Approved for release by the Central Intelligence Agency on 08-11-2013 pursuant to E.O. 13526, 68 FR 7618, and 68 FR 7619.

Approved for release by the Central Intelligence Agency on 08-11-2013 pursuant to E.O. 13526, 68 FR 7618, and 68 FR 7619.

Mr. Williamson entered on duty with the Agency in June 1952, after having served with the Army, SIC, from 1942 to 1949 and, subsequently, as Chief, Civil Intelligence Branch in the Panama Canal Zone Government from 1949 to 1952. In January 1955 he was appointed Deputy Chief of Station, Havana and remained in this position until January 1959 when he was reassigned to Headquarters. Mr. Williamson served as Deputy Chief of Station, Madrid, from 1965 through 1970, and as Deputy Chief of MI Division Cuban Operations Group from 1966 to June 1968. He assumed the position of Chief of Station, San Jose, in June 1968. Since April 1971 Mr. Williamson has been assigned as Chief, MI Division, Branch 6, which encompasses the important Chile area.

Mr. Williamson has held positions of responsibility from the very outset of his Agency career. While demonstrating ample qualities of leadership and excellent managerial skills, his continuing interest lies in the real heart of Agency activities--the production of intelligence and the conduct of actions against our targets. This was high-lighted during his recent tour as COS, Costa Rica. The last year of his tour was marked by two extremely delicate, highly productive operations targeted against the Communist Party of Costa Rica, and a political action operation of a most sensitive nature stemming from them. This latter operation, focused as it was around the president of the country

enabled for constant good and on how to pursue U.S. Government interests with the highly sensitive and significant intelligence assigned.

Over the years Mr. Williamson has been extremely effective in liaison activity. Through his skillful approach and genuine interest in the problems of representatives of foreign countries, he has been able to enlist support for our operations.

During the past year, the task of supervising the M/Chile Branch has been a most challenging one. Chile has become a knotty foreign policy problem, and is the subject of continuous and extensive discussions between the Agency, the State Department, and other components of the Government, while receiving the attention of the most senior policy makers. Requirements from many directions have required constant pressure to respond with ideas, methods, procedures and the subsequent position papers. Through it all Mr. Williamson has maintained a sense of balance and professionalism which permits a proper focus on the crisis of the moment. We have been fortunate in having an officer of Mr. Williamson's caliber in this position during such a difficult period.

In recognition of Mr. Williamson's demonstrated continuous superior performance as a senior intelligence officer, which has contributed to the accomplishment of the mission of the Agency, it is recommended that he be awarded the Certificate of Distinction.

Dear Earl:

You have just completed, at my direction, seven weeks of full-time service on the GS-13 Clandestine Service Personnel Evaluation Board. I know that this work has been particularly demanding. Your participation and diligent application of your professional experience have been decisive factors in the successful accomplishment of the Board's missions.

In the course of this assignment you have become thoroughly familiar with the use and interpretation of personnel files and personnel practices of the Clandestine Service. Having reviewed and analyzed the files of one hundred or more CS officers, you have had to make judgments and recommendations concerning their relative-ranking and their qualifications for promotion, for training required to overcome a deficiency or enhance career effectiveness, for changes of assignment to further career development and for Quality Step Increases to recognize outstanding performance. In so doing, you have carefully studied the career development of a large number of officers in all components of the CS, both as individuals and in relationship to each other in terms of merit and value to the Clandestine Service.

You have become familiar with a broad spectrum of personnel and administrative problems on a practical working level and have acquired a knowledge of personnel management which will better equip you to handle supervisory positions which require personnel reporting and career development of subordinates. The committee format of the panels has also deepened your understanding of the conference approach to management problems.

Mr. Earl Williamson
WH Division

C-O-N-F-I-D-E-N-T-I-A-L

I wish to commend you personally for your participation in an evaluation procedure which helps to strengthen the Clandestine Service Career Service. A copy of this letter will be included in your official personnel file so that your supervisors and future Evaluation Boards may make due note of this service.

MEMORANDUM FOR: Earl J. Williamson
[REDACTED]

SUBJECT : Foreign Divorce Decree

1. The purpose of this memorandum is to bring certain information to your attention which relates to the fact that your current spouse was a party to the dissolution in Mexico of a former marriage.

2. Recently, the Office of General Counsel completed a study of the validity of a Mexican divorce decree and potential problems arising from such a divorce for JKLANCE employees concerned and JKLANCE. A summary of OGC's study is attached.

3. You will note from the attachment that the employee whose current marriage follows a Mexican divorce may be confronted with serious problems affecting eligibility for payment of various government benefits such as reimbursement of hospitalization expenses, survivorship benefits and certain types of overseas allowances. My purpose in writing to you, therefore, is to be sure you are made aware of and understand the seriousness of the problems which would arise in the event of a challenge to the validity of the Mexican divorce and, consequently, to the validity of the current marriage. This challenge could arise at any time and from a number of sources.

