Querido Amigo:

Paso a contestar tu atenta nota de fecha 2 del actual.- Rapidamente, trataré de darte un panorama de lo que ocurre aquí y de algunas ideas para la FLAT.- Para mejor información tuya, te acompaño además un informe sobre la situación interna de la CGT Argentina y algunos problemas que nos afectan muy agudamente a los trabajadores de esta parte de Latinoamérica.-

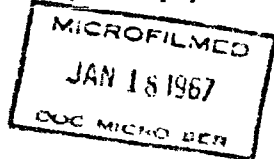

1.- La huelga general de los obreros del puerto lleva ya al día de la fecha - 53 días de duración.- A pesar de la solidaridad que han recibido de muchos gremios y de todas las fuerzas populares, la situación de estos compañeros es muy dura.- Los motivos de la huelga los encontrarás en el informe adjunto.-

La ITF ha "recomendado" el boycott internacional en apoyo de los portuarios argentinos.- La medida es justa, pero ha resultado bastante limitada ya que no todos los sindicatos adheridos a la ITF lo han puesto en práctica, además en algunos lugares se aplicó mal, pues se boycoteaba a los barcos argentinos, pero no a los de otros banderas que venían con mercaderías de Argentina; esto no es eficaz y se presta a maniobras turbias.- YO ESCRIBE A LA CLASC y a la CISC pidiendo un apoyo decidido a los portuarios argentinos, pero aun no hemos recibido aquí la documentación sobre las medidas que hayan adoptada nuestras centrales internacionales.-

2.- Otro conflicto sumamente grave, es el que enfrentamos en este momento los ferroviarios.- El gobierno ha sancionado por ley un nuevo reglamento de trabajo que nos retrotrae a 50 años atras en muchos aspectos; además el plan oficial prevé la reducción de los 25 talleres con 51 líneas de producción que existen, a solamente 19 talleres con 31 líneas de producción. Esto significa DESOcupACION y además, perjudica al sistema ferroviario y al país.-

Es necesario presionar a la Federación Internacional de Sindicatos Cristianos del Transporte de la CISC, y a las organizaciones de base de la FLAT, para que se prenutrien también en este grave conflicto, crucial para el movimiento obrero argentino, YA QUE LA UNION FERROVIARIA ES EL SINDICATO MAS PODEROSO DE LA ARGENTINA.-

3.- La CCT Argentina se ha lanzado ya a un enfrentamiento abierto contra el gobierno militar de Onganía. El próximo miercoles 14 habra un paro general de 24 horas, como protesta contra el escandaloso aumento del costo de vida, contra el "arbitraje obligatorio" y en apoyo de los gremios en conflicto.-

CS COPY

4.- En el aspecto interno de la FLAT, te diré que como secretario general, me he visto totalmente frenado por la falta de recursos, ya que ni para imprimir papel membretado tengo dinero.-

A pesar de esta dificultad, he tratado de hacer algunas tareas mínimas: enviar información a la CLASC y a la CISC sobre los problemas del transporte que existen en Argentina, y mantener un mínimo de cohesión y de organización del grupo de sindicalistas cristianos del transporte que actúan en mi país.-

Lo que estoy necesitando, son las direcciones de las organizaciones afiliadas a la FLAT. En Panama no las tomé, porque se nos había prometido una lista completa de nombres y direcciones de todos los participantes del Congreso de CLASC; pero esto nunca llegó.

5.- Estoy completamente de acuerdo contigo, en la necesidad de presionar al Buró y al Comité Ejecutivo de CLASC, para que pongan en marcha las FEDERACIONES PROFESIONALES.- También deberán solucionar tu situación (es necesario que vengas a Latinoamérica), proveer de algunos recursos mínimos a la FLAT, y CONCRETAR DEFINITIVAMENTE EL CURSO-CONGRESO DEL TRANSPORTE.-

