<p>1. On 4 January 1963 AMHINT-27 met with [QUANTUM-51] in New York City, and [QUANTUM-51] advised him that Jorge MEDINA Bringuer, the Secretary General of ANSPELL in PURUMEN, is a G-2 agent. MEDINA and AEDO (fnu), who was said by [QUANTUM-51] to be on the ANSPELL National Executive, were actually G-2 penetrations. They planned to "roll up" the entire ANSPELL organization and "other groups" in one sweep and then escape by boat and contact AMHINT-53 in the JMWAVE area. MEDINA was in contact with AMHINT-53 while in PURUMEN and planned to use AMHINT-53 to establish his bona fides with KUBARK.</p> <p>2. [QUANTUM-51] further advised that another mission of the two G-2 agents, MEDINA and AEDO, was to make contact with Iden A to determine what role it played in anti-CASTRO activities. The secretary of [QUANTUM-51] had been a very close personal friend of AEDO's since childhood and AEDO feared she would be implicated, so he told her of his espionage mission. She informed [QUANTUM-51] and then arranged a meeting between [QUANTUM-51] and AEDO. AEDO told [QUANTUM-51] of his mission and arrangements were then made to get all the ANSPELL leaders into asylum in the Uruguayan Embassy. On or about 10 December 1962 about 25 persons, including AEDO, went into asylum.</p> <p>3. [QUANTUM-51] further said that AEDO reportedly was arrested by G-2 a long time ago and then recruited to work for the PURUMEN Government.</p>

<p>4. Reference C is a chronological summary of AMHINT-33's activities subsequent to his infiltration in PBRUMEN, and his contacts with Chelin, the brother of AMFRET-7. AMFRET-7's arrest was reported in Reference B. The AMFRET-7 Case Officer states that both AMFRET-7 and his brother were arrested, after shooting it out with G-2 and being wounded. As noted in Reference D, AMFRET-7's arrest was made after [QUANTUM-55] and Blanca F. MARTINEZ de Hoya, aka "Cuca," aka "Cuchi," brought MEDINA, ANSPELL's National Military Coordinator for Reception and Supply, to Iden A where MEDINA recognized AMHINT-33. AMHINT-33 said MEDINA was an old friend of his and had lived near him. <i>RE G-2 INFILTRATION AGAINST AMSTRUT-1</i></p>		
<p>5. AMHINT-33 said further that his brother knows MEDINA, that MEDINA is the man whom AMHINT-33 used in 1961 to check up on *REBELLON (fnu), the FEU Secretary General in PBRUMEN. AMHINT-33 added in his S/W Message 11 of 10 December 1962 that "his friends" are still in jail.</p>		
<p>6. Reference E transmitted a letter written by AMHINT-33 on 29 December 1962 in which he states that G-2 infiltration is so great that he considers it impossible to organize anything, and he indicates that some of the agents, as in this case, have been infiltrated for more than two years. He presumably means infiltrated into anti-CASTRO organizations and/or activities.</p>		
<p>7. Relative to the "other groups" mentioned in para. 1 above, AMHINT-33's Case Officer believes that AMHINT-33 is probably referring to the MRR, the MRP, the MDC and the 30th of November groups. The "friends" mentioned in Para. 5 may be one Eduardo BRINGAS, who is about 23 years of age, one COUMI (fnu), and others previously referred to but not identified by AMHINT-33; they may have worked for AMHINT-33. <i>RE G-2 INFILTRATION OF AMSTRUT-1</i></p>		
<p>8. JMWAVE traces on the individuals involved in this plot offer little concrete information.</p>		
<p>a. It is noted that Jorge MEDINA Bringuier is listed on Page 13 of Attachment C to UFGA-4977 as an MRR member, with a listed aka of Carlos PRADO. JMWAVE tracing identifies one Carlos PRADO as "a brother of Raul, the head of G-2 in Las Villas Province," as reported in HAVA-6437, 5 October 1960; there is no further information on this Carlos PRADO. However, the original source of the information given in Attachment C of UFGA-4977 was a letter brought out of PBRUMEN by AMSTRUT-1 about early July 1962. Said letter contained a \$25 money order, issued at Station No. 9, New Orleans, on 16 March 1962, for Jorge MEDINA Bringuier and purchased by Maria Teresa MEDINA. The envelope, addressed to Sra. Consuelo C. de RIVAS in Mexico City, bore the notation, "For Carlos PRADO," and contained a note, "This money order for \$25 is for Carlos PRADO from his mother," in addition to the money order. There is one Carlos PRADO in Mexico. He is studying engineering and is the brother of Faustino PRADO Garcia, an engineer who works close to "Che" GUEVARA and is of current KUTUBE interest. Faustino PRADO is married to Clara ARTIME, a sister of Josefina ARTIME, who is a close friend of ANGLE-9, and she is also of current KUTUBE interest. When AMSTRUT-2, who could have given this letter to AMSTRUT-1 to take out of PBRUMEN, was in Mexico City she called Carlos PRADO by telephone at 249769 and told him that she was a friend of his mother. This PRADO family is a large one, and includes another brother, Angel, who is in Spain, a sister who is a nun in Italy, and another brother who is a doctor in New York City. Additional data could be secured on this family from AMSTRUT-2 if desired. However, it seems probable that this money order may have been sold in Cuba by Jorge MEDINA and purchased, sooner or later, by the mother of the Carlos PRADO who is currently a student in Mexico. A copy of the material carried out by AMSTRUT-1 is being forwarded herewith. It will be noted that a part of the attachment was disseminated as UFG-1239, 13 July 1962.</p>

