MEMORANDUM FOR: FE Personnel Screening Board      8 July 1953  
VIA                    : FE Personnel  
FROM                  : Chief, FE/2  
SUBJECT               : Recommendation for Promotion, Newton S. MILER

1. It is recommended that the subject be promoted from GS-12 to GS-13. He is assigned as Chief, CE Unit of FE/2, with responsibility for initiative and guidance of China CE program, spotting and developing leads, advising the operations desks on CI protection of their operations, and maintenance of necessary records and files for the Branch.

2. The subject has been in his present grade since 2 September 1951. During this period he was assigned to FRU/FEC, a case officer responsible for China Independent operations. The attached extract from FRU/FEC Dispatch outlines his duties and performances in this capacity. From March 1953 until the recent assignment to position described in Para 1, he has been acting as case officer in Headquarters, in charge of the STPHOENIX project.

3. Mr. Miler has been employed by the agency since 1946, during which time he has held various operational assignments both in and connected with China. He has developed an excellent background in this work. I have had the opportunity to become familiar with subject's work and consider that he has performed in an excellent manner. It is believed that he is a particularly well qualified operations officer, who is capable of successfully handling additional responsibilities and expanding the scope of the China CE program.

DATE: 21 June 1948

SUBJECT: Promotion for Newton Scott Miller

1. It is recommended that Mr. Newton Scott Miller, Operations Officer, Mukden, China, ESU station, be promoted from CAF-7 to CAF-9. Mr. Miller has been carrying out the functions and responsibilities of a CAF-9 officer for sometime. Records indicate that he was put in for promotion to CAF-7 August 1, 1947. Through delays caused by the long route from Mukden to Shanghai to Washington and by the reorganization of our promotion policy last winter, Mr. Miller was not promoted until March 2, 1948.

2. He has performed with distinction as an operations officer in Mukden, discovering an important, highly organized North Asian political movement and making operational contact with it. He is in the U.S. on TDY at this time and he is greatly needed in the Mukden operational area to handle the operation referred to and then at Peiping when Mukden is no longer tenable.

3. Mr. Miller feels that he has been in grade longer than the record shows because he was under the impression that action in the field set the date of the new grade. While this is in error, the field practice of giving a detailed notice of what would result from promotion in way of deductions and net pay tended generally to give employees the impression that promotion actions were definite long before they actually were. This paper work has since been stopped.

4. Because this operations officer has performed in an outstanding way, because he is truly needed in the field, and because he has great long term value to the organization and should be encouraged to develop, it is recommended that he be promoted to CAF-9 effective on the completion of his TDY when ready for return to China.

SUBJECT: Far East Personnel

1. Discussion of the attached letter with Captain Howard Olson reveals that the following ESD #44 personnel are officially assigned to Communications Division but actually are doing and for some time have done no Communications work, and have no apparent interest in returning to Communications Division:

William S. Renahan	- Services
Newton S. Miller	- S. I.
Hugh R. Hoover	- Services
Hugh R. Richmond	- S.I.

With the exception of Mr. Hoover, it is requested that transfer of the personnel from Communications Division to the Sections where they are now detailed, as indicated above, be formalized. Mr. Hoover is returning to the United States in December. Such transfers are, according to Captain Olson, acceptable to Colonel Moscrip, and will materially clarify all personnel records.

2. If the proposed action is approved and the transfer is effected, it is requested that the Commanding Officer, ESD #44 be advised by pouch and that the other questions contained in Mr. Renahan's letter be answered.

To : DIRECTOR, Special Operations  
Washington 25, D. C.

Attn : .

1. For sometime now, we have had the papers in Washington for the reclassification of Mr. David E. West and Mr. Hewton S. Miler.

2. Mr. David West is now stationed in Peking and is ably performing the duties of a Junior Intelligence Officer. He is responsible for the Harial net which he has very successfully taken over from Mr. Frank Bessac. In addition to this, he is also handling Glonada. It is hoped that his reclassification to a CAF-5 will be forthcoming.

3. Mr. Hewton S. Miler, who is presently a CAF-5, is now stationed in Mukden and is performing the duties of a Junior Intelligence Officer. He is handling some North Korean operations from the Mukden station and is rapidly gaining experience. It is hoped that his reclassification to a CAF-7 will be acted upon.

4. It is requested that this headquarters be advised of any action taken by Washington regarding the reclassification of the above personnel.

Dear Bob,

Thank you for initiating action on my promotion and for attempting to obtain a transfer. I understand the situation about the transfer and realize that nothing more can be done in the field. I am satisfied, however, since no complications will arise from my being carried on George's books.

I have signed the personal action papers and this is, I hope, a rough draft of a job description.

Collection and dissemination of SI information; establishment and direction of intelligence nets; interrogation of POW's and refugees from Communist areas and North Korea; coordination of intelligence nets being run into North Korea, Communist Manchuria, Lairen and Siberia; at present am directing a CE net in Munkden which will eventually turn into an SI net.

Thanks again, Bob

  
Scott Miler

8 August 1947

Dear Scotty

Enclosed please find personal action papers for your promotion. Please sign all four copies and return as soon as possible. Also, please prepare a job description in rough draft. I will have it edited and typed on the form.

A cable was sent to Washington asking for your transfer and promotion and an answer came back advising that it was impossible to transfer personnel from one branch to another in the field. The only place possible would be Washington after you return to the States. They advised that all personnel in the field were assigned to PSRO and that we were free to use personnel in whatever capacity we deemed best and that promotion papers be touched to Washington for their consideration. This evidently is their policy because Brennan and Hoover have both received raises and are working for Services though originally sent out for Commo work by Washington.

You are doing a good job, keep it up and don't forget to have a good time while Nell is there.