Siempre a tus órdenes, te saluda fraternalmente,

Juan Carlos Loureiro

Comments of AMICE-31 on Raimundo ONGARO

ACTION REQUIRED - REFERENCES

AR: None; FYI

REF: HDCA-7116, 31 May 1968

B.4 0663 + S.D. 5604

N01 201

AMICE-31 had only the following to add concerning Raimundo ONGARO and his activities: After ONGARO had made his violent speech on television in Santo Domingo he was cornered by the Cuban (exile) delegation the members of which were incensed by his allegations concerning Cuban exiles and his misinformation about the Castro regime. According to AMICE-31 their arguments prevailed and ONGARO in the end was quite apologetic and admitted to them (AMICE-31 thought sincerely) that he had been in error. As proof of the sincerity of ONGARO's change of mind on the Cuban question AMICE-31 pointed to the fact that, on behalf of the Cuban delegation, ONGARO approached Juan Luis GALLO Estevez, the intransigent Uruguayan whose negative vote (the only one) doomed the Cuban-sponsored resolution on political prisoners to defeat, and tried to get him to go along with the majority.

2. AMICE-31 called ONGARO basically "un buen muchacho" and non-Communist. He reported that ONGARO was a strong peronista and a "good, practicing Catholic". He added this latter description with some wonderment because he had always placed "good, practicing Catholics" automatically in the pro-U.S., anti-Castro camp.

① Proposed Travel of AMICE-31

ACTION REQUIRED - REFERENCES

AR: TTI

REF: UFGA-25587 dated 25 July 1966

Headquarters has considered the invitations received by AMICE-31 and has reached the following conclusions on his proposed travel:

- A. There seems no useful purpose to be served by covering AMICE-31's personal expenses for the trip described in paragraphs 1 and 2 of the referenced dispatch as WOFAC has good coverage from other sources.
- B. Headquarters has no interest in AMICE-31's attendance at the meeting described in paragraph 3 but also no objections to his accepting the invitation if Station JMWAVE deems it advisable or considers this will be of value in any of the Station's own operations.

1. Attached is AMICE-31's report on the meeting of the Eighth Continental Council of the Confederacion Latinoamericana de Sindicatos Cristianos (CLASC, Latin American Confederation of Christian Trade Unions), held in Medellin, Colombia, from 5 to 14 January 1966.

2. Since the Station has not received copies of any disseminations that may have been made from information cabled during the meeting at Medellin, no attempt has been made to prepare portions of AMICE-31's report for dissemination. If any of the report is disseminated at Headquarters, the Station would appreciate receiving copies, along with copies of any reports that may already have been disseminated on the meeting at Medellin, and any future disseminations on the CLASC.

3. Also attached, under separate cover, is a copy of a report by Keith G. BONGIRNO which includes a list of AMICE-31's achievements at the meeting and his impressions of and attitudes toward certain delegates and issues.

PICO'S TRIP TO MEDELLIN

After reading Pico's report and talking to him twice I reached following conclusions :

I ACHIEVEMENTS of Pico

1. Achieved with the cooperation of Edgar Maduro to soften the anti-US line in the Declaration of Principles and elimination of US name which was replaced by "imperialisms".
2. ~~XXXXXXXXXXXXXXXXXXXX~~ Together with the Venezuelan delegates drafted the motion condemning the Tricontinental Conference. and participated actively in drumming up the support for this motion.
3. Pushed thru the motion condemning Castro's regime.
4. Exercised a strong anti-communist and anti-Castro influence among the delegates.

II PICO'S IMPRESSIONS OF THE MEDELLIN MEETING

1. Pico came back favorably impressed by strongly anti-communist stand of the delegates. He says that even if Maspero would try to cooperate with the commies the rank and file will not let him to do so.
2. Pico noted only three rabid anti-US delegates : Miguel Cardoso (Accion Sindical Uruguay), Diogenes Gutierrez (Federacion Istmeña de Trabajadores Cristianos - Panama) and Heliodoro Agudelo Rivera (Accion Sindical Antioqueña).
3. Pico informs that Henry Molina (Sec. Gen. of Confederacion Autonoma de Sindicatos Cristianos CASC-D.R.) even if highly critical of US intervention in D.R. is an outspoken Communist and he recommends him as a material for recruitment.
4. Molina spoke very favorably of Conrado Rodriguez who during his stay in D.R. as FORDC delegate made an excellent impression and became good friend of CASC.
5. It is evident from the briefing instructions received from HQ and cables received from "our man in Medellin" that a strong opposition to CIASC HQ stand (or Maspero's) to the new funding proposal by CISC and ISI was expected. Pico says that he could not discover such opposition and that three national unions which already applied for direct funding according to the instructions received from CISC quickly withdrew their application. Pico also did not note any "betrayal" on the part of Federacion Campesina.

