Dear Captain Whitehouse:

Thank you for your views and observations contained in your letter of 22 October 1964. Your interest is appreciated.

Contrary to the information on which you base your desire to discuss Cuban matters, be advised that this agency is not rendering help to Cuban organizations. Thus it is believed that a discussion of this topic would not be of benefit to either of us.

Thank you again for your interest.

MEMORANDUM FOR: Chief.

OFS/3/AE/SCD - D. Lamoureux

NUMBER

201 - 300614

SUBJECT

WHITEHOUSE Insua, Eduardo J.

REFERENCE: Your Memorandum, Dated

2 October 1964 crm

A Provisional Operational Approval is granted for the use of this Subject as set forth below.

A Provisional Operational Approval issued by CI Staff grants the same authority, on a temporary basis, for the use of an individual as the authority granted in an Operational Approval unless otherwise specified by CI/OA. It is based, however, only on preliminary file checks and investigation and is subject to a further final review when all investigation is completed.

For use as a pilot under Project WITHRUSH, as set forth in your request (form 772) dated 2 October 1964.

Please forward PRQ Part II.

To process the Operational Approval, full information (completed PRQ Parts I and II) must be submitted as soon as possible and not later than six (6) months from this date. An Operational Approval will follow when all investigation is completed and upon the receipt of satisfactory PRQ Parts I and II. Cancellation must be requested if use of Subject by interested Divisions ceases.

Mr. John McCone
Director
Central Intelligence Agency
Washington, D. C.

Dear Mr. McCone:

I am one of the Cuban pilots survivor of the Bay of Pigs ill-fated invasion to Cuba. Flew several missions and talked with the four American pilots who died in the morning of April 15th 1961 while flying as volunteers for our cause.

Contrary to the general opinion that the CIA was to blame for that fiasco, I wish to express to you my admiration and gratitude for the excellent instruction received while training in Central America and for those who gave up their lives for the cause of Democracy. A wrong and regrettable decision by the Administration turned a positive victory into a shameful defeat for the Cubans and the United States.

I understand that certain Cuban organizations are receiving direct help from your Agency. Regret to inform you that most of them are unworthy of such help and not so long ago, their leaders were Castro's followers.

Would like the opportunity of discussing this matter personally with you for the welfare of both our countries.

Please accept the testimony of my highest consideration.

Sincerely,

E. J. Whitelaw

DOC. MICRO. SER.

1. This dispatch is to inform Headquarters of the main developments and problems concerning WIRCQUE to date, and to set forth in detail Station thoughts and plans concerning WIRCQUE.

2. WIRGOUN, in his contacts with Robert B. Guthman, and in the last two weeks with Lester E. Salvack, has always presented a multitude of ideas which include a strong element of violence, rather or just plain larceny. In spite of being given a file .38, he has persisted in desiring a gun. When it was mentioned that these were hard to find, and that a pistol or rifle was in addition a dangerous thing for the Congolese to find on a white man, he said that that was all right, a machine gun would do. He even suggested the formation of a special force of whites, with himself as the leader, naturally, to "fight the Congolese in case of trouble." We concur with the description of WIRGOUN in para 5, Ref. B, except for the means to obtain the best results from him. When left to his own devices to implement an assignment, WIRGOUN can all too often create more problems than he answers. His security consciousness is not outstanding from an operational point of view. Control is seemingly best when WIRGOUN can talk over his problems at frequent intervals and discuss them with the case officer. The station has found it desirable to meet him with greater frequency than heretofore and to provide understanding (rather than sympathy), interest, encouragement but not of all guidance, and apply a steady checkrein to what are mostly rather wild ideas. Attachment A is a clear example of the type of activity WIRGOUN tends to undertake if left on his own and the security risk he represents in such situations.

