Trainee: Mr. Daniel Flores
Instructor: Mr. Steitz

August 1976 -

To assist us in making decisions about future SAI training or application, your answers to the following questions will be most appreciated.

1. Do you feel SAI training was helpful to you? (If you choose to do so, please explain why or how.) This course was extremely useful to me. One of the main features of the course -- how to perceive the other person's objectives before your own -- was of particular interest because, as an instructor it will be one of the main tools I will use in evaluating the level of understanding of each trainee. This experience will also be very helpful to me in my career as a case officer. I can think of several instances where SAI could have helped me turn several failures (recruitment pitches) into successes.

2. Did SAI training provide you with any concepts or tools which can be applied in a practical way to your work problems? To your personal life? Any examples you care to mention?

The benefits that this course will provide for me in my job as an instructor are clear. I am absolutely certain that putting the SAI concept into practice will bring forth not only self satisfaction but career benefits as well. This will also be very helpful to me in my personal life. I can see now that some of the concepts will be put to work immediately.

3. What elements, segments, or aspects of the SAI training were of the most interest or use to you?

The greatest revelation from an operational point of view, was the clarification of perhaps an erroneous idea we have about obtaining our intelligence objectives. I always operated under the belief that the most important thing in my work was to attain my objectives, i.e. the recruitment of an agent. SAI revealed that this is true but it also revealed that it is more important to first consider the target's (agent's) objectives. Once we do this our chances (in my opinion after taking SAI) success would probably increase by at least 90 per cent. If I were to stress one point it would be that more emphasis be placed on dealing with the target's rather than the CO's objectives.

4. Would you recommend SAI training for other of our personnel?

I am sure that many people would be recommended for this training and that all would benefit from it. However, I would strongly recommend that personnel officers be given SAI as a prerequisite to their jobs. It would certainly help them in dealing with large numbers of different people.

5. What other components or categories of personnel do you believe would benefit from SAI training to a degree making it worthwhile for them to receive it?

6. Please comment, if you have any definite opinion, on the duration and pace of the training: too long/short? too fast/slow? The pace of the course was excellent. However, adding one or two more days would certainly help in putting the SAI concepts into practice by the trainee himself. That is, perhaps a live exercise with a person who is not aware of the training situation. A trainee could be tasked to elicit information from an unwitting participant. The use of videotapes and/or movies would help in testing the trainees perceptiveness through the course.

7. Any other comments you may wish to make:

A brief comment about the instructor. He was definitely responsible for the success of the course. Mr. Steitz showed excellent knowledge of the SAI material and throughout the course kept the student's interest alive by showing tremendous enthusiasm in what he was teaching. The end result of the professionalism that Mr. Steitz demonstrated in the class is reflected in the comments stated here and in the confidence he instilled in me personally.

8. On a scale of 1 to 5, how would you rate SAI training in relation to other training you have received from the Agency? Please encircle applicable number:

MEMORANDUM FOR: Secretary, CSCS Panel A

SUBJECT : Recommendation for Promotion to Grade
GS-11, Daniel Flores

1. It is recommended that Mr. Daniel Flores be promoted from GS-10 to GS-11.

2. Mr. Flores is 36 years old and joined the Agency in March 1962. He has successively been a file clerk, translator, intelligence assistant, career trainee and operations officer. He worked part time for several years so that he could obtain his BA degree from American University. This he did in 1967 with his specialty being Latin American Affairs.

3. Mr. Flores, who is bilingual in English and Spanish, has just completed his first overseas tour as an operations officer in Guayaquil, Ecuador. It is on the basis of his very fine performance during this tour that this promotion request is based. Also as a result of his record in Guayaquil, he has been assigned to Lima Station as an operations officer in a position which is rated as GS-13.

4. The Chief of Base, Guayaquil, and the Chief of Station, Quito, both have rated Mr. Flores as "Strong" in his fitness reports and both have stated that his performance in Guayaquil merited a Quality Step Increase. This QSI request is currently being processed and is based on the outstanding job Mr. Flores did in connection with a very sensitive technical operation. He planned the pre-installation aspects, supervised the installation, located the listening post, recruited the transcriber/secretary and processed all the intelligence which was produced. The intelligence derived from this source has been of consistently high quality and the operation has been described by the Chief of Station, Quito, as the best and most productive of all the operations in Ecuador. Throughout all aspects of the operation, Mr. Flores maintained tight control on its security and avoided any problems in this respect.