Thus I see two possibilities : a) the opposition to CIASC HQ stand that all funding should go thru HQ was exaggerated b) Pico is considered as close friend of Maspero and was not trusted by the opposition.

According to Pico the feeling was quite unanimous that the funding should go thru CIASC HQ and the CISC attempt of direct funding was resented as an effort to undermine CIASC Executive Committee.

ATTN TO OF60 04874

4 MAR

201-214-51

6. It looks that our friend who talked to Pico in Medellin and Bogota was disgusted because Pico was satisfied with the results of the meeting. Pico's satisfaction stemmed from the strong anti-Castro stand the Council adopted and it is obvious that the funding problem so important to us could not upset him.
7. Pico reports that there is a good chance that Dagoberto Gonzalez (Sec. Gen. of Trabajadores Copeyanos) will be elected as CLASC president at the next CLASC Congress. According to him Jose Goldsack will become Treasurer and present treasurer Alfredo di Paece will head a new CLASC office dedicated to raise funds from the LA affiliates. Pico considers Gonzalez as a staunch anti-communist and better disposed toward Maspero. He thinks that flanked by Gonzalez and Goldsack, Maspero will not have so much to say and his power will be limited. Gonzalez is apparently a much more forceful personality than Goldsack, who doesn't have enough guts to oppose Maspero.
8. Pico believes that Maspero is less aggressive and anti-US as he used to be. He thinks that the pressure from CISC and ISI plus a strong anti-communist posture of the affiliates accounts for this.

In the cables received from our Colombia office there is a strong criticism of Pico as a sort of Maspero's stooge. After discussing this topic several times with Pico I think that his opinion of Maspero ~~XXXXXX~~ is :

Maspero is a forceful, dynamic and well ^{educated} prepared leader. As an Argentine and ex-peronista he has more drive and is a better organizer than the others in CLASC. Besides he offers CLASC a promise of bringing CTG into an alliance with them, a feat which only he can accomplish. For Pico's taste Maspero is too demagogic and he doesn't like his anti-US and soft of commies attitude, however, Pico claims that Maspero lately is much more aware of commie danger. As Maspero is without doubt the most powerful single individual in CLASC and as Pico position is weak (his Federation is not created yet and he has to be confirmed as Secretary General) he sees no use of bucking Maspero especially as no organized and strong opposition exists. Pico, however, would see with sympathy Maspero power restricted or it will not bother him at all to see Maspero removed completely. But as long as he exists Pico believes that for his personal good and in order to be able to push strong anti-Castro stand (in which he is mainly interested) he has to work and live with Maspero.

This position impresses me as a sensible one.

III HTSC. REMARKS

1. There is some inconsistency in the cables we received. In one of them Romano Tschumi, CLASC Executive Secretary for the Dutch Antilles and President of CEDEV is described as "widely considered insignificant and unimpressive element". In another cable this same Tschumi is quoted as a source (direct source not via Pico as Pico said that he didn't know about campesinos sold out) and as a new CLASC Asst Secretary General (Pico also claims that he doesn't know about it even if he was criticized before ~~xxxxxxx~~ getting his info from such a leaky source as Tschumi).
2. Pico reports that in Caracas he met Carl Norden from ISI Bonn office in CLASC office. Carlos Moris (vice-director of Instituto de Estudios Sociales de Caribe), Mariano Benitez (Centro Documentacion - Caracas) Santiago Tortosa (Sec Gen of CODESA), Esequiel Borges (CIS) were also present. Norden reported that the

US Embassy in Bonn informed them on Sunday Jan. 16th in the morning about all important topics discussed, resolutions etc adopted in Medellin. While impressed by the fast work and correct reporting ~~of~~ Norden expressed his curiosity as to how it was possible that the embassy in Bonn was so fast informed (NOTE : I am surprised even more that a blubber-mouth like Norden was informed about such report!). The general consensus of the present was that CIA must have few men infiltrated among the delegates.....