3. In addition, WILKIN's attitude and responsibility towards money leaves much to be desired. He and others' comment in Red A concerning WILKIN's "propensity for financial mismanagement" is fully realized by this station. To recap WILKIN's financial misadventures briefly, he spent his money lavishly upon arrival, rented an extra apartment he didn't need, bought several stores for which he was not yet prepared to use, has bought and sold at least three cars and is currently driving a large Chrysler (in spite of being told at the time that it was far too conspicuous). When having depleted the original \$4000 loaned to him, he requested his \$300 housing allowance in one lump sum. He now accepts the fact that he will receive the housing allowance in "little dribbles" (his words) but still feels that he was told he would get it in a lump sum payment. He has little to show from his initial loan for setting up a business, and even if provided with all necessary equipment he could probably not follow through without additional financial backing. The Station feels that no matter how much money he is provided, WILKIN would manage to get into financial difficulties or at least spend all that he had available.

4. On 4 March 1961, WISGOM telephoned and wished someone to meet him immediately. He explained, at the meeting, that at dinner the evening before he had met:

COPIES OF DISPATCH NO. 233177

(WIRGUE typically referred to PIERROT as "the major" and said that he didn't remember his name. Later, WIRGUE, in spite of being briefed otherwise, continued to fail to obtain names of people with whom he dealt.) WIRGUE was to meet PIERROT the evening of 4 March at 1700 to discuss the possibility and details of his becoming administrative liaison officer under contract to the Congolese Air Force. PIERROT is interested in developing his own cadre of instructors, both for flying and mechanical work, to develop further the embryo group of 150 cadets currently more or less ready for flying training.

5. At meetings held 5 and 6 March WIRGUE supplied the following details concerning his new job: he was to meet the Minister of National Defense ad interim, Fernand KASADI, on 7 March to sign a contract. He finally did meet KASADI (whom WIRGUE knows only as M. le Ministre) on 9 March but no contract was yet signed. As of 15 March WIRGUE had not yet signed a contract but this is pending, he tells us, any day. (A copy of this contract will be forwarded to Headquarters when obtained.) The terms of the agreement include, he states, that he will provide through his European contacts at least three pilot instructors and three mechanic instructors within thirty days. (Thirty days from when is an open question.) More instructors will be needed at a later date, the possible total number being set at ten, five for flying and five for mechanical instruction. These instructors will be paid 20,000 Belgian Congo Francs a month plus 10,000 BCF bonus. WIRGUE will receive 25,000 BCF and 10,000 BCF bonus each month, with housing to be supplied in all cases. If the instructors have families, family transport in addition to their own will be provided by the Congolese government. In addition, medical care and a fifteen day vacation each year is to be provided. The work week is to consist of a 52 day week.

6. WIRGUE has said that he is totally dependent upon KUBARK support to supply the needed instructors. He also feels he must provide documentation to prove he is an ex-captain in the German Army and is quite anxious concerning this point. (Answered by para 3, Ref A). WIRGUE also feels that the instructors should be other than PEPRIE in order to better back up his cover story, since PEPRIE instructors might point the finger of suspicion in his direction. One or two PEPRIE candidates, however could be included providing a proper cover story were provided. WIRGUE needs names of candidates as quickly as possible, though a dummy list of names "to whom he has written" can be supplied if either PIERROT or KALADI become too insistent. All candidates must be French speaking. In addition, WIRGUE needs a good 35 mm. camera and feels that this was promised to him, with other equipment, and though his targeting has shifted he still has great use for it. Currently WIRGUE has one of the station Leica's on short loan in order to photograph the N'Dolo Airport facilities for PIERROT.

7. Recruited instructors should be provided a means of outside contact with the Station separate from WIRGUE, which could be implemented if needed, at a later date. The actual hiring and correspondence relating to their contracts should be sent over to WIRGUE as though he were handling the entire matter himself on behalf of the Congolese government. The address which should be used for all correspondence on an overt basis is included with this dispatch as Attachment B, with the title of Major preceding the name provided in Attachment A of ACLU-192.