MEMORANDUM FOR: Secretary, CSCS Panel (Section C)

SUBJECT : Recommendation for Promotion to Grade
GS-10, Daniel Flores

1. It is recommended that Mr. Daniel Flores be promoted from GS-9 to GS-10. Mr. Flores has been in his present grade since April 1969.

2. Mr. Flores joined the Agency in 1962. Initially he was employed on a part-time basis in the WH Division while attending American University. He received his AB degree in 1967 and became a full-time staff employee. On the strong recommendation of his supervisors, Mr. Flores was accepted for the Career Training Program which he completed in August 1968. After rejoining the WH Division, he was selected for assignment as an operations officer at the Guayaquil Base, where he arrived in May 1969.

3. Mr. Flores has made a most impressive beginning in Guayaquil. He has adapted to new tasks and a new environment with a mature assurance and a professional approach. Shortly after arrival in Guayaquil the Base was temporarily depleted of other officers. Mr. Flores carried out the duties of acting Chief of Base in a most commendable manner. His fluency in Spanish and his Latin background have been definite assets in the performance of his duties. His performance to date has demonstrated that he handles his agents securely and productively. Both Mr. Flores and his wife have been well accepted within the local community and they carry out their representational duties very effectively.

4. Mr. Flores has proven to be a competent operations officer. As he further develops through experience and responsibility he should become eligible for rapid advancement. In any case he is already performing at a level higher than his present grade and a promotion at this time is strongly recommended.

JAMES FLORES

During the visit of the Chief, WID to the Base last November 1969 he mentioned to the COS, Quito and the COB that the promotion for ^{Flores} (from GS-9 to GS-10) would be forthcoming; he also said this to ^{Flores} during a private meeting. Thus far, however, there has been no notice of the promotion action. The COB assumes that the delay is related in some way to the dates set for meeting of the promotion panel for ^{Flores} grade. If this assumption is not correct, however, and some further action by the Base is necessary in addition to the recommendation contained in ^{Flores} last Fitness Report, the COB would appreciate being advised.

MEMORANDUM FOR: Secretary CSCS Panel, Section D

**SUBJECT : Recommendation for the Promotion of Mr.
Daniel Flores From GS-05 to GS-06.**

1. Mr. Flores has been working in WH/COG and its predecessor groups since 1963. His fitness reports have been consistently good and the comments of his supervisors laudatory. In mid-1965 Mr. Flores was changed from full-time to part-time staff employee in order to allow him to attend American University on a full-time basis. His course of study leads to a Bachelor's Degree in Political Science with emphasis in Latin American affairs. Mr. Flores has made the Dean's List the past two semesters and will receive his degree in August 1967.

2. Throughout his career Mr. Flores has shown himself to be a strongly motivated employee, willing and capable. The calibre of his performance has been consistently good and he has shown steady improvement as he acquired the skills and knowledge of intelligence business. He is reliable and conscientious and we have good reason to expect that he will develop into a very competent operations officer. He will apply for the CT program in September and his application will be wholeheartedly supported by WH/COG.

3. In WH/COG Mr. Flores has served as an Intelligence Assistant in support of CI operations. In addition he has assisted in the training of agents in radio and secret writing communications. Mr. Flores is bi-lingual - Spanish and English - and is adept as an operational Translator-Interpreter.

4. Mr. Flores was promoted to GS-05 on 16 March 1964. He has been performing duties at GS-06 level for the past two years and it is sincerely recommended that he be promoted promptly to GS-06.

MEMORANDUM FOR: **Mr. Daniel Flores**

THROUGH : Head of ~~CS~~ Career Service

SUBJECT : Notification of Non-eligibility for Designation as a
Participant in the CIA Retirement and Disability System

1. As you may know, we are in the process of reviewing the employment history and current career field of all employees in the Agency to identify those who are eligible for designation as a participant in the new CIA Retirement and Disability System. In this process, the initial review of each case is made by the individual's Career Service. If the Head of his Career Service nominates him for participation in the System, this nomination is reviewed by the CIA Retirement Board which recommends final action to me. However, if the Head of the Career Service advises that the employee does not meet the basic requirements of HR 20-50 for participation, I have accepted this finding without further review by the CIA Retirement Board. This practice has been adopted in the interest of expediting this screening process so that those employees who are eligible to participate in the System may be designated participants as soon as possible.