3. According to the new by-laws Pico's Transport Federation (in formation) will have 3 votes during the next Congress, equal to other L.A. Federations and national delegations. Therefore it is important for us that we continue to work with Pico.
4. Pico should also go to the CLASC meeting in Guatemala in March when the Central American Confederation will be created. CLASC also wants to create Central American Transport Federation and there where Pico's presence is requested.
5. I asked Pico if his CLASC friends don't resent the fact that he works for FORDC. He said that this problem was solved once for ever. CLASC executives know that only two principal currents exist among the Cuban exiled labor : the batistian and the revolutionaries. The Batistianos are the Mujalistas of CTC aided by ORIT and CLASC is against the Mujalistas. They are in favor of the revolutionaries as they are in FORDC, which is the only really active exile labor organizations. CLASC leaders know that FORDC is being supported by the US government, but they accept it as a necessity and understand that it is inevitable as neither the batistianos or the communists will support it and CLASC has no funds to do so.

SUMMING UP

By no means I consider that Pico is an ideal agent. He ^{may} be influenced or awed by Maspero. He also is sometimes impulsive and puts his foot in the mouth. On the other hand he is : young, aggressive, better educated than average Cuban labor leader. He is accepted in CLASC, his organization ORT is a ~~fact~~ member and he will be the head of the Latin American Transport Federation which will give him following advantages : a) voice and 3 votes at CLASC meetings b) can influence CLASC decisions c) will bring strong anti-Castro and anti-communist influence d) will soften up anti-US outbursts e) will report to us, even if we have to take his reliability with a grain of salt.

NOTE : I forget to call your attention to the curious little item in Pico's report

He advises that the Copeyanos gained the control of the Sindicato Portuario in Puerto Cabello wresting it away from Correa after it was found that 200,000 bolivares were missing from the treasury. Pico also reports that there are widespread rumors that Correa is living it up at the expense of the boycott and that he is blackmailing Spanish, Japanese and British embassies getting hard cash for not boycotting the ships.....

1. Identity A, who is the mother of AMICE/31, a Station asset, has been twice denied permission to enter the United States as a refugee from Cuba. The local ODURGE office has stated that Identity A has been placed on a denied admissions list because of information supplied by ODACID.

2. According to AMICE/31, Identity A applied for admission to the United States with her daughters, Identities B and C. Identities B and C received the necessary authorization on 24 February 1966 from the Swiss Embassy and arrived in the United States by air on 28 February.

3. Identity A was the wife of Identity D, a member of the Cuban Communist Party for some twenty years, at the time of her first application to leave Cuba. Identity D died in October of 1965 and according to AMICE/31 lost his Communist Party membership card about a year prior to his death. According to AMICE/31, Identity A has never joined or been a member of the Communist Party although there is a possibility that her husband may have placed her name on the membership lists. AMICE/31 also stated that she has long been a practicing Catholic and that she is very anti-Communist. Sent as separate cover attachments are two statements from the Bishop of Gienfuegas and the Assistant Bishop of Havana testifying to her good character and to her standing as a practicing Catholic.

MEMORANDUM FOR THE RECORD

SUBJECT: Contact Report on Meeting with AMRUNG-1 201-270613

1. On 5 November at 1130 hours, AMRUNG-1 and WINECKER were met at the Washington Airport by undersigned. They were then taken by taxi to the Mayflower Hotel, where a room had been reserved ... for their use. After having lunch at the hotel, the party adjourned to the room, where AMRUNG-1 was given a short briefing on Francisco Castell, the W/T operator who was scheduled to meet AMRUNG-1 at 1400 hours.