8. With a set salary from the Congolese Government, it is WIRGUE's wish to commence repayment of the \$4,000 loan made to him for his business. Also, this particular situation could be fairly short-lived in view of United Nations offer to the Air Force to assist in Congolese Air Force training. It is obvious that PIERROT and the Congolese Government are trying to develop several sources at once to guarantee training for their embryo Air arm, and the final outcome is difficult to determine. The Station is also aware that PIERROT and KALADI could be using WIRGUE at this juncture to obtain instructors for the air force, but might ease him out

of their own accord later on, either deeming him not worth keeping because he is not a professional airman, or because he will have done something to antagonize them. Also, the Station or Headquarters may deem it advisable to ease him out of this job, as Headquarters has suggested in Ref A, after he has provided an entree for putting some instructors on the scene. We believe this situation represents a worthwhile gain, however, if WIROGUE does obtain the contract as presently constituted.

9. Attachment C provides some information concerning Paul Arnold PIERROT and the Congolese Air Force which was provided by the Air Attache, Leopoldville, and which has already been reported through their channels. PIERROT is obviously trying to develop a training program and build up the Congolese Air Force from several sources at once, and if several of these sources provide the desired aid it is debatable if his own program (with WIROGUE) would become very extensive or even be implemented. It is also possible that WIROGUE's role in the training picture could shift at any time. We feel that at this time we can only go along with developments as they occur and try to realize the maximum benefit from the situation. Headquarters will be kept informed of any changes in the situation, and be provided more specific data when available.

10. In all fairness to WIROGUE, it should be pointed out that until recently the station has not had the time to properly target WIROGUE. As he appears to be untrained in KUFUEY and KUCAGE operations, he requires a great deal of case officer time, an item which is in short supply in this station. We believe WIROGUE may develop into a worthwhile asset, if the time and attention he requires can be spent on him, however. The station is taking the appropriate steps in this direction.

SUBJECT: Paul Arnold PIERROT - Background Information provided by
Air Attache, Leopoldville

1 N'DOLO airport is currently being evacuated by the U.N.O.C. forces and turned over to the Congolese government for use by the Congolese Air Force. There are some 150 cadets who have received some training and are considered ready for advanced training, but as of this time, have nowhere to be trained. PIERROT has made extensive efforts to obtain aid from many sources to train these cadets. The AIRA reports that PIERROT has requested aid from the Belgians, the British, United Nations, and asked the AIRA to request aid from the French for the Congolese Air Force. About 30 cadets are in training in Tunisia at the present time. On 11 March the AIRA recommended aid be extended to the Congolese Air Force, but under the auspices of the United Nations.

2 PIERROT also reported 11 March that he had 6 Moth and 9 Harvard T-6 aircraft being delivered near the end of March, and asked if the United Nations Command would allow them to enter the Congo. He even offered to let the planes remain under U.N. control.

3 PIERROT is a mulatto and claims to have a white grandmother in Dallas, Texas. He was trained by the Belgians and claims to have flown C-47's and T-33 jet planes, though he has not been on flying status since 1956 due to goiter trouble. At this time accurate bio data is not available. His assistant is Lt M.J. LEMAN who is reportedly completely devoted to PIERROT. PIERROT is personally ambitious and at one point in the fall of 1960, he approached FRELIMO authorities with a plan to take over the government if they would help him. His plan was too transparent and weak for any serious consideration at that time.

MEMO FOR THE RECORD:

Subj: WIDOMAN.

Subject was originally considered for a KIBSON project that was subsequently cancelled. Throughout the file are recommendations that in dealing with the subject any station should assert very definite authority. For example, the recommendation of GCB Frankfurt, 13/11/59:

"The handling of subject from this point on must be ruthless and calculated...We would recommend against paying him more than the absolute minimum he needs to survive until the mission is completed"

On 20 September 1960 Africa Division picked subject up for an assignment in the Congo. In conjunction with this mission, subject was furnished Austrian documentation, which, according to a Dir communication dated 27 November 1960, was to be used in order to travel from West Germany to Leo via Switzerland & Italy, and should be returned when no longer needed.