b. It is further noted that JMWAVE files show one "Mongo" listed on Page 14 of Attachment C to UFGA-4977 as captured and sentenced to 30 years in prison. This information came from UFG-779, 12 January 1962, which was based on an ANCUTLER-1 intercept of a report from the MRR Acting Internal Coordinator in PBRUMEN to Hipolito LAZARO, the MRR Internal Coordinator temporarily in PBRIME, sent via the [Argentine Diplomatic Pouch.] There was no further identification of this "Mongo." 24

c. It is noted that Reference F identifies Jorge HAEDO as a former anti-Castrista who was tortured and doubled by the PBRUMEN Government; HAEDO appears to be the correct spelling.

d. "Cuca" or "Cuchi" MARTINEZ, who has held the position of AMSPELL National Coordinator for Civil Resistance, is a personal friend of ANCOG-3 and family. She is believed to have taken asylum in the Mexican Embassy. SW Message 12 from ANCOG-3, dated 8 December 1962 and received 12 December, reported that [QUANTUM-51] 01 advised "Cuca" to hide or be cautious because NEDINA had turned out to be a G-2 member. The message said that this was learned from AMSPELL prisoners and that, during interrogation, they were asked many questions about "Cuca" and ANCOG-2.

9. When the AMHINT-53 security review mentioned in Reference A is received, additional investigation as necessary will be made at JMWAVE.

I am going to place the communication abroad in Sofi's hands; no one better. What I need is that you explain to us better how to make the contact from here over there, that is, how and where to see SARAHIA, the contact which you said you had with him. Sofi knows him but doesn't know where she can see him. Remember that Sofi is already being checked because Esteban's wife knows her and asked about her. I am going to try to have the treasurer be a friend of Sofi's who knows where the money is. He is a fully trustworthy boy called Alejandro.

Tell Dr. LAZAGA that I don't write to him about the affair because it is easier for me to write to you, but that he and this boy should have relations, and I with Cuchi and with you.

We give the support to LAZAGA together with the Executive, because it would be impossible to only one person, and for the case it was left in our hands. You see that the Executive over there is fully answerable to us and that way there will be no problems.

We don't know anything about my namesake. So far all the contacts have failed. Let's see what we can clarify.

Tell Tomas that the news I sent him about Dos Rios was through a contact which I made with our brother-in-law D. He is willing to work and has people in his area, and also in the coast. I believe that a lot can be done up there. Besides, Deto left me a terrific contact also at that coast, whom we have to put in contact with D. Tell Tomas to let me work also in that area, which is mine and of my people, and that if he gives authorization that we can send a guerrilla band to work with that people. Of course, this guerrilla chosen by us to avoid their sending people of the A. teams and have them take command away from us. You know how that is.

Write to our other brother-in-law in the embassy and find out when he leaves because I know that he is already leaving but to come back to me immediately. Let's see if he leaves, takes a fast training, and comes back. Have them get much map reading and man to man combat with bayonets which is very good at night and no one here knows anything about that.

