Junior Officer Training Program. Since his completion of that program he has served in Headquarters and Mexico City as an operations officer prior to his assignment to Managua in March of 1968.

3. Mr. Piccolo has consistently received high ratings from his superiors in the field and at Headquarters. He is an active operations officer with a special flair for agent handling. He has a good command of the Spanish language, is a dedicated employee of the Agency and has a great deal of growth potential. Since going to Managua he has been in charge of the Managua Station during the home leave absence of the Chief of Station for a period of almost two months, during which time the Station continued its high level of performance. While this was his first period of his career where he had supervisory responsibility, he did show himself to have ability in this area and is a further indication of his growth potential.

MEMORANDUM FOR: *Joseph S. Nicola*
[REDACTED]

THROUGH : Chief of Station, Mexico City

SUBJECT : Notification of Designation as a Participant in the Organization Retirement and Disability System

REFERENCE : Book Dispatch 5096 dated 12 August 1965

1. You have been found to be qualified as a participant in the Organization Retirement and Disability System and have been so designated effective 7 May 1967

2. Although such designation under present statutes is viewed favorably by most persons, the regulation governing this retirement system gives the individual the right to appeal such a determination if he deems the designation adverse to his best interests. In order that this technical requirement may be satisfied, you are hereby notified of your right to appeal. An appeal with reasons therefore must be received in Headquarters within 60 days of the date of this memorandum or acceptance of designation will be assumed. Any questions that you may have in connection with your designation that cannot be answered by referring to referenced Book Dispatch should be forwarded to Headquarters.

3. We believe that the benefits of the Organization Retirement System are superior to the benefits of the Civil Service Retirement System. However, there are a few situations in which an employee at the time of retirement may have so many years of service (almost 37) that he would receive a higher annuity under the Civil Service System. Because of this, the policy decision has been made that a participant in the Organization System who would receive a higher annuity under the Civil Service System may, not later than one year prior to his retirement, apply to be removed from our system and transferred to the Civil Service System. Thus, you should not anticipate this contingency as a factor in deciding whether you regard your designation as a participant adverse to your best interests.

SUBJECT : Proposed Nomination for Promotion to GS-10
Mr. Joseph S. Piccolo

1. Mr. Piccolo's work since completion of the Career Training Program has been reflected in a series of progress reports.

2. At this time, in view of his pending transfer and my own, I should like to recommend him for promotion. His performance to date merits it.

3. As I have stated in his fitness reports and in recommending him for the Career Training Program, Mr. Piccolo already is a capable operations officer and has unusual potential. His experience, common sense and flair for operations make him even now the equal of most officers who are serving in grades considerably higher than his.

MEMORANDUM FOR: Secretary, Clandestine Services Career Service Panel

SUBJECT : Recommendation for Promotion of Mr. Joseph S. Piccolo

1. It is recommended that Mr. Joseph S. Piccolo be promoted from GS-7 to GS-8. He has been in grade GS-7 since 19 July 1960 and was assigned to what is now the Special Affairs Staff (formerly Task Force W) on 27 August 1962.

2. As long ago as 16 June 1960 when he was a GS-6 Mr. Piccolo was considered to have merited promotion to GS-9, but an Agency policy precluding multiple grade promotions prevented his being considered for GS-9 at that time. He was promoted to GS-7 on 19 July 1960. On 4 May 1961 Mr. Piccolo was recommended for promotion to GS-8 at a time when he was expected to leave the Agency in order to comply with his obligation for military service. The recommendation was not approved on the grounds that promotion spaces were limited. Mr. Piccolo served in the Air Force between 4 October 1961 and 27 August 1962 when he returned to the Agency and began working in the CI Branch of the Special Affairs Staff.

3. Mr. Piccolo has demonstrated an aptitude for CI and FI operations and is one of the most promising younger men in the CI Branch. His performance since returning from military service has been superior in all respects.

4. I am happy to recommend Mr. Piccolo for promotion.

Director of Personnel
Central Intelligence Agency
2430 "E" Street N.W.
Washington 25, D.C.

Dear Sir:

In accordance with the instructions I received upon departing the Agency for Military Duty, I hereby apply for reinstatement with the Agency, effective 27 August 1962. My Unit is scheduled for discharge on 24 August 1962.

Since 1 October 1961, I have been serving on active duty with the United States Air Force in the 121st Tactical Fighter Squadron which is a part of the 113th Tactical Fighter Wing, and have been stationed at Andrews AFB, Washington, D.C. with the exception of several TDY trips as noted below. I have not left the continental limits of the United States in this tour of Active Duty.

16 Oct 61 to 3 Nov 61	Nellis AFB, Las Vegas, Nevada
27 Nov 61 to 2 Dec 61	Myrtle Beach AFB, Myrtle Beach, S.C.
12 Feb 62 to 17 Mar 62	Myrtle Beach AFB, Myrtle Beach, S.C.
2 May 62 to 11 May 62	Robins AFB, Warner-Robins, Ga.

My duties have been as an Administrative Specialist, first in the Unit Maintenance Section then in the Unit Orderly Room, with an additional duty of acting First Sergeant and Disaster Control NOIC.