The Director's communication to Leo again reiterated that subject would take firm orders and should be dealt with in a positive manner. Unfortunately, shortly after arriving in the Congo subject got into financial difficulty, created security problems with his conduct, and then jumped into a new position with the DAF that moved so swiftly as to preclude any effective station direction.

On 30 June 1961 the Director recommended termination of subject since he was becoming too great a security risk. Subject was returned to the U.S., then was sent back to Frankfurt, given \$2,000.00 pay and put on his own. There was no indication of any hard feelings on the part of the subject but it is admitted that he "wondered" why he was let go.

On 20 September 1961 subject turned up on his own in the Congo and began to approach station personnel with offers of help, no matter what the station wanted or where they wanted him. On 12 December 1961 the station admitted that subject is a security hazard of sorts and asked for some direction.

The Security Division at headquarters states that the documentation originally furnished subject were ~~extrinsically~~ retained by him since he had no other citizenship papers. Once these documents run out it will be impossible for him to renew them.

In the light of the generous termination terms, in the repeated statements to subject that KUARK could not utilize his services, and the possible security hazard, it would seem best to completely sever any relationships with him. Judging from the psychiatric opinion, as well as opinions of personnel who have worked with subject, he fully understands ~~his~~ authority and will not question stern authority.

111-233477

SECRET

For this reason it is recommended that either one of the two following courses of action may be taken, preferably the first.

1. In very unequivocal language inform subject that his official connection to the U.S. interests in the Congo have been and continue to be cut. This continued contact with these interests could result in his apprehension (if for nothing else for possessing forged documents). Instruct him that he clearly understood that his relationship with this organization could be terminated under the terms of the contract and although we are appreciative of his past efforts, he is now on his own.

2. Bring him back to the U.S. and go forward with the original plan to resettle subject in Mexico. We made preliminary inquiries about this possibility 19 August 1960 before he came with Africa Division and the only thing that stopped the transfer plans was the possibility that he could be used in the Congo.

Solution number one runs the risk of having subject get disgruntled, and then running to the wrong people to tell all he knows. On the other hand, if the man reacts to direction as we are told he does this may be all that he needs to stay clear of the station. It is apparent that at some point in time he has to be given the gate.

Solution number two runs into the financial problem as well as dealing with an individual who is no longer connected with this organization. However, it does not one of the "requirements" laid down by the GOR in Frankfurt back in 1958, i.e., "Given some money and a job he could be resettled in any South American country without difficulty". The second solution is inviting, if for no other reason, in terms of getting subject out of a rather difficult area.

3. The 3rd possibility is to bring him directly to a 3rd country + take the documents away from him there — then tell him he is on his own.

Messages dealing with MIROGUE documentation duties:

SIA: 10389-7/2/52: "ref Frankfurt 3530 (In 05104). No action required Frank re: Termination. Meet and assist on arrival only"

ACM: 192: 12/11/50: "Documentation prepared with accompanying cover story to show MIROGUE/1 is an Austrian and who has never had OXIGNE connections, nor ever been in PBRIDE (see attachment A) Note, attach A describes the Austrian passport"

DIR: 03762: 23/10/50: Tells Leo what jobs MIROGUE can do.

DIR: 03443: 27/10/50: Asks for several blank Austrian birth or baptism certificates and fill in exemplars.

1. The recent purchase of three DC-3's and a DC-4 by the Congolese government is having continuing repercussions. This deal has been reported in detail through both TRELIDE and DEUNIT channels including the accusations of substantial graft which accompanied it. The most recent developments, however, have not yet, to the Station's knowledge, been reported by either of the above channels.

2. STAHL reported to HESTON in a meeting 28 February that WIROGUE is back with the Congolese Air Force. STAHL described him as an Austrian with a Belgian passport, formerly with the German commandos, who knows nothing about aviation. STAHL continued to say

Major Peter DE GROEVE (Advisor to Congolese Air Force ca. February 61 - March 62. Belgian. Involved in purchase three DC-3 planes from Iran Airways at price \$125,000 per aircraft. Competent authorities stated comparable aircraft could be purchased \$50,000 to \$60,000 and predicted trouble from purchases.)

left the Congo with 14,000 pounds which, supposedly, was his share of some \$120,000 reportedly made on the above airplane purchases. According to STAHL, DE GROEVE bribed someone at the Surut who then let him cross safely to Brassaville.