You must explain the thing a bit to Deto so that he will gain enthusiasm. If he sees that the thing is serious and has real support he will come. The only thing that hinders Hugo, he needs support for his family. Explain everything to him and I think he will come. He leaves tomorrow and I gave him your phone. If he needs money for his

wife and for himself give it to him from mine. I authorized him to ask you for it.

If they would let me, in our province I would place 3 or 5 guerrillas with the contacts which I had before and have now, and we would fill that up for these people, that is, we would start a war in all the province, plains and everything.

Well, this letter is going with safe hands to Miami where it will be mailed, tomorrow. So the S.W. which I sent will arrive later if I can't get it taken with this one because I already gave it to have it mailed. Let's see if we can get it back in time to have it arrive soon.

I will write to Doba and Martha Elena another day with calm, and I don't have the details of your letters on hand.

Regards to all and you receive love from your brother,

✓ Xanolo

comunicación al exterior la voy a poner en manos de
la mujer que ella. Lo que yo necesito es que el
contacto que tú me decías tener de Parabá, es una mujer
que voy como hacerlo de aquí para allá, o sea como y
cómo irlo a él. Sofi lo conoce, pero no sabe donde está.
Recuerda que a Sofi ya la están chegueando pues la mujer
de Esteban la conoce y preguntó por ella. El tesorero voy
a tratar que sea un amigo de Sofi que sabe donde está el
finco. Es un muchacho de toda confianza llamado Alejandro.

Dile al Dr. Bayaga que me le escribió sobre el particu-
lar porque a ti me es más fácil, pero que este muchacho
y el son los que deben tener relaciones, y yo con
Chilili y contigo.

El apoyo lo damos a Bayaga junto con el Ejecuti-
vo porque a una sola persona sería imposible y para
el caso se daba en nuestras manos. El Dr. procura que
el ejecutivo en esa respuesta plenamente a nosotros y
así no habrá problemas.

De mi tocayo no sabemos nada, todos los contactos
nos han fallado hasta ahora. Vamos a ver que sacamos
en claro.

Dile a Tomás que la noticia de Doz Ríos que le man-
dió fui por un contacto que hice con nuestro curador
D., este está dispuesto a trabajar y tiene gente en su
zona, a más de por la costa. Creo que por allá arriba
se puede hacer mucho, además tanto que dije un con-
tacto formidable por aquella costa también, el cual
puedo poner en contacto con D. Dile a Tomás que
me permita trabajar también para esa zona, que

la mía, la de mi gente y que si el da autorización
pueda mandar una guerrilla a trabajar con esta
gente. Desde luego esa guerrilla escogida por nosotros,
no vaya a ser que manden gente de los americanos
y nos quiten la jefatura, tu sabes como es
González a nuestro otro cuñado en la embajada y
avergüenza a ser cuando sabe pues yo sé ya que el va
para volver conmigo enseguida. A ver si sale y co-
je un training rápido y vuelve. Que cojan muchos
de lectura de mapas y lucha cuerpo a cuerpo con bayonetas
que esto es una cosa buena de noche y aquí nadie se
da cuenta de eso.

A Beto le tienes que explicar la cosa un poco para
que coja embullo, si el ve que es seria la cosa y con
verdadero respaldo el viene, lo único que igual que
tengo necesita ayuda familiar, aclárale todo que yo
soy que el viene. Mañana sale y le di tu teléfono,
si le hace falta dinero para la señora y para el día
del mis, yo lo autoricé a pedirlo.

Si me dejan en nuestra prov. yo metía 4 ó 5 guerrillas
con los contactos que yo tenía antes y ahora, y le
explicaríamos aquello a esta gente, o sea le metíamos que
era en toda la provincia, llano y todo.

Bueno, estaba en manos seguras hasta Guianá donde
ya pondrán en el correo mañana así que el S.M. que man-
da llegará después que esta si no logro que lo lleven pronto
con esta pues lo di ya para que lo echaran al correo, so-
mos a ver si se recupera a tiempo para que llegue pronto.