My financial situation dictates that I return to gainful employment at the earliest possible date, ergo the request for 27 August 1962. However, the need to attend to some personal affairs will require that I be absent from Washington D.C. for the week of 3 through 7 September 1962. Therefore, if at all possible, I would like to be placed on five (5) days of advanced annual leave for 3 through 7 September or five days LWOP. If neither of the two aforementioned requests can be granted, then I request reinstatement effective 10 September 1962.

I do not anticipate any further travel from the Washington D.C. area prior to my release from active duty and will be available for personal interview if desired. I may be contacted at the following address and phone number:

Dear Sir:

On 4 October 1961 I separated from the Agency as I was called to active duty with the United States Air Force in the defense mobilization. I left my annual leave, sick leave, and retirement accounts in escrow status as I planned to return to the Agency upon release from the military. I still intend to return to the Agency. However, I would now like to be paid in coin of the realm for the amount of annual leave which I left in escrow. It is further requested that my sick leave and retirement accounts be maintained on an escrow status.

Please forward correspondence on the above to the following address:

Dear Mr. Piccolo:

We have reviewed your Agency personnel file in connection with your military separation which was effective 4 October 1961.

Our interpretation of Comptroller General rulings indicate that the provisions of Public Law 87-378 would preclude any further military leave for employees in your category during the calendar year 1961. However, this is not viewed as erasing your entitlement to military leave in 1962 for this period of active duty.

Our records reveal that you were granted 3 days military leave in October 1961 for this tour of active duty, and accordingly, we believe that you are entitled to an additional 12 days of paid military leave.

We have enclosed an Application for Leave (Standard Form 71) for your signature and return to us. We will complete the form for you and forward it to your office for their approval.

Very truly yours,

MEMORANDUM FOR: Joseph S. Piccolo

VIA : Chief, WH

1. The problem of effective management of the operational records of the Clandestine Services is one of our most important responsibilities. In this connection, you have been selected by your Division, and authorized by the Clandestine Services Records Committee, to act as Records Officer for your component. Your selection is based on your professional qualifications to carry out an assignment requiring experience, judgment, and a knowledge of the objectives of the Clandestine Services. A copy of this memorandum will be placed in your official personnel folder to record your appointment as Records Officer.

2. You are to act on behalf of your Division or Staff element in authorizing the destruction of material of no value to the Clandestine Services in accordance with criteria established for this purpose. You are empowered to authorize the destruction of documents and index cards recommended for destruction by other members of your Branch, and to desensitize KAPOK and RYBAT material which is no longer sensitive or which has been restricted in error. Your signature will be recognized by RID as that of an officially appointed Records Officer.

3. At the meeting of 15 March 1960, you were briefed on the details of your duties as Records Officer. It is now considered that you will be able fully to execute your duties as Records Officer and thus make a real contribution to the CS Records Management Program.

SUBJECT:

*Pinto, Joseph**Subject called today and will
be in Monday, 4 February 1957.*

30 January 1957

Mr. Joseph S. Piccolo
2210 - 20th Street, N. W.
Washington, D. C.

Dear Mr. Piccolo:

We are pleased to inform you that your appointment with this Agency has been approved at Grade GS-4, salary \$3415.00 per annum.

Your permanent employment will depend upon the completion of the following processing at the time of entering on duty: taking the oath of office, signing a loyalty affidavit, participating in a final security interview and completing a medical examination which will include determination of physical health and emotional stability. Should anything of an unfavorable nature arise during this period, your employment will not result in a permanent appointment.

We hope you will be able to join us at an early date. Please telephone Mrs. Martha George-Adis on Executive 3-6115, extension 2781, as soon as possible, in order to arrange an entrance-on-duty date. If at all possible, we would appreciate your selecting a Monday.

Please report to the Receptionist at Curle Hall at 8:15 a.m. and ask for Mrs. George-Adis on the reporting-for-duty date that you establish with this office. Curle Hall is located at the intersection of 23rd Street, Independence Avenue, and Ohio Drive, S. W., with entrance on Ohio Drive.

The gross salary quoted will be subject to deductions for Federal income tax and 6 1/2 percent for the United States Civil Service Retirement Fund. In addition, the benefits of low-cost group life insurance are available to Federal civilian employees. The enclosed pamphlet outlines the features of the program and lists the amount which will be deducted from your salary each pay period for this term insurance. This insurance is not obligatory. However, if you do not wish coverage, which is automatic, you should sign a Waiver of Life Insurance Coverage form at the time you enter on duty.

You will not receive a pay check for approximately four weeks after your entrance on duty.

If you have any problems, Mrs. George-Adls will be glad to discuss them with you when you call.

Very truly yours,

G. M. Stewart

Mr. Joseph S. Piccolo
2210 - 20th Street, N. W.
Washington, D. C.

Dear Mr. Piccolo:

A review of the medical history information which you submitted indicates that for proper medical evaluation it is necessary that you come to our medical office for a pre-employment medical examination which will include determination of physical health and emotional stability.