3. On 30 March WIROGUE informed SALVACK that the GOC had put him in charge of investigating the above airplane purchases. His first real task is to arrest DE GROEVE and bring him back to the Congo. Congo (Brassa), however, refuses to cooperate and told WIROGUE when he queried them that DE GROEVE had requested political refuge. Besides, WIROGUE felt, the Brassa side of the river would be very hesitant to return a white man to the tender mercies of the Congolese in Leopoldville. DE GROEVE is supposedly in Pointe Noire waiting for a French ship to take him to Marseille, a voyage of some 20 days. WIROGUE is currently toying with various ideas for possibly kidnapping DE GROEVE in Pointe Noire.

4. Both WIROGUE and STAHL said DE GROEVE is wanted for rape in Belgium. WIROGUE said he had also stolen some money there, though STAHL's version was that DE GROEVE had debts amounting to 400,000 Belgian Francs. In either case, it is doubtful that DE GROEVE will return to Belgium.

IN SUCH A CASE HE MIGHT REVEAL SOURCE OF DOCUMENTATION.)

4. BASIS LOCAL EXPERIENCE WITH W CANNOT RECOMMEND HIM FOR ANOTHER KUBARK ASSIGNMENT DESPITE FACT HE CLAIMS WANTS BE OF SERVICE ODYCKE, HOWEVER, OUR DILEMMA IS FACT HIS PRESENCE CONTINUES BE POTENTIAL SECURITY HAZARD. WOULD APPRECIATE ANY HQS ADVICE RE POSSIBLE SOLUTION. ONE POSSIBLE SOLUTION WOULD BE CONVERT MONEY AT STATION RATE AND HAVE KUBARK GERMANY PICK UP HIS DOCUMENTATION WHILE HE IN GERMANY. THIS WOULD PREVENT HIM FROM RETURNING CONGO AS WOULD NO LONGER HAVE DOCUMENTATION IN NAME UNDER WHICH HE NOW LIVING IN CONGO. HOWEVER, THIS COULD ANGER W AND CAUSE HIM REVEAL EVERYTHING HE KNOWS.

5. REQUEST HQS VIEWS.

A. DIR 25730

B. ACLA 630 dated 19 October 1961

1. On 29 November 1961 WIROGUE told the undersigned that he felt his position vis-a-vis the Congolese Government was rapidly weakening. First, WIROGUE had endorsed sending one of the advisors with the Congolese Air Force to Europe to purchase planes and later found WIZARD/4 was at least cognizant of a second GOC representative sent to Europe on the same mission. WIROGUE made vague references to some 2,000,000 Congolese Francs of the 40,000,000 available for airplane purchases "going into someone's pocket." WIROGUE was incensed at the move of the GOC in sending a parallel mission to Europe and not informing him of it. He saw WIZARD/2 and asked about this other mission. WIZARD/2 apparently informed WIZARD/4 about WIROGUE's visit and since then, for a period of the last five days, WIZARD/4 has refused to see or talk to WIROGUE.

2. The GOC has also apparently proposed sending WIROGUE on an intelligence gathering mission to Katanga. WIROGUE asked if KUBARK were interested in this undertaking. We advised him strongly against this move and added we had no interest whatsoever in the project.

3. WIROGUE has also met the ODOATH representative and showed him the model submarine which was the subject of ACLA-630. The ODOATH representative evinced interest in this model and through the ODUNIT representative, whom WIROGUE has seen on several occasions and discussed the problem of purchasing planes for the GOC, the ODOATH representative was aware that WIROGUE has an Ordre de Mission signed by WIZARD/2 to travel to PEPRIME. He said for WIROGUE to inform him when he was ready to depart and he would arrange for WIROGUE to contact appropriate ODOATH people in PEPRIME to discuss the model.