A Beto y Martha Elena les contesté por día con calma y los
promises de las cartas de Uds. que no las tengo a mano.
Recuerdos a todos, y Uds. reciban un abrazo de su hermano
Manolo

ATTENTION REQUESTED: RM/KUCAGE/MUTURE. 06

08 1. On 9 April 1962, [Jose Antonio Sadurni Casas (aka "Che"), born 11 April 1930, Santiago de Cuba; Miami address: [c/o Elisa Sadurni Casas,] 06 [1619 Meridian Ave., Apt. C-10] Miami Beach, telephone: [JE 2-2641,] was interviewed. 08

2. Source said that during the revolution he was a member of the DR in the University of Habana. After the revolution he went to the University of Oriente, Santiago de Cuba, and eventually became the DRE chief for the city. In regard to his former DR association he had no operational leads, claiming that all contact with DR members terminated in 1959, and he knew no one who attained any stature in the Castro Government.

3. As DRE chief for Santiago, the source claimed that he had 50 members who he considered well organized and capable of any type of action. He said that there were, and are, other members, but he does not consider them in the same category with the 50 who are organized into cells. He said each cell has nine men. There are four cells in the University of Oriente and two in the high school.

4. He said that he left Santiago in March 1962 and turned the DRE over to his deputy. He then went to Habana and informed the DRE leadership that the second in command had taken over and he was told that Habana would initiate contact with the new leader. (Note: Since close relations are maintained by the JMWAVE Station and the DRE, no attempt was made to press the source for names and addresses, etc., as this information can be obtained in subsequent outside debriefings. The JMWAVE Officer responsible for the DRE operational matters was informed of the source's arrival and processing.)

5. Source said that at the time he left Santiago, the remnants of the Catholic student organization was trying to make contact with the DRE and he believes that by this time this contact has been made. He said that the DRE member who was following this matter, and who would follow through, was a blind person.

6. Listing the arms and supplies in the possession of the DRE in Santiago, the source said that it has about 5-8 pounds of plastic remaining out of a shipment of 20 pounds which was received from the DRE in Habana. He said the DRE in Santiago placed bombs in places where the explosion would not injure anyone. As far as arms are concerned the source said that the DRE in Santiago has ten .45 caliber pistols; five .38 caliber pistols; one M-3; and one Tommy gun.

7. The source furnished the following KUTEE-type information:

4/80

CMA - 137
page 2

a. He said that his father is in jail in Puerto Boniato, and that in order to try and get him free, the source went to see Major Belarmino "Anibal" Castilla, the chief of training for the Palma Soriano Military Encampment, whom he knew from their days in the Santiago High School. Source made his plea and "Anibal" told him that before he could act upon it, he would have to talk to the source for five hours in order to determine his political orientation. The source replied that he did not come to talk politics but to plead for his father. "Anibal" answered that he would think about it and call the source one way or another, but he never called. Source thought that this story adequately demonstrated the (Communist) political orientation of "Anibal."

b. The brother of "Anibal" (para 6a above) is "Bertico" Castilla, first name possibly Alberto. He resigned from the army and is now living in Santiago, but the source is not clear on "Bertico's" political orientation.

c. Electra Fernandez, the wife of Mendez Cominche (the Santiago G-2 chief), is no longer the civil head (comisionado) of Santiago. She is now the president of the Federacion de Mujeres Cubanas.

*Why
didn't he
try and
swill him*

d. The source has given a complete military map of Oriente Province to the DRE member he left in charge of Santiago DRE (see para 4 above). Information is passed from Santiago to the DRE in Habana and the latter, in turn, is to forward the information to the States.

e. Source said that his contacts who work in Nicaro report that the Nicaro-Mayari Arriba area is restricted and that unknown types of military installations are being constructed.

f. The foreign instructors in the University of Oriente consist of Czechs and Chileans. The Czechs have started a new medical school in the university and the Chileans have taken over the Business Administration Courses.

1. The student resistance organization in Habana is the Directorio Revolucionario Estudiantil (DRE, Student Revolutionary Directory).

One of its leaders is [Lester Garcia Rosales] who is the chief of finance for Habana Province. [Roberto Quintaneros Santiso] is the general coordinator of the DRE. He has an external line of communication, running out of Cuba, through an official of the [Uruguayan Embassy] in Habana. [Quintaneros] replaced [Ricardo XXXXXXXXX Hernandez], who is also known as "El Kink Chino" (the Chinaman). The latter was arrested by the Cuban security forces in January 1962 and is presently in prison.

