Mr. Broe started in the FBI in 1941 as a Special Agent, dealing particularly with German and Russian matters. In 1944 he was promoted to Resident Agent at Youngstown, Ohio, where he handled all categories of Bureau work. Two years later he was selected to be a supervisor. He continued in this capacity, dealing chiefly with security matters, until he came to CIA in 1948. During his term as resident agent he was outstanding in the important and difficult task of winning local police cooperation.

Since he has been with CIA, Mr. Broe has shown exceptional operational understanding and ability. He has a very keen sense of responsibility and a fine devotion to detail as well as to the broad phases of his duties. As a Branch Chief he has been completely reliable and effective. It is planned that he will go to Manila in the spring of 1951, or perhaps earlier, to take over the important and delicate work of the Manila Research Unit.

MEMORANDUM FOR THE RECORD

SUBJECT: William V. Broe

1. After discussion with the Chief, FBZ, the undersigned talked with subject today and informed him of the following:

a. The position which we had to offer was at P-5. Promotion above that classification would come only after experience in the field, and no guarantee could be made of higher rating even after such experience had been gained by subject.

b. The assignment which we offered him would be in Washington for eighteen months, or perhaps for as long as two years; then probably assignment to a field station.

c. Due to his past employment with the FBI, we would attempt to obtain approval for his entrance on duty on or about June 14.

2. Subject stated that the above was acceptable to him and that he accepted our offer of P-5 position. The undersigned informed Chief, FBZ, of this fact. Processing is being initiated immediately.

Subject has family and does not particularly desire to go to an area where family cannot have adequate living quarters, etc.

Would prefer remain in D.C. for one or two years.

Has no area background or experience—
— however I feel his investigative experience would adequately compensate for this.

From April 1971 to January 1972, Mr. Broe continued to serve as Chief of WH Division. He then was promoted to the role of Inspector General. During the final months of his long service as Chief, WHD, he continued to provide the wise and enlightened leadership that we had come to expect. Official Position Title: Ops Officer Division Chief
Current station: Headquarters
Type of appointment: Career
Type of report: Annual
Reporting period: 1 April 1970 - 31 March 1971

During the reporting period, Mr. Broe has continued to serve as Chief of the WH Division. In this period, he has had to cope with the many crises and confrontations that typify his area, the Allende victory in Chile to successive coups in Bolivia, and growing urban terrorism in many countries. It is difficult to fault his performance in the handling of these complex challenges. He has earned the complete respect of his subordinates and, as an acute and humane judge of character, he knows the strengths and weaknesses of his station chiefs and how to extract the best from them.

Under his leadership, high-level penetrations of Communist parties throughout the hemisphere have been maintained and increased, and he has planned ahead effectively to cope with the increasing Soviet diplomatic presence.

Under his supervision, the budget, program and project submissions of his Division have been effectively presented and defended before reviewing authorities.

Innumerable crash requests for memoranda on a wide range of topics from the White House have been met promptly and satisfactorily.

On the substantive side, he has kept himself abreast of the rapidly changing Latin American scene and on policy matters, his judgment and advice are relied upon at the Assistant Secretary level in the Department of State and the White House.

The high morale of his Division is a tribute to his ability and, on the whole, his performance remains "Outstanding."

During the reporting period, Mr. Broe has continued to serve as Chief of the WH Division. Under his leadership and due to his excellent judgment in the selection of key personnel, the Division has improved its performance both in the collection of significant intelligence and in its conduct of complex covert action operations. Due to high level penetration of the Communist parties throughout the hemisphere, he has kept the Division well ahead of the game in dealing with the diverse subversive movements in the area. This result is due in considerable measure to Mr. Broe's managerial skills. Mr. Broe's judgment has been relied upon by both the White House and the Assistant Secretary level in the State Department in dealing with the policy aspects of successive crises. He has been consistently cost conscious, and his performance on the whole has been outstanding.

During the reporting period, Mr. Broe has continued to serve as Chief of the WK Division. It is a tribute to the quality of his management that the Division has continued to perform extremely well in the production of intelligence derived from within the Communist Party throughout the hemisphere. This has resulted not only from the use of long standing assets but also from initiative shown by the Stations in the recruitment of

new and well placed agent assets. He has supervised effectively Divisional planning designed to exploit to the maximum the opportunities presented by the increasing Soviet diplomatic presence in the area.

During the year, political shifts in Peru and Bolivia have served to dramatize the danger of too extensive a reliance on liaison and Mr. Broe has moved to reduce the profile of our declared presence.

The high morale in his Division comes from the widespread knowledge that good performance is recognized and that career advancement is based on ability rather than any form of favoritism.

On policy matters, his judgment and advice is sought and relied upon at the Assistant Secretary level in the Department of State and the White House. He is a careful and frugal manager in the allocation of increasingly scarce resources and on the whole his performance has been "Outstanding."

In the last fitness report on Mr. Broe I commented that "he is easy to work with, exercises the soundest of judgements, maintains excellent relations in the community and will without question turn in a really fine performance as Chief, WH Division." Nothing has happened in the course of the past year to require any change in that comment and prediction. Although the Dominican crisis has subsided since the last report, we are not entirely out of the woods there, and there are several other situations in the Western Hemisphere which have been simmering smartly and which have

1. This is a letter fitness report on Mr. Broe as Chief of the WH Division from July 1965 to date.

2. Mr. Broe's file is replete with the highest estimates of his capabilities and performance in the several positions of responsibility he has held in the Clandestine Services. Until coming to the WH Division, his entire career with the Clandestine Services, dating back to 1948, had been in the Far East area. He served as Chief of our Manila Station and later of our Tokyo Station in which latter position he distinguished himself. He was brought in to take over the WH Division when the Chief of that Division became the DD/P. That in itself was an eloquent admission of the esteem in which his capabilities are held. His performance in the WH Division has fully lived up to this evaluation. He took over the Division just after the Agency had become immersed in the Dominican Republic crisis. At the same time, a dozen other problems of one kind or another required the most serious attention. He has made several field trips to his area of responsibility and has shown his usual skill in getting the most
