MEMORANDUM FOR THE DIRECTOR, CENTRAL INTELLIGENCE

Subject: Administrative Instruction No. 30-1

1. Administrative Instruction No. 30-1, dated October 31, 1946, makes provision for Group II classification for civilian employees who are Chiefs of Missions or principal officers directly subordinate to Washington, D.C. The order specifies that these officials will fall in Grades CAF-13 or F-6 or above, unless otherwise approved by the Director.

2. I recommend the Group II classification for Mr. James W. Moore, who will be a Chief of Station and directly subordinate to Washington, but whose grade is below the CAF-13 or F-6 level. It is believed that the fulfillment of the obligation at the Station concerned justifies the Group II classification.

3. Therefore, there is attached a proposed letter of authorization for the Director's signature. The Director's approval of this proposed letter will permit Special Agents to pay the Group II classification to the individual concerned.

4. It is recommended that the payment under the Group II classification be made effective as of the date of his assumption of duties at the overseas post.

SUBJECT: Transportation of Car to China

1. In view of my recent appointment in Shanghai, China to head up SI operations in that area, it is respectfully requested that I be allowed to take my car to this port.

2. It is anticipated that a considerable part of my work will of necessity be done at night when office transportation would not be available. The poor transportation system in Shanghai will also make going to and from work very difficult without an automobile.

3. Am willing to reimburse the government funds for all charges in the delivery of my car from the United States to my station.

1. Basic communication requesting the transportation of privately owned auto is forwarded with a recommendation for approval.

2. It is felt that since Mr. Moore will reimburse this Agency for all expenses connected with the transportation of his private auto, there is no objection to such an arrangement. It will indeed materially aid Mr. Moore in his work to have a car at his disposal. It is understood by Mr. Moore that he will not rent or lease this vehicle to the Government for official use. Should it become necessary for the personnel of the station to use this car for official travel, Mr. Moore will be reimbursed at only the rates allowed by regulations which govern the use of privately owned autos in Government travel.