4. WIROGUE approached GUTHELMAN on November 24 and SALVACK on November 29 with a request whether he might be of use to KUBARK either in Africa or elsewhere in the world, and that he would like to be taken back into the fold. He is obviously concerned about his position in the GOC at this time and feels with the diplomatic relations being established between Belgium and the GOC that his position will become increasingly weaker. To reemphasize past assessments of WIROGUE, he is far too disorganized an individual to be an effective FI agent but would probably be useful where action is required but detailed accurate reporting is not. The station agrees with an early statement made concerning WIROGUE that he has a peculiar turn of mind which lends itself remarkably to nefarious and extra-legal activities but would add that these activities should be of an action type.

2. AT 20 NOV MEETING W SAID HE HAD JUST COME FROM WIZARD 2'S OFFICE. ALLEGED WIZARDS 2 AND 4 WISH SEND HIM PBPRIME WITHIN NEXT FEW DAYS TO PURCHASE MILITARY AIRCRAFT. <p>1. On 2 October 1961 WIROGUE telephoned Lester H. SALVACK and said that he had something important to discuss with him. WIROGUE requested SALVACK to come to his house in Binza, a suburb of Leopoldville.</p> <p>2. WIROGUE had two requests. The first was to ask "Dan" to forward the two laissez-passez which WIROGUE states he turned over to Dan and never got back. WIROGUE was quite emphatic that he needs these documents. SALVACK suggested that WIROGUE write a note stating exactly what he wanted and give it to him to forward. WIROGUE did and the note is forwarded as a separate cover attachment to this dispatch.</p> <p>3. WIROGUE then showed SALVACK a model of a one man submarine on which he had been working in conjunction with a Belgian engineer (Identity #1) who is also a Congolese Air Force advisor. He claimed that this submarine would be capable of speeds up to 100 kilometers an hour on short runs, and would have a cruising distance of 500 kilometers. The model, being built to 1/7 scale, is approximately half completed, and, of course, has never been tested. WIROGUE said he had discussed this model and his plans fully when in Headquarters, and had made a full report concerning all details. SALVACK said that (1) he was not an engineer and (2) was in no position to make any promise or commitment. All that he could do was to report that the model was in the process of construction and to further report that WIROGUE wanted to make sure that the West got it instead of the Communist bloc.</p> <p>4. WIROGUE expressed full willingness to show the model, and have his companion explain it fully, to anyone SALVACK wished to bring to WIROGUE's house. SALVACK made no commitment other than to report the conversation. (It should be noted that WIROGUE had never mentioned this item before to Station personnel, and told SALVACK that neither he nor his companion had said anything to anyone in the Congo concerning it up to this point.)</p> <p>5. If Headquarters is willing, the station suggests that the ODDAM attache be put into contact with WIROGUE concerning this item. He could conduct any necessary tests or experiments. Because of WIROGUE's past, however, and the nature of his documentation, the Station requests Headquarters guidance and approval prior to taking any action.</p>

CONTINUATION OF DISPATCH	CLASSIFICATION SECRET	DISPATCH SYMBOL AND NUMBER A-HA-630
<p>6. On returning to The Congo SALVACK crossed the Congo river from Brazzaville successfully in spite of the ferries being closed to all but diplomatic travel, but it involved a prolonged argument for more than an hour with the immigration authorities at the ferry landing. SALVACK has never fully admitted what he did to successfully enter The Congo, though knowing the situation, he probably indulged in some small bribery. Since he had merely disappeared for a short while after mentioning that he might need medical attention, his Congolese Air Force job was still open. (There are many GOC advisory positions vacant, and for someone to obtain such a position with any sort of qualifications is not too difficult. When a position is vacated it is seldom refilled, certainly not quickly.) He has reiterated strongly at each of the three meetings SALVACK has had with him that he is willing to help PEPRIME any way possible.</p> <p style="text-align: right;"><i>Lester H Salvack.</i> Lester H.