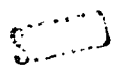

4. JKLANCE has another interest stemming from Mexican divorces and this is one of security, depending upon the employee's specific employment. In the event such a divorce is challenged, subsequent litigation and attendant publicity become quite probable. It is, of course, in JKLANCE's best interest that this sort of activity be avoided where possible.

5. Recognizing that there are various types of Mexican divorce, and also that the various states in the United States have decided cases in different ways depending on the type of Mexican divorce involved and its own case law,

14-00000

you may wish to discuss your personal situation with your attorney or a representative of JKLANCE's Office of General Counsel. In the meantime, however, JKLANCE's position with respect to your situation is that it assumes the validity of your current marriage, unless the earlier Mexican divorce action and your current marriage are challenged. Should that challenge ever occur, it may be necessary for JKLANCE to determine that your eligibility for benefits based on your current marriage must be suspended until such time as the challenge is litigated or otherwise resolved. Special note should be taken of the fact that such a challenge might arise after your death, possibly resulting in the distribution of insurance proceeds and other death benefits to other than your immediate family as constituted at your death and contrary to your own intentions and wishes.

6. Please advise me of your plans and any actions taken in connection with the above. If you have any questions on the substance of this memorandum or its purpose, please do not hesitate to let me know.

MEMORANDUM FOR: Director of Personnel

SUBJECT : Mr. Earl J. Williamson - Request
for Approval of Ten Days of
Additional Home Leave

REFERENCE : HR 20-30b(3)(b)(10)

1. The circumstances surrounding Mr. Earl J. Williamson's departure from San Jose, where he had been Chief of Station, are described in the attached memorandum. Because of the disruptive nature of his PCS transfer to Washington, Mr. Williamson has requested an additional ten days of home leave. As he is a State Department integree, the Office of Finance, subject to approval of his request, can offset the State disallowance of his additional home leave and the charge to his annual leave by adjusting Mr. Williamson's escrow leave account as appropriate.

2. Due to the nature of his transfer, Mr. Williamson's request for an additional ten days of home leave appears to be warranted. In accordance with the provisions of the referenced regulation, it is recommended that Mr. Williamson's request for an additional ten days of home leave be approved.

MEMORANDUM FOR THE RECORD

SUBJECT: Home Leave - Earl J. Williamson

1. The following are the circumstances concerning my departure and home leave from San Jose, Costa Rica.

a. My home leave and return for a second tour to San Jose was approved by Chief, WH Division in the summer of 1970 for January 1971.

b. In October 1970 home leave and return orders were requested from State Department and physicals were taken.

c. In December 1970 home leave and return orders were received from the Department based on the itinerary I had requested to be effective on or about 1 January 1971.

d. My departure scheduled for 3 January was deferred by the Ambassador based on operational considerations at the time.

e. On 8 January 1971 I was officially declared PNG by the Costa Rican Government.

SECRET

SECRET

-2-

f. To give the public impression that my departure was a routine transfer, the Department, the Agency, and the GOCR agreed to the postponement of my departure until 21 February 1971.

g. On 11 February 1971 I received Department orders based on my previously requested itinerary for home leave and reassignment to Washington.

h. My home leave itinerary included five days annual leave in Mexico enroute and 25 days home leave reporting for duty on 5 April. I actually arrived in D. C. on 23 March and was fully occupied until 5 April in locating and renting a home and getting my family settled.

1. In accordance with Department regulations, I have been credited with only 15 days home leave and the additional 10 days have been charged to annual leave.

2. I submit that the circumstances of my departure from San Jose were unusual and beyond my responsibility or control. The delay in departure definitely occurred because of operational requirements abroad which negated my original home leave schedule. I would like to request the granting of an exception to the 15 day home leave limitation to show my return to duty as of 23 March (the date I arrived in D. C.) rather than 5 April the date the Department has me returning to duty.

Mr. Arthur Jacobs,

Now that Earl Williamson has come and gone
I would like to record how very grateful I am to yourself
and your Government for arranging his visit to Jamaica.

2. As far as our Intelligence Committee is
concerned, his visit was an unqualified success at all of
the various levels at which he spoke, and I hope that he
felt the same way about it.

3. For my part, I believe that it was particularly
valuable because it made my Government aware - at the highest

co-operation between our two Organizations.

4. I would be very grateful if you would pass on
to the appropriate quarter our highest appreciation of

USLUGOAGE -

- Notification of Designation as a Participant in the Organization Retirement and Disability System

Action: Advise Subject

REF: Book Dispatch 5096

1. Subject has been found to be qualified as a participant in the Organization Retirement and Disability System and has been so designated effective 24 October 1965.