2. The DRE has a clandestine propaganda newspaper called Trinchera, but it is published on a very irregular basis.

3. In order to finance its activities the DRE sells bonds in one and five peso denominations. However, because of the security conditions in Cuba, one must be very careful in selling the bonds or else he may sell one to a government agent who are constantly trying to provoke oppositionists to show themselves.

4. During the latter part of February 1962 two bombs exploded in the University of Habana. It was said that the bombing was done by the DRE.

NEW REPORT- SAME SOURCE

In all my time in Habana and until 6 March 1962, the date of my departure, I never saw more than 3 Cuban air force jet/ planes in the air at one time. I have talked to my friends, particularly one who lives near the airstrip at Campo Libertad, and no one has seen more than this number in the air at one time. This leaves us to believe that the air force does not have as many jets as they say they have.

d. Rafael SANTANA Alvarez DPOB - 7 November 1932, Las Villas. Subject was a chauffeur (taxi-driver) and plans to be at 7750 Normandy Drive, Apt. 2, Miami, Florida, while in PUPRIDE. He stated that he resided at Bernasa No. 210, Havana, Cuba. Though he was not a member of any clandestine group, he assisted the MRR group in Caibarien and just recently assisted others to leave the country. Subject and the aforementioned persons departed Cuba on board the Cuban J/V BLANCA ESTRELLA owned by INRA but operated by Subject's brother Israel SANTANA Alvarez, who dropped them at Anguila and returned to Cuba to bring others out that were supposed to meet them, but they missed their connections. Subject's group departed from Isabela de Sagua, Las Villas 24 January 1962 at approximately 2400 hours. On 22 December 1961 a group of approximately twenty militiamen and men from the ORI were drinking in various bars and displaying the Communist flag. Anyone who appeared to be unsympathetic was beaten. They also went to the homes of some who were suspected of being anti-Castroites and would beat them also. They beat up approximately twenty persons. This took place in Caibarien, Las Villas. Subject was one of many arrested between 22 and 26 December. When they were taken to a restaurant across from the G-2 office, Subject managed to escape. The other three men that came with him on the boat managed to hide him until they made good their escape by boat. Subject lists the following as G-2 agents:

Antonio OBRECON Correa, Mayor of Caibarien, Las Villas
One TOYO (nickname) is the head of the G-2 in Caibarien
(fnu) VILLASON is the assistant to TOYO

Evaristo HERRERA, who also works on a boat transshipping sugar from Cayo

Frances to Caibarien, Las Villas

Roberto ROJOS aka ESPONJOX

Luciano DE LAJA, Juanito HENTAJA and four other brothers
Guillermo SANTANA, Andres SANTANA, Lorenzo SANTANA

Subject further stated that Pedro MONTERO, Alejo MONTERO and Eduardo MONTERO are active members of the MRR group in Caibarien, Las Villas. Francisco ROBLE is the active coordinator for the MRP in this area. Andres and Guillermo GOZALEZ (fishermen) are informers for the G-2 in Caibarien. They will propose that they help Cubans get out of the country. When all preparations are set up, the fishermen inform on those wanting to leave. The same applies to Jose (Pepo) MIRO, Evelio GARCIA and Lado COWA, all of Caibarien, Las Villas. Subject also stated that the 381st and 382nd Battalion of militia are presently in Caibarien, Las Villas. Subject states he is willing to return to Cuba and work for the underground. (Source Comment: If this subject is to be used in any manner, please be reminded that he claims to have escaped from the G-2. He may be trying to infiltrate the groups here or he may be trying to find out how the DRE operates in the Las Villas zone.)