03 2. At 1400 hours, the undersigned went to the lobby of the hotel where Francisco was waiting with Ray Garcia, his escort officer. Garcia was instructed to bring Francisco up to the room. It was agreed in advance of this that all principals would withdraw from the room to give AMRUNG-1 an opportunity to talk with Francisco alone. However, it was suggested that Garcia return a half hour before the interview was terminated to clear up any points as to the nature of Francisco's training, or any aspects that AMRUNG-1 might wish to clarify. The interview with Francisco was terminated about 1510 hours, as AMRUNG-1 stated he would be pleased to have Francisco assigned to him. All indications were that a happy rapport was established between the principals and a complete understanding was reached as to the future role of Francisco as the W/T operator for the AMYUM group in Cuba.

03 3. At approximately 1535 hours, Andy Rogers put in his appearance at the room and was introduced to AMRUNG-1 as Mr. Rodrick. Prior to this meeting, AMRUNG-1 was told that Mr. Rodrick was the coordinator for operations and would like to discuss some of the more specific aspects with him, prior to his return to Cuba. Cecil Cartwright, who had escorted AMRUNG-1 to Washington, asked to sit in on this meeting along with Peters and Rogers, as he felt that MASH should be fully informed on whatever operational matters were discussed with AMRUNG-1 for more effective future coordination between Headquarters and MASH. Rogers indicated no objections to this and stated he was glad to have him sit in at this meeting.

03 4. In substance, Rogers covered most of the highlights dealing with previous attempts to supply the AMYUM group with arms and ammo, and air-maritime operations currently being planned. In this connection, AMRUNG-1 was highly pleased to learn that a 4,000 pound

shipment had been successfully infiltrated to his group during his absence and again urged that more such shipments should be stepped up in the future. 03 [Rogers] then briefly discussed the SINTRA operation and asked AMRUNC-1 if he didn't think this area for the DZ was already "blown" due to the number of people who already knew of his operation. (This includes 5 other people besides AMTUM-1 and AMRUNC-1.) AMRUNC-1 stated he was not sure, but would investigate this upon his return. However, he felt that this was an excellent DZ site and should be utilized for any subsequent airdrop scheduled in the Pinar del Rio province. 03 [Rogers] informed AMRUNC-1 that his overlays on various LZ's and DZ's had been received and were being reviewed by the operations people. He complimented AMRUNC-1 on the excellent work of his cartographer and expressed the view that these DZ areas would be put to good use. Finally, he assured AMRUNC-1 that no stone is being left unturned to provide his group with the necessary materiel support which is critically needed and that this support will be stepped up as our infiltration capabilities are increased both by air and sea. In parting, he cautioned AMRUNC-1 not to take any unnecessary chances when he resumed operational activities in Cuba, since his leadership in the AMTUM group was vital to our overall interests. The meeting was terminated about 1720 hours as [Rogers] and Peters took their departure.

5. Some of the more significant highlights of the conversations which took place between AMRUNC-1 and the undersigned prior to his meetings with the W/T operator (Francisco) and [Rogers] are noted herewith:

- a. Security: Castro has taken stringent action in tightening up his internal security against counter-revolutionary forces inside Cuba. The militia are being used to search houses for concealed weapons (usually by a block system), and anyone failing to produce proper identification is removed for questioning by the DIER. Hence, AMRUNC-1 and his organization are largely confining their activities to the daylight hours from 0700 to 2000 hours. He considers night operations - particularly on the streets of Havana - as highly dangerous inasmuch as the DIER (security organs) are constantly on the alert to stop individuals on the street to check their identification documents.
- b. Documentation of Agents in Cuba: AMRUNC-1 suggested using an identification card issued by the Havana University for their students. He had a sample copy in his possession, which he claims was readily accepted by Castro security forces as being valid. Similarly, a driver's license properly authenticated along with a health certificate were considered to be good "cover" documents for agents operating in the Havana area. A supply of blank identification cards will be turned over to the Station by AMRUNC-1 for transmittal to headquarters for any subsequent documentation of

agents who can be passed off as students at the Havana University. (He suggested preparing one for his W/T operator (Francisco).