2. Although such designation under present statutes is viewed favorably by most persons, the regulation governing this retirement system gives the individual the right to appeal such a determination if he deems the designation adverse to his best interests. In order that this technical requirement may be satisfied, subject should be notified promptly of his designation and of his right to appeal. Any questions he may have should be answered in accordance with information contained in Book Dispatch 5096 or referred to Headquarters. An appeal with reasons therefore must be received in Headquarters within 60 days of the date of this dispatch or acceptance of designation will be assumed.

3. We believe that the benefits of the Organization retirement system are superior to the benefits of the Civil Service retirement system. However, there are a few situations in which an employee at the time of retirement may have so many years of service (almost 37) that he would receive a higher annuity under the Civil Service system. Because of this, the policy decision has been made that a participant in the Organization system who would receive a higher annuity under the Civil Service system may, not later than one year prior to his retirement, apply to be removed from our system and transferred to the Civil Service system. Thus, subject should not anticipate this contingency as a factor in deciding whether he regards his designation as a participant adverse to his best interests.

MEMORANDUM FOR: Deputy Director for Central Intelligence

THROUGH : Director of Personnel

SUBJECT : Request of Earl J. Williamson, GS-15, to
Remain in the Employment of CIA Following
Marriage to an Alien

1. This memorandum submits a recommendation for your approval: this recommendation is contained in paragraph 7.

2. Mr. Earl J. Williamson, a GS-15 Operations Officer, has requested permission to remain in the employ of CIA as a Staff Employee following his marriage to Miss Virginia J. Lobo, a 26 year old Cuban citizen living in Spain. The marriage is scheduled to take place in October 1965.

3. Mr. Williamson, 50 years old, attended Loyola University in 1947-48 and Berlitz School of Languages in 1948. Prior to joining CIA, Mr. Williamson served with the U.S. Army (1942-49) achieving the rank of 1st Lieutenant in CIC. Subsequently, he was Chief, Civil Intelligence Branch in the Panama Canal Government (1949-52). Mr. Williamson entered on duty with CIA in June 1952 as a GS-12 Operations Officer with WH Division. In January 1953 he was appointed DCOB, Havana, remaining in this position until January 1959 when he was reassigned to Headquarters. In August 1960 Mr. Williamson was assigned to Madrid and in 1963 was appointed DCOS, Madrid, which is the position he presently occupies.

4. The COS, Madrid, Mr. James A. Noel, has known Miss Lobo for over three years. He says she is a most attractive young lady who is a member of a distinguished and respected Cuban family. She is well educated, fluent (bi-lingual) in English, intelligent, cultured, and gracious. He has found her to be discreet at all times.

5. Chief, WE Division strongly believes on the basis of past performance and proven ability that Mr. Williamson is the kind of officer whom the Agency should retain. Mr. Williamson's record to date shows that he is a mature, experienced, and dedicated officer,

who has spared no effort to expand and improve the Agency's coverage in his area of assignment. WE Division and WH Division, where Mr. Williamson will be reassigned, foresee no difficulty, adverse effect in future usefulness or mobility as a result of this marriage.

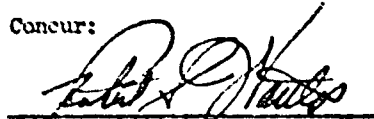

6. I have reviewed Mr. Williamson's employment record and consider him an able and valuable member of the Clandestine Services. He has consistently performed his duties well, has strong to outstanding Fitness Reports, and is a definite asset to the Agency. I believe that the proposed marriage will not detract from his long term use by the Clandestine Services.

7. In view of the above consideration, I recommend that Mr. Williamson be continued in Staff Employment Status following his proposed marriage.

SUBJECT : Request of Mr. Earl J. Williamson, GS-15,
to Remain in Staff Status Following
Marriage to an Alien

1. Attached is a request from Mr. Earl J. Williamson for permission to continue in a staff status with the Agency following marriage to a Cuban citizen. WE Division strongly recommends favorable consideration.

2. Mr. Williamson is a fifty year old officer who entered on duty with the Agency in 1952. He has been assigned to the Madrid Station since October 1960 where he has served as the Deputy Chief of Station and since May 1964 as the Western European Coordinator for Cuban Activities. Since his assignment to the Madrid Station, Mr. Williamson's performance has been outstanding. He is a mature, experienced, and well-rounded officer who is particularly well-suited for Agency employment. In every sense of the word, Mr. Williamson is a dedicated officer who has spared no effort to expand and improve the Agency's coverage in his area of assignment.

