## INSTRUCTIONS TO APPOINTING OFFICER

The appointing officer before whom the foregoing certificate is made shall determine to his or her satisfaction that this appointment would be in compliance with the Civil Service Act, applicable Civil Service Rules and Regulations and Acts of Congress pertaining to appointment.

The form should be checked for holding of office, position, suitability in connection with any record of record discharge or arrest, and particularly for the following:

(1) **Identity of appointee**—It is the duty of the appointing officer to guard against impersonation and to determine beyond reasonable doubt that the appointee is the same person whose appointment was authorized. The appointee's signature and handwriting are to be compared with the application and other pertinent papers. If the appointee qualified in a written examination, the signature on the form should be compared with the signature on the declaration sheet, which was signed in the examination room. The photo of appointee may be checked against the official certificate. The appointee may also be questioned as to his personal history for agreement with his previous statements.

(2) **Age**—If definite age limits have been established for the position, it should be determined that applicant is not outside the age range for appointment. Until such a determination is made, the appointment may not be consummated.

(3) **Consent**—The appointing officer is responsible for observing the citizenship provisions of (1) the Civil Service Rules and (2) applicable acts. Item 11 constitutes an affidavit for both purposes and is acceptable proof of citizenship status in the absence of conflicting evidence. In doubtful cases the appointee should not be consummated until clearance has been secured from the existing office of the Civil Service Commission.

(4) **Members of Family**—Section 8 of the Civil Service Act provides that whenever there are already two or more members of a family serving under permanent or permanent appointment to the competitive service, no other member of such family is eligible for probationary or permanent appointment to the competitive service. The appointment of persons entitled to special preference are not subject to this requirement. The members of family provision does not apply to temporary appointments. Doubtful cases may be referred to the appropriate office of the Civil Service Commission for decision.

## MEMO FOR THE FILE

Meeting with PACHANKIS 3 March 1975, 1345-1500, Restaurant at the Marrior Motel near National Airport

PACHANKIS stated that our old agent Miguel DIAZ Isalgue was having trouble getting his U.S. citizenship approved. DIAZ had sent in all the papers and I&NS told him the only thing left was the swearing in. So DIAZ waited a year and a half and I&NS never called him in. He called them in November 1974 and was told that there were no problems; that he would be called.

The DIAZ file shows that I&NS requested our traces in December 1974. IP/EIB sent them; there may be something ~~XXXX~~ in them that is causing a problem now though that doesn't explain the 1½ year delay before.

On 6 March, I told PACHANKIS to have DIAZ call I&NS one more time and if there is a real problem, we'd see what we could do.

2. AMCHALK-5 KNOWS VERY LITTLE OF AMWOLF-1'S PRESENT PROFESSIONAL OR PERSONAL BACKGROUND. Subj: Meeting with ANSTALX-1

1. Subject was met in Room 602, Rorer Smith Hotel, Washington at 1700 ~~xxxx~~ hours, ~~18xxxx11:18x~~ 18 April 1968. The purpose of the meeting was to discuss the problems Subject ran into at the Argentine Consulate in New York. He said that one of the reps. of the New York office was that he present a letter of introduction from the Nicaraguan Consulate in New York. This letter was relayed by phone on 17 April, and resulted in Subject's return to Washington. During the interim between the 17 April phone call and the ~~18x~~ 19 April meeting it was decided to have Subject make an effort to secure the visa from the Argentine Embassy in Washington. Accordingly Subject called the Embassy on 19 April and was informed that no visas ~~were~~ granted ~~by~~ by the Embassy, but that he could get one from the Consulate in Baltimore. Subject called the Baltimore office and was informed that if he showed up prior to 1500 hours a visa could be issued without writing. Subject asked about requirements such as a letter of introduction from ~~the~~ a Nicaraguan diplomatic installation, and was told that there was no such requirement. Following the call Subject was told to take a bus to Baltimore and make application for the visa. Upon receipt of the visa he will return to Washington, and will be contacted at his hotel room between 1500 and 1600 hours.

While in New York Subject purchased his flight tickets to Buenos Aires as follows: Panam Flight 203, departing from Kennedy Airport at 2100 hours, ~~21~~ 20 April 1968. This information has already been passed to Mr. Louis Weinowski, Alien Affairs Staff for coordination with I&NS.

Subject reported his expenses to date and noted that he only had \$150.00 left of the \$1,000.00 advance made by ~~NAME~~. He pointed out that at the present rate he would arrive in B.A. with little cash, and might draw the attention of customs because of this. Accordingly, a \$200.00 advance will be drawn for Subject and turned over to him on the morning of 20 April 1968.

Subject turned over receipts as follows:

a. National Airlines Flight No. 108, Miami to Washington, 16 April 1968	\$51.05
b. Eastern Air Shuttle - Travel from Washington to New York, 16 April 1968	19.00
c. Eastern Air Shuttle - Travel from New York to Washington, 18 April 1968	19.00
d. Airwayte Hotel, Washington, D.C. This room was used for an operational meeting between AMSTALE-1 and Mr. Robert L. Farbrin	7.00
e. Taxi Fares	25.00
TOTAL	\$111.05

Subject also spent \$630.00 for one round trip ticket New York/Buenos Aires/  
New York. This will be accounted for on his return from Buenos Aires.

MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with ANSTALK-1

1. Background: ANSTALK-1 is a JMWAVE asset who was selected to fill a Station Buenos Aires requirement for a native Spanish speaking agent with a technical background. His task in Buenos Aires will be to work in the repair shop of a firm that has access to all Soviet installations in Buenos Aires. He will accompany a member of the firm when it is called by the Soviets to repair, maintain or install electrical appliances located in one of the installations. ANSTALK-1's initial task will be to case the installation for the purpose of locating a suitable site for an audio installation.

2. The undersigned met ANSTALK-1 in his room at the AIRWAYTE Hotel, National Airport, Washington, D.C. at 1530 hours, 16 April 1968. The meeting followed a telephoned exchange of prearranged recognition signals. The purpose of the meeting was to pass to ANSTALK-1 a Nicaraguan passport in alias and an Immunization Record in the same alias. He will use these documents for the remaining portion of his travel - Washington/New York/Buenos Aires- and to secure an Argentine tourist visa from the Argentine Consulate General in New York. ANSTALK-1 was briefed on the contents of the passport, and in the manner in which it is to be used, i.e., as a travel document only, and to be turned over to Station Buenos Aires for safekeeping during his TDY in Buenos Aires.

3. ANSTALK-1 was given the undersigned's first name only and home phone number with instructions that he is to call after 1800 hours on the day he secures the visa and purchases his flight tickets. The call will be made at least 24 hours prior to his departure from New York to allow time to inform the Station of his travel schedule and to coordinate his departure with the Alien Affairs Staff. ANSTALK-1 had already been briefed by JMWAVE regarding contact in Buenos Aires.

4. AMSTALK-1 said that the cover for his travel from Miami was coordinated with JMWAVE, and is as follows: He is on a business trip to Ecuador where he has had business connections (he has actually traveled there on business). He has had to leave on short notice because he received word to go to Ecuador to take care of business matters.

5. AMSTALK-1 said he would like to send letters to his wife while he was in Buenos Aires. He was instructed to pass the letters to the Station who would send them on from there.

AB Memo No. 9562  
12 April 1968

MEMORANDUM FOR: Chief, WH/A/Argentina

ATTENTION : Mr. Robert Fumbrini

SUBJECT : Transmittal of Nicaraguan Ordinary Passport in Alias  
for Use by AMSTALK-1 - AB Case No. 8837

REFERENCE : WH Memorandum dated 5 April 1968, same subject

1. Transmitted herewith for use as outlined in Reference are the following two documents issued in alias for AMSTALK-1: Nicaraguan Ordinary Passport No. 86781 and U.S. Immigration and Naturalization Form I-94 (stapled in the passport, page 9). Also furnished herewith is a travel itinerary on which AMSTALK-1 should be briefed before he applies for the Argentine visa in New York.

2. In keeping with arrangements made by TSD/AB, the Medical Office is preparing, for direct delivery to WH/A, the International Vaccination Certificate in alias to be used with the above documents. This certificate should be checked for accuracy as to name, place and date of issue. It is also understood that AMSTALK-1 will have received a bona fide smallpox vaccination prior to departing from the U.S.

3. TSD/AB prepared the above Nicaraguan passport on the strength of information that BIOGENESIS would instruct an Argentine Consular post in the U.S. to place a visa in the passport. The document was prepared in one week from date of request because of operational urgency. The requirement specified use of a Central American passport. To avoid placing a long, time-consuming simulated itinerary in the passport, it was given a recent issuance date, which necessitated issuance on the basis of exemplars issued nearly one year earlier (the most recent ones available). This short itinerary also would seem to make application at this time in the U.S. for an Argentine visa somewhat unusual. Since we are now informed that AMSTALK-1 is to obtain his Argentine visa without BIOGENESIS assistance we wish to make the limitations of the documentation provided for this operation, and agreed to by Mr. Fumbrini, a matter of record. This confirms discussion with Mr. Fumbrini. A telephone check with the Argentine Embassy by WH indicated that a Nicaraguan transient in the U.S. can obtain an Argentine visa in this country.

SECRET

Page 2.

4. It is understood that the passport will be needed for about six months, following which it is to be returned to TSD/AB. Should further operational need exist for this document beyond that time, it must be borne in mind that the expiration date is 7 March 1969 and that annual revalidations are needed from that time forward. Any such revalidations would have to be entered by TSD/AB. Also, use of this passport for travel other than that originally intended (direct from U.S. to Argentina and back within six months) will require careful scrutiny by TSD/AB of the situation at the time of the intended future travel.

5. In accordance with verbal arrangements between Messrs. Fambrini and Phelan, please pass on to TSD/AB details of AMETALK-1's procurement of the Argentine visa and any other travel control events of significance in the use of this passport so that TSD/AB may gain from the experience of this agent in the use of this alias document.

6. Any further questions concerning this case should be referred to the undersigned or to Miss Tina Japikse on extension 2531.