- c. Operational Expenditures: Queried on this aspect, AMUNG-1 stated his organization would need a minimum of 50 to 60,000 pesos a month to cover their overall operational expenses. These funds are being used for safehouse maintenance, travel expenses, purchase of vehicles and gasoline, allocation of funds to various sub-divisions of the AMUN organization located in various provinces of Cuba, and purchase of food and support of various agents whose families may be in dire need of food and medical supplies.
- d. W/T operators: To date, both AMPANIC-14 and ANGLEN-1 have not met the requirements for effective communication with us on AMUN operations. However, AMUNG-1 feels that AMPANIC-14 has not been compromised or turned by the DLEN and once he gets over his nervous state, it is possible he can still be used. Similarly, although ANGLEN-1 is considered to be a good W/T operator, AMUNG-1 feels his usefulness to him has been considerably negated by the nature of his assignment at the Naval base and his recent restrictions to this base by orders of the Castro regime. In short, AMUNG-1 feels communication is the weakest link in his current operations and that direct communications with the Embassy is growing increasingly hazardous, due to the fact that Embassy personnel are under close surveillance by the Castro security forces. For this reason he feels that Francisco will fill a serious void in this respect, once he is infiltrated into the AMUN organization in Cuba.
- e. Support for other anti-Castro groups in Cuba: AMUNG-1 stated that all materiel support should be funneled directly to his organization for distribution to other anti-Castro groups in Cuba. In his view this would serve as a control factor in unifying the overall effort of the various splinter groups seeking such support in Cuba and could also enhance the prestige of the MRR as the spearhead for the FRENTE. He then went on to add that he was fully aware of our efforts to support other groups in Cuba, which he assumed we were operating with on a unilateral basis. (i.e., he cited Nino Diaz in Oriente). AMUNG-1 felt this was a serious mistake, as this unilateral support would affect the leadership and direction now being provided by the MRR throughout Cuba. The undersigned told AMUNG-1 that he agreed on the desirability of a coordinated effort on the part of all counter-revolutionary groups seeking to overthrow Castro using the FRENTE as the rallying center. However, the question of support being directed through one channel namely: his organization in Cuba, was neither feasible nor practical. The fact that Castro had tightened up security throughout the various provinces of Cuba, would make it difficult or impossible for the AMUN group to ship arms and other equipment from Havana to the easternmost provinces (i.e., Las

SECRET

SECRET

-4-

Villas, Camagüey or Oriente) without jeopardizing both shipments and personnel. Hence, the need for unilateral action on our part to supply these fighting groups in these provinces. This explanation appeared to satisfy AMRONG-1, however he still insisted that his organization should at least be appraised of any materiel support provided other groups in Cuba. He was assured that we would take his request under consideration.

- f. AMBIDEX-1: AMRONG-1 feels that no useful purpose would be served in sending his associate to join forces with him in Havana. He feels that AMBIDEX-1 should continue to represent the ANYUM faction in the FRD and when the counter-revolutionary forces are fully prepared to overthrow the Castro regime, AMBIDEX-1 will be brought into the Pinar del Rio to direct the ANYUM forces in this province.
- g. Manolo Ray: AMRONG-1 considers RAY as a highly dangerous individual because of his great ambition to play a prominent role in any subsequent Cuban government following the overthrow of the Castro regime. In his opinion, RAY poses a serious threat to VARENA's leadership and the FRD inside Cuba. He is attempting to draw various dissident groups to his banners and appears to have support from the middle class represented by business interests, politicians, and the professional class. Should RAY be persuaded to join forces with the FRD, AMRONG-1 thinks he will continue to operate on a unilateral basis while seeking to supercede the FRD with his own organization in Cuba.
- h. Tony Varona and the FRD: Although AMRONG-1 recognizes the need to support the FRD as a political front for rallying counter-revolutionary groups against the Castro regime, he nonetheless feels that the FRENTE and Tony VARENA have lost considerable face in Cuba by inaction and political maneuvering. He further pointed out that he is aware that thousands of dollars had been poured into the FRENTE, but dissident groups in Cuba have seen no evidence of any of this money to support their efforts to overthrow Castro. Hence, confidence in the FRD is at a relatively low ebb among the people in Cuba and a new shot in the arm in the form of materiel and financial support is needed to restore this confidence. According to AMRONG-1 this support must be forthcoming soon because such people as Manolo RAY are taking the initiative and will soon control the entire counter-revolutionary movement in Cuba.