2. In your case, the Head of your Career Service has advised me that you do not meet the requirements of HR 20-50 for designation as a participant and I have accordingly made the formal determination required by the regulation that you are not eligible for designation. This in no way affects your current status under the Civil Service Retirement System, nor does it preclude reconsideration of your eligibility to participate in the CIA System if you should meet the requirements for designation in the future.

3. Should you desire further information concerning the requirements for designation as a participant in the CIA Retirement System, I suggest that you read paragraph c of HR 20-50 and paragraph 5 of the Employee Bulletin dated 30 July 1965, entitled "Public Law 88-643, The Central Intelligence Agency Retirement Act of 1964 for Certain Employees."

4. It is always possible that the records upon which the determination made in your case may have been incomplete or inaccurate regarding your actual employment history with the Agency. If, after studying the materials cited above, you have questions regarding the determination that you are not eligible to participate in the CIA Retirement System, please feel free to contact officials of your Career Service. They are familiar with the details of your case and will gladly discuss them with you. In addition, you may wish to discuss your case with the CIA Retirement Staff located in Room 205, Magazine Building (extension 2847). If such discussions do not resolve any questions you have regarding your eligibility, you may request that your case be formally considered by the CIA Retirement Board. However, this request must be made within 30 days of the date of this memorandum.

MEMORANDUM FOR: Chief, CSPO

SUBJECT : Conversion to Part-Time Staff Employment
Mr. Daniel Flores

1. Mr. Daniel Flores is an Intelligence Assistant, GS-07, assigned to the CI Staff of WH/SA. He is currently pursuing a program of studies in Government at the American University with special concentration on Latin American Affairs. To complete the major portion of his remaining requirements for the bachelor's degree, he is planning to attend the University full-time for a year. Any requirements still outstanding at the end of that period would be completed at night.

2. The employee's duties in the CI Staff involves the translation of W/T and SW messages received from and sent to agents in Cuba, assisting in the training of agents in SW and communications procedures, and miscellaneous support functions in the CI Branch. He has proved invaluable because he has native fluency in every-day Spanish and is familiar with SW and communication techniques, problems, and training procedures. In addition to Mr. Flores' utility for such cases as may arise in the future, he is personally acquainted with two of the double agents now in place in Cuba and with the numerous problems which constantly arise in their handling.

3. In view of the need for Mr. Flores' services, the Chief, CI Staff, has asked the employee if he would be willing to continue in his present capacity on a part-time basis. The employee has indicated that he would accept such an arrangement. It is accordingly requested that WH/SA be permitted to convert him from a full-time staff employee to one employed on a part-time, regular tour of duty basis. Subject would be utilized for a total of 18 hours per week, the maximum time that his school program will permit him to devote to Agency duties.

MEMORANDUM FOR: Clandestine Services,
Career Services Panel

SUBJECT : Mr. Daniel Flores -
Recommendation for Promotion

1. Mr. Flores has been with the Agency for about eighteen (18) months and has been a member of SAS since June 1963. During the six (6) months he has been with SAS he has demonstrated intelligence and initiative. In addition to his fulfilling his primary responsibility as a translator, he quickly picked up the knowledge and experience necessary for an Intelligence Assistant in the Operations Support Section. His duties and responsibilities accordingly have been broadened. He has demonstrated ability to function independently as a member of the Operations Support Staff. He is cooperative and has maintained a cheerful disposition under pressure and through many late hours and weekends of duty.

2. In view of his excellent performance in SAS, his intelligence and ability, and his growth potential for a career in CIA, I strongly recommend that he be promoted to GS-5 as soon as possible.

JOHN K. KING
Chief, SAS/Intel

Dear Mr. Flores:

We are pleased to inform you that your appointment with this Agency has been approved at Grade GS-4, salary \$4040.00 per annum, as Clerk.