<p>1. During your recent TDY to Headquarters, you requested all available information regarding a young Cuban named LASA who talked to Identity 1.</p> <p>2. Identity 2 met with Jose Maria LASA Arrutibeacon and Identity 1 on 2 October 1961. Identity 1, apparently, had been requested by Subject's uncle, a Cuban official in Switzerland, to meet with LASA who had recently departed from Cuba under a safe conduct agreement.</p> <p>3. During the conversation LASA talked about his uncle, an old school friend of Identity 1 and, also, Subject's father, a minor Cuban Government official also stationed in Switzerland. Both the uncle and father were in disagreement with the CASTRO Government and there was some indication that one or both were willing to defect. Although this point was touched only obliquely, Identity 2 gathered that Subject wanted to get his father into this country with some assurance of support. The question was not asked directly and no commitments were made or implied.</p> <p>4. After this relatively short talk in Identity 1's office, Subject and Identity 2 went into a conference room where he gave Identity 2 papers dealing with the organization and purpose of the IIR (which were already available) and said he would work with the students in the future. LASA also expressed a wish to go to Switzerland for the purpose of informing the International Red Cross group there of the inhumane treatment of Cuban political prisoners.</p> <p>5. In parting, Identity 2 had a distinct impression that Subject had not really accomplished the primary objective of his visit, and as he was returning to Miami, the foregoing was passed to Identity 3.</p> <p>6. For further information on Subject refer to WAVE-8368, 9 Oct 61; DIR-17475, 12 Oct 61; and DIR-23974, 14 Nov 61. Also, see copy of GNYA-1631 (Attachment 2).</p>

1. The source of the information contained in subsequent paragraphs is Jose Ricardo Rabel Ortega, A 12 821 451, Cuban national who is the oldest son of Jose Ricardo Rabel Nunez, the present national director of "Viviendas Campesinas" in Cuba. Source was a Navy cadet at the Mariel Academy from February 1960 to November 1961. As part of the curriculum source spent two weeks in Minas del Rio, Oriente Province, during the latter part of 1960. From February to 12 July 1962, source worked for Viviendas Campesinas as a general office clerk. He may be reached at the following address: c/o Manuel Gomez, 539 NE 70th Street, Miami, Florida, USA.

2. Source gave the following information which is repeated verbatim herein.

"In a conversation on 13 July 1962 in Havana, [my brother-in-law, Fernando Gomez Fonseca] told me that the Directorio Revolucionario Estudiantil (DRE) in Cuba had received 14 tons of arms and munitions to be used in the near future against the Communist regime of Cuba. He also told me that experts in the handling of explosives were entering Cuba for sabotage of bridges and railroads.

[My brother-in-law, Fernando Gomez Fonseca] is in charge of the DRE in Havana Province. I also know Laureano ("Lino") Pequeno (Jr.) who is one of the most important DRE leaders in Cuba.

In the conversation, I learned also that the DRE is expecting another ship with arms and ammunition in the near future and a yacht which is now in a Latin American country. The yacht is for use in activities against the Castro government.

The activities against the Castro government to be carried out by the DRE are expected to start within a month or two months at the latest.

Note: This information is confidential, and I want it to be kept in the greatest possible secrecy. I have spoken with no one else of this matter, which I consider very delicate. I want held in complete

1. On 14 July 1962, Juan Rodriguez Jomolca, A 12 821 206, born 12 November 1934, Rancho Veloz, Las Villas, last address, Havana; US address: c/o Jose Deetjen, 1746 East 57th Street, Apartment 3, Maywood, Los Angeles, California, telephone 581-5569, was interviewed.

2. Source said he formerly belonged to the DRE, but after Playa Giron it disintegrated. Nevertheless, he said, he was able to keep in contact with a few DRE people who are in Havana. He said details on the DRE could be obtained from Manuel Salvat, but he did state that he belonged to the DRE group headed by a brother of Diaz Lanz. This brother is still in Havana. He said this group wants to engage in political assassination, and has repeatedly requested that pistols with silencers be sent from the United States.

3. Source said that his cousin, Salvador Jomolca, is a guerrilla leader in Las Villas Province, more specifically, operating between Matanzas and Corralillo. He said that his cousin is a lieutenant about 30 years old. He has a small group, few arms, and very little ammunition. He is trying to get outside help but there is no method of communicating with him.

4. Source said that Salvador Jomolca is married to a daughter of "Campito", the elder. (Comment: A previous source reported that there are two "Campito"s, a father and his son. The son is the most reported upon guerrilla leader, the father apparently only accompanying the son.)

220 NE 26th Terrace, Miami. Subject was employed as receptionist in the office of her brother [Carlos BARO] 06 a dentist in the [L & 23rd Bldg] Vedado. Subject arrived in Miami on PAA Flight 422 on 8 May 1962.