Miami, 8 Oct 62

REPORTING AGENT: *Financet-1*

SUBJECT: Cira MARTINEZ, aka: "Cirita", very closely connected to Manuel RAY.

SOURCE: Marta DIEZ Rivas. Married to Dr. Ricardo MACHIN. Was connected in Havana with various anti-Communist organizations.

On a visit I made to source, she told me that she had met Mrs. Cira MARTINEZ in Havana. That Mrs. MARTINEZ used the clandestine pseudonym "Josefina" and was married to architect Frank MARTINEZ. That both subject and her husband were persons in the absolute confidence of engineer Manuel RAY, and "Josefina" had been RAY's secretary for a long time.

Source claims to have learned from "Josefina" that she was dissatisfied with RAY's political actions, to the extent that RAY wanted her to join the executive of the organization J.U.R.E. but she had refused because she did not agree with the ^{politics} ~~politics~~ of this organization. That "Josefina" had described this organization as a political movement the same as Castroism, only changing the name of the leader. That she knows the plan of this organization is to organize all anti-BATISTA and anti-CASTRO organizations, under the direction of the J.U.R.E., and develop a nationalistic and especially an anti-American policy in order to be able to group all the elements existing in Cuba that have not figured prominently in the CASTRO regime. After the fall of the CASTRO regime they plan to form a strong political party in Cuba and capitalize on the mistakes committed by the provisional Government. With this objective in mind, they will stay separated from the C.R.O. and from all relations with the U.S. Government in order to be able to carry out their plan freely.

Mrs. Cira MARTINEZ lives with her husband at 1004 NE 17th St., Miami, phone number PL-6-0483 on which they talk to many persons related with RAY's plan.

NOTE: One of RAY's most trusted leaders in Miami is still Osorio DAVILA, former treasurer of the 26th of July Movement and man in the absolute confidence of Haydee SANTAMARIA. For a long time DAVILA was the Chief of the Havana Immigration Department, until he came to the U.S. by boat from the coast of Matanzas. Some days ago I submitted a detailed report on Osorio DAVILA, and also on CICHENOS and many other

8 Oct 62, subj: Cira MARTINEZ (cont.)

Known leaders of J.U.R.E., because there is another group of individuals whose names are not advertised but who have command powers in the J.U.R.E. One of these men is Ignacio LIDON, former leader of the 26th of July Movement, private secretary of the Commissioner of Havana Jose LLANUSA, and G-2 delegate in Havana City Hall. LIDON persecuted many persons in the City Hall because he was the one who made the lists of persons who should be watched, to the G-2. He also had close connections with the Minister of the Interior, Jose A. NARANJO, whom he kept informed about the persons under suspicion who worked in the Ministry of the Interior. One time LIDON visited NARANJO and informed him, in the presence of NARANJO's secretary, Lucy ECHEVERRIA, that he should keep Captain Ramon PADILLA, at that time Chief of the Isle of Pines prison, under surveillance. In 1960 PADILLA was preparing the escape of Captain Jorge SOTUS, and thanks to Lucy's warning PADILLA took precautions and the plan could be carried out. Ignacio LIDON lives in Miami but I don't know his home address. Although he later declared himself an anti-Communist, and I think he sought asylum in the Brazilian Embassy, I have no trust in him at all.