Your permanent employment will depend upon the completion of the following processing at the time of entering on duty: taking the oath of office, signing a loyalty affidavit, participating in a final security interview. Should anything of an unfavorable nature arise during this period, your employment will not result in a permanent appointment.

We hope you will be able to join us at an early date. Please dial 351-2781 and ask for Mrs. Shirley Wells, as soon as possible, in order to arrange an entrance-on-duty date. We would appreciate your selecting a Monday.

Please report to the Receptionist at 1016 - 16th Street, N. W., Room 201 at 8:15 a.m. and ask for Mrs. Wells on the reporting for duty date that you establish with this office. This address is located on 16th Street between K and L Streets opposite Hotel Statler.

Your gross earnings will be subject to deductions for Federal income tax and 6 1/2 percent for the United States Civil Service Retirement Fund. In addition, the benefits of low-cost group life insurance, which will be discussed with you at the time of your entrance on duty, are available to Federal civilian employees. This insurance is not obligatory. However, if you do not wish coverage, which is automatic, you should sign a Waiver of Life Insurance Coverage form at the time you enter on duty.

14-00000

You will not receive a pay check for approximately four weeks after your entrance on duty.

If you have any problems, Mrs. Wells will be glad to discuss them with you when you call.

Very truly yours,

Known of nothing in his background that would be unfavorable in event of reference check. At initial interview he stated that he had no foreign connections, however, after contacting his family in Texas it was determined that his step-mother was born in Mexico and although she came to the US in 1922, she has never become a US citizen.</p> <p>Full clearance.</p>

CENTRAL INTELLIGENCE AGENCY

WASHINGTON 25, D. C.

Applicant Information
Sheet No. 1

To all persons applying for employment
with the Central Intelligence Agency:

This paper is the first step in applying for employment or consultant status with the Central Intelligence Agency. No application may proceed beyond this first step if the applicant is not in agreement with the conditions stated below:

General Considerations:

1. The National Security Act of 26 July 1947 (Public Law 253, 80th Congress) which created the Central Intelligence Agency places upon the Agency the responsibility:

a. "to advise the National Security Council in matters concerning such intelligence activities of the Government departments and agencies as relate to the national security;

b. "to make recommendations to the National Security Council for the coordination of such intelligence activities of the departments and agencies of the Government as relate to the national security;

c. "to correlate and evaluate intelligence relating to the national security, and provide for the appropriate dissemination of such intelligence within the Government . . . ;

d. "to perform, for the benefit of the existing intelligence agencies, such additional services of common concern as the National Security Council determines can be more efficiently accomplished centrally;

e. "to perform such other functions and duties related to intelligence affecting the national security as the National Security Council may from time to time direct."

14-00000

The special character of this national responsibility requires the Agency to maintain correspondingly special employment criteria which may be different from the routine or normal employment standards of other Government departments and agencies which do not have the highly sensitive responsibility borne by the Central Intelligence Agency. It follows that the investigation of applicants prerequisite to their acceptance is a time-consuming process which, in addition to loyalty and security checks, includes evaluation of competence, physical and emotional fitness, and availability of a suitable position at such time as employment may be offered. This is called "clearance" of an applicant.

2. Investigation of an applicant may reveal something which prevents his clearance - perhaps something of which the applicant is genuinely unaware, perhaps something which only the special employment criteria of the Agency make unacceptable. In any event, adverse findings by the Agency are conclusive and final so far as the Agency is concerned, and no statement of specific reasons is made to the applicant.

3. Employment by the Central Intelligence Agency is not a right upon which an applicant can insist. Offer of employment which is subject to full clearance does not constitute a commitment on the Agency's part giving an unsuccessful applicant grounds for any claim against the Agency. Acceptance of employment upon the condition of clearance is at the applicant's risk, taken with the knowledge that a very substantial percentage of applicants are not cleared.

Statement of Understanding
and Agreement

I have read, understand, and agree to the foregoing General Considerations. If not accepted for employment by the Central Intelligence Agency, I will make no claim or demand in conflict with those considerations.

I have also seen and read Applicant Information Sheet No. 2.

SIGNED at Washington, D. C., this 10th day of September, 1961.

(Signature of Applicant)
Daniel Flores