2. Subjects a and b are sisters and were questioned together. On the topic of reception of radio programs in Cuba, both were agreed that the best reception was the "Voz de las Americas" which came in strong and clear with rarely any interference jamming. Program content was described as generally good, gave a morale boost to the audience and was becoming popular.

3. In commenting on Radio Las Americas, they pointed out that they had not heard it or attempted to tune in because they felt the quality was much the same as its predecessor, "Radio Swan" which lost its prestige prior to and during the April 1961 invasion attempt. Both declared this was a general opinion among their acquaintances.

4. Subjects commented very favorably on programs heard over station XEW, Mexico and WRUL, New York, describing reception and content as good and with large audiences in Cuba.

5. In referring to other programs, subjects reported that on 1 May, relatives in the Matanzas area telephoned them in Havana to tell them that the "students" (DRE) were on again (TV intrusion). Also, later in the day, friends in the Vedado area called to tell them to tune into Channel 2, that there was a program there (about 2115 hours local). Unfortunately, they had already sold their TV set since they were leaving soon. Both agreed that the system of announcing the TV intrusion broadcasts over CONTE Aguero's program on WRUL a few minutes prior to the intrusion was the key to large audiences. Almost all GOC oppositionists upon hearing this announcement, start telephoning their friends to tune into the TV channel announced.

6. Concerning the DRE internal organization, subjects reported that they had not been active recently and not witting to clandestine operations. They were aware, however, that the DRE internal net was waiting for the infiltration of AMHINT-53 or AMHINT-2 to brief them on the situation in exile and what support would be forthcoming. They reiterated the reports on two bombs set off in the university area by the DRE and burning of cane and henequen fields in Matanzas and Las Villas.

7. When queried on disturbances in Las Villas and/or Matanzas on or about 3 May, they replied that they heard the persistent rumor that a unit (company or regiment unknown) of militia had bolted and gone up into the Escambray Mountains. No further details were known.

8. When questioned on written propaganda such as flysheets or clandestine newsheets, both declared that the last propaganda seen was the clandestine issue on "Trinchera" (DRE organ), that no other propaganda sheets had been seen since before the April invasion.

9. When asked their impression on anti-CASTRO propaganda in general they felt that it was too negative; that while the exiles and opposition groups were busy tearing down the image of CASTRO, he was before the people with some proposal that was based either on truth, had a ring of truth in it, or at least appealed to the masses. That some of their contacts with young girls who served as "brigadistas" (rural tutors in the campaign for literacy) turned up interesting remarks. These girls claimed that many of the country folk would throw their hands in dismay when Communism was mentioned to them, and yet

10. Subjects also felt that propaganda should be directed more toward that sector of Cubans that are not fanatic Fidelistas or communists, and have not committed themselves to the opposition movement for such reasons as indolence, lack of courage, or economic docility. Raquel remarked that our propaganda seemed to be divided into two broad categories, one directed at or attacking the hard-core Fidelistas, and the other for opposition movement consumption.

11. Subject c above was debriefed for her report on reception of a FALCON broadcast in Havana on 1 May 1962. She stated that she was called by a friend at about 2100 hours on 1 May and told that the DRE Trinchera program was being broadcast over Channel 2 at that moment. Miriam turned on her TV and does not recall how high she had to turn up the volume, but to her recollection, not higher than normal. She heard very clearly, the monologue rebuttal of the CASTRO speech earlier that afternoon. She immediately called two of her friends and subsequently received calls from them and others on reception of the program. Her account of parts of the program and the times stated agree with WAVE' file copies of the program script.

ATTENTION REQUESTED: KUCAGE

1. On 24 April 1962, Ignacio Pla Martinez, A-12903419, born 10 December 1943, Habana; Miami address: 2315 SW 25th Street, was interviewed.

2. Source said that he was a member of the DRE and the FOAC in Habana. When asked what the FOAC is, he said that it is the Federacion y Organizacion Anticomunista Cubana. He explained that the DRE is trying to reorganize and that the FOAC, a large united organization, is trying to help the DRE. The FOAC, he said, is instructing the DRE in its reorganization.