30 Oct 62

On Sunday, October 28, I met twice with Manolo RAY of the Movimiento Revolucionario del Pueblo (MRP) at the San Juan Intercontinental Hotel, in San Juan, Puerto Rico. My main objectives were: (1) to elicit from him a list of Cubans, presently associated with the Castro regime, who are critical of Castro and might be considered potential defectors; (2) to obtain a list of Cubans, either inside or outside the island, who could be available, in case of an emergency, to help in setting up some kind of provisional government; and (3) to have his general views on the possibility of an insurrectionary movement.

Since I had arranged to return to Washington on the same day, I did not give Ray much time to do a thorough job. However, he was able to furnish me with a list of names, covering points (1) and (2). He promised to provide me with additional information after checking with some of his associates in New York and Miami. His thoughts on the possibility of an insurrectionary movement will be the subject of a separate memorandum.

During the course of the debriefing the subject appeared to be willing to cooperate and there were no indications of an attempt of deception. However, it is felt that the subject is a sharp operator, an opportunist and an individual who lives by his wits. He is very verbose, loud and attempts to hold the floor at all times.</p> <p>3. CUELLANA claims that he had no relationship with the Cuban G-2, that he knew Fariro VALDELL, Chief of the G-2, Manuel FERRERO, Deputy Chief of the G-2, but that he never conducted any business with them. He stated that he knew several agents by sight but never knew their names. He is of the opinion that all members of the G-2 are Communists and individuals of very low caliber.</p> <p>4. Subject was granted asylum in the Uruguayan Embassy on 06/08 April 1962, which was obtained through the assistance of [Fernando RODRIGUEZ, leader of the Cuadros Union] who was the Uruguayan Ambassador. According to subject he had to seek asylum in the Uruguayan Embassy because he was in danger of being picked up by the Cuban Security Services. He claimed that in December 1961 he was engaged in the transportation of material and personnel from Habana to the "Segundo frente" in the Lacatray mountains, in the Province of Santa Clara. At that time he was cooperating with [Captain (fnu) SALAS, Lito BALASIDA, "senito," "litico," "roy," "GUTIERREZ" heroyn, [Kiko JONES], [Captain Fariro CUELLANA] and [Fernando PARALIA]. According to subject, an individual named "Fernando" was arrested in March 1962 and during the course of his interrogation (continued).</p>

by the Security Service. "Frontline" documents were also
submitted to the subject. In view of the above, the subject had
no further information to provide.

3. "FRONTLINE" admitted that during the last year he was
engaged in negotiations for the purchase of arms from Cuban
officers. That during the month of September, 1961, when he was
in Los Angeles, California where he traveled, he was engaged in
purchasing arms from a Cuban officer named "FRANK". "FRANK" was
from Los Angeles. He said that he did not purchase the arms from
"FRANK" but that he did make arrangements for the arms to be
delivered to other Cuban officers from "FRANK". It is noted that
the subject was engaged in other criminal activities which
he did not mention. This section is based on the information
provided in the attached Personal History statement regarding
his travel and the short, term jobs he held in the past.

4. Subject also admitted that he was arrested on 26 April
1961 by the FBI because of his connection with a group engaged
in the purchase and sale of U.S. currency to the Cuban agent.
According to Subject he was a Cuban friend of "FRANK" who
was engaged in the purchase of U.S. currency, which he
endeavored to take out of the country. One of "FRANK's" associates,
Vicente Benito "MUEL" Hernandez and Juan "RODRIGUEZ" Serrano,
were arrested by the Security Services. Allegedly "MUEL" and
"RODRIGUEZ" informed the Security Services that the subject knew
the whereabouts of "FRANK". Subject was arrested and asked to
provide the address of "FRANK". Subject stated that he knew "FRANK"
and after being held for four days he was released by "MUEL" and
"RODRIGUEZ", who were released a few days before the release of
Subject.

7. Subject denies any association with the Communist Party,
C-2 or any other Security Service. He claims that he hates
Communism and is willing to do anything in his power to combat
Communism and liberate Cuba. Subject is an informant of the "FRANK"
interest and was returned to the FBI for information. "FRANK"
does not contemplate any future contact with the subject.