An appointment may be scheduled at 8:30 a.m., on any Tuesday, Thursday or Friday. Please advise Miss Ruth Griffin by letter, 2430 E Street, N.W., Washington 25, D.C., or by telephone EXecutive 3-6115, extension 2781, of the date you will be able to report. We would appreciate your giving us at least two weeks advance notice. When you come for your examination, please report to our Medical Office in Central Building, 2430 E Street, N.W. Inasmuch as some parts of the examination are given in the morning and others in the afternoon, it is necessary that you plan to be here the entire day.

We will not be able to reimburse you for any travel or incidental expenses which you incur for this purpose.

Although has had some nervous disorder which were aftereffects of a gland virus, he had psychiatric consultation for about five months but no treatment. CENTRAL INTELLIGENCE AGENCY
WASHINGTON 25, D. C.

Applicant Information
Sheet No. 1

**To all persons applying for employment
with the Central Intelligence Agency:**

**This paper is the first step in applying for employment or consultant
status with the Central Intelligence Agency. No application may proceed
beyond this first step if the applicant is not in agreement with the
conditions stated below:**

General Considerations:

- 1. The National Security Act of 26 July 1947 (Public Law 253, 80th Congress) which created the Central Intelligence Agency places upon the Agency the responsibility:**
 - a. "to advise the National Security Council in matters concerning such intelligence activities of the Government departments and agencies as relate to the national security;**
 - b. "to make recommendations to the National Security Council for the coordination of such intelligence activities of the departments and agencies of the Government as relate to the national security;**
 - c. "to correlate and evaluate intelligence relating to the national security, and provide for the appropriate dissemination of such intelligence within the Government . . . ;**
 - d. "to perform, for the benefit of the existing intelligence agencies, such additional services of common concern as the National Security Council determines can be more efficiently accomplished centrally;**
 - e. "to perform such other functions and duties related to intelligence affecting the national security as the National Security Council may from time to time direct."**

14-00000

The special character of this national responsibility requires the Agency to maintain correspondingly special employment criteria which may be different from the routine or normal employment standards of other Government departments and agencies which do not have the highly sensitive responsibility borne by the Central Intelligence Agency. It follows that the investigation of applicants, prerequisite to their acceptance is a time-consuming process which, in addition to loyalty and security checks, includes evaluation of competence, physical and emotional fitness, and availability of a suitable position at such time as employment may be offered. This is called "clearance" of an applicant.

2. Investigation of an applicant may reveal something which prevents his clearance - perhaps something of which the applicant is genuinely unaware, perhaps something which only the special employment criteria of the Agency make unacceptable. In any event, adverse findings by the Agency are conclusive and final so far as the Agency is concerned, and no statement of specific reasons is made to the applicant.

3. Employment by the Central Intelligence Agency is not a right upon which an applicant can insist. Offer of employment which is subject to full clearance does not constitute a commitment on the Agency's part giving an unsuccessful applicant grounds for any claim against the Agency. Acceptance of employment upon the condition of clearance is at the applicant's risk, taken with the knowledge that a very substantial percentage of applicants are not cleared.

Statement of Understanding
and Agreement

I have read, understand, and agree to the foregoing General Considerations. If not accepted for employment by the Central Intelligence Agency, I will make no claim or demand in conflict with those considerations.

I have also seen and read Applicant Information Sheet No. 2.

Office Memorandum • UNITED STATES GOVERNMENT

TO : Record

DATE: 29 Oct 57

FROM : S. Richelderfer

SUBJECT: Piccolo, Joseph Stephan

Subject was advised this date that the Agency would request a directed deferment. He was told the meaning of a "directed deferment" and advised not to contact his local board and they will not contact him. He was sent to see Captain Noble in Reserve Affairs Branch. Captain Noble was not in and subject was interviewed by Sgt. MacKenzie. I talked to MacKenzie and stressed the fact that subject should be advised to be sure to drop out of the National Guard. MacKenzie said that he would have to request to be put in a standby reserve status. This seems to be a satisfactory arrangement, since we are requesting a directed deferment, the L.B. will not contact Piccolo.

MEMORANDUM FOR: Deputy Director of Personnel

SUBJECT: Mexico City Clerical Requirements

1. PAD has attempted to locate two suitable candidates for the WH vacancies who will not be eligible for the draft. Machine runs were used, as were file referrals, checks with appropriate Administrative and Personnel representatives in Agency components, and a thorough screening of Tables of Organization. A total of 25 individuals at the GS-5 or lower level were checked out. One candidate was located, a Mr. William G. Rawls, Clerk, GS-4 with WE. He has been accepted by the Division for the January requirement. The January deadline was chosen for him because he will be able to pass the typing requirement for State integration. We had no success in finding a candidate for the 1 November deadline. All of the others were disqualified, largely because of marriage, unwillingness to accept the assignment.

2. Under the circumstances, it is recommended that Mr. Rawls be processed against the January requirement and that Mr. Joseph Piccolo, who was originally submitted for the November departure, be processed for the assignment, and that a directed deferment be requested for him.