3. WE Division concurs with the Chief of Station, Madrid, who has stated that he does not believe that Mr. Williamson's marriage will adversely affect in any way his future usefulness or mobility of assignment in the Agency. Mr. Williamson plans to proceed with the marriage in October 1965 shortly prior to his return for reassignment to WH Division. Informal discussion with WH Division has indicated that they foresee no difficulty with their plans for Mr. Williamson were he to marry this alien as planned. Mr. Williamson is integrated in the Department of State and will be required to submit a similar request after Agency decision is received if he retains his integrated status in his next assignment.

~~SECRET~~ application for permission to marry an alien is transmitted to Headquarters with my strong recommendation that it be promptly approved and he be so notified. It has been my privilege to have known ~~SECRET~~ fiancée for over three years. She is a most attractive young lady and is a member of a distinguished and respected Cuban family. She is well-educated, fluent (bi-lingual) in English, intelligent, cultured and gracious. I have found her at all times to be discreet. There is no question whatsoever in my mind that she will be a most loyal American citizen and a credit to her new country and to the Agency in every way. In future assignments abroad she will, without question, be an aid to ~~SECRET~~ in the development of contacts and in carrying out their joint representational responsibilities. She is indeed a very fine person. I have no reservations whatsoever - mental or otherwise - with respect to the security aspects of this marriage - as far as I have been able to ascertain, none exist. I do not feel that ~~SECRET~~ marriage to this young lady should in any way restrict his future assignments.

I urge speedy and favorable processing of this application.

MEMORANDUM FOR: Clandestine Services Career Service Section A

SUBJECT: Recommendation for Promotion - Mr. Earl J. Williamson

1. Since October 1960, Mr. Williamson has served as Deputy Chief of the Madrid Station, and during an extended period of this time, he was Acting Chief of Station. His performance has been outstanding. Not only has he assisted his Chief in the management of the Station, but simultaneously managed to reinvigorate our liaison program in Spain, which was the particular area of responsibility originally assigned to him. His service has been noteworthy not only for his vigor in initiating new activities but also for his balanced, yet energetic, cutting away of deadwood, useless procedures and purposeless activity.

2. In recent months, in part on his own initiative, and later under forced draft at Headquarters direction, Mr. Williamson has been instrumental in mounting an active operational program targeted against Cuba. Due almost entirely to the imagination, energy, and effort which he has applied, this program has already had considerable success in the acquisition of intelligence and the recruitment of agents, and promises to be even more productive in the future.

3. Mr. Williamson's activity since his assignment to Madrid is clearly of outstanding caliber and it is noteworthy that the present Chief of Station as well as the preceding Chief of Station have both, on the record, rated him as exceptionally able, energetic, and mature. Mr. Williamson has been in his current grade since December 1956. In view of the considered judgment concerning the value of his performance in Spain, his good administrative qualities, his obvious maturity, energy, judgment and experience, it is strongly recommended that Mr. Williamson be promoted to grade GS-15.

1. Subject is a mature, experienced, well-trained operations officer and administrator. For the past fifteen months he held the position of Deputy Chief of the Manila Station. For an extended period of time during that period he was Acting Chief of Station. As the attached Fitness Report will attest he has at all times discharged his responsibilities in an outstanding manner. In addition to the approximately four months that I have been able to observe subject's performance at this post, I also had the privilege of serving with him at Manila and I was then, as I am now, impressed with his professional competence and his fine personal attributes. In every sense of the word, subject is a dedicated officer who works "around the clock" in his efforts to expand and improve ~~SECRET~~ coverage in this area.

2. Considerable credit is due to subject for the improvement of our relations with the local security services. During the past three months he has spent a considerable amount of time and effort in bringing about needed reforms and economies in the operation of our "outside activity", cutting away deadwood and streamlining the actual operations. In addition, subject has been particularly effective in developing and recruiting independent assets (including a stay-behind agent) for the main operation.

3. The attached Fitness Report speaks for itself. Subject has been in his current grade since October 1956. Given his age, his experience and maturity, and his consistently fine performance in his current position, I strongly urge that he be actively considered for promotion to GS-15 at the next appropriate annual meeting.

Because of my confidence in him, which is apparently shared by Headquarters, he is being retained here for a long period as Acting Chief of Station after my departure. As I have said in his Fitness Report, he is the best deputy I have had in my ~~career~~ career and altogether an outstanding officer.

1. It is requested that subject be processed at the grade of GS-11 for Slot No. 2, Intelligence Officer Operations, Lima, Peru, as a replacement for Mr. George P. Stone. Mr. Stone will be transferred to another station in Latin America in the next few months.

2. Although Mr. Williamson is at present a GS-9, he has had a total of approximately 8 years in investigative work with C.I.C., and FDI believes that a rating of GS-11 is thoroughly justified. Since his present salary in the Canal Zone is \$ 5750 per annum, it is specifically requested that he be processed at the grade of GS-11, \$ 5600 per annum.