3. Source said that his DRE contact is ⁰⁶Manuel Somoza, Jr., living on Calle Milan number 330 entre Lourdes y Villoldo, Arroyo Apolo, Habana. He said that Somoza is in direct touch with an 06 FOAC coordinator and that his job is to organize student groups for passive resistance activities. This includes, he said, propaganda work, distributing pamphlets and starting rumors.

4. Source said that the identity of FOAC members is kept quite secret, but he was aware that one Lazaro Hernandez is an 06 FOAC leader in Habana. He knew no other details.

One [Eduardo Tomas TORRES Ramos] said that he was
(had been) Chief of Security for DRE in Sagua la Grande,
and that for all practical purposes the resistance
has been liquidated in Sagua la Grande. As Chief of
Security his job was to hide and exfiltrate people fleeing
from Cuba which he said was the last remaining job that the
resistance could do.

<p>The following information was provided by Francisco Luis Rodriguez Gonzales (CC-1169), a Cuban refugee who arrived in Spain in early August 1962 and had been active in the Revolutionary Student Directorate, an anti-Government resistance group, while in Cuba.</p> <p>a. Source has been opposed to the Castro regime ever since the defection of Diaz Lanz in May 1959, and was involved in sabotage activity with the Revolutionary Student Directorate. His immediate supervisor was Angel Fontanills, known as "Charles" in clandestine circles. Alberto Muller, the leader of this group, arrived clandestinely in Cuba in October or November 1960 and began to organize the various groups of Directorate to bring about an insurrection in the Sierra Maestra area, in Oriente Province. These groups were mainly from the provinces of Las Villas and Havana, and received orders to unite with Muller who was already in the Sierra Maestra. The men went there in small groups, and had the seminary in the Santuario del Cobre as their destination. Once in that spot, they received final instructions and military equipment. Source's group, which consisted of two oarloads, entered the Sierra Maestra through Bayamo. Source was riding in the first oar. When they arrived on the outskirts of Bayamo, source's car was stopped by the militia, but the car was allowed to pass without any check. A few minutes later they realized that they were being followed and tried to escape. An alarm and shots went up, and they were finally captured and taken prisoner. The second oar, which was following close behind them and was warned by the shots, was able to escape.</p> <p>b. The prisoners were taken first to G-2 Headquarters in Santiago de Cuba and later to the Boniato Prison, where they were interrogated by the G-2. There were two American prisoners there, and although source did not know their names, he said that they were from the Guantanamo Naval Base.</p> <p>c. Muller was taken prisoner a few days later (shortly after the ill-fated invasion of Playa Giron). No arms were taken from him when he was arrested. Had this insurrection been successful, about 1,000 men would have risen up.</p>

- d. Of the Muller group, which was called the "127", about 80 prisoners were taken, five of whom, including source, were set free. One of these was an infiltrator called Flores, whom no one trusted since they knew that he was not "one of the group." Another of these was Rolando Valdes D'Wolf who is now in prison in the Fortaleza de la Cabaña serving a nine-year sentence. He was captured trying to escape in a car belonging to a militiaman and wearing a militia uniform. He defended himself bravely, but received five bullet wounds which incapacitated him. The other two who were released were Eduardo Diaz Lanz and Jorge Cruz Peña, a sergeant in the Rebel Army who was with Castro in the Sierra. The latter had actually not been involved in the group. Source thought that he (source) and Diaz Lanz were released so that they might be followed and lead the Government to other groups and individuals in Havana who might be involved in resistance activity. Source had been in prison six months before being released, and one thing which he could not explain was that on the paper that he was given which indicated his release, no mention was made of any sentence or penalty.
- e. On several occasions, Muller had been subjected to false execution procedures, with the purpose of trying to make him talk, but he did not weaken. During the trial, "everyone remained firm," and source was told that Muller was very brave in his pronouncements against the Regime and, at every moment, abided by his principles. He presented a very brilliant self-defense.
- f. When source was in the Boniato prison, he shared a cell with a Captain Anibal Rodriguez, who belonged to the MRR. This officer, along with other rebel officers and soldiers, had staged an uprising in Imias, in Oriente Province. Later he was sentenced to death and shot.
- g. During his last days in Cuba, source avoided all revolutionary activity, since he wanted to leave Cuba more than anything else. However he knew that the various resistance groups worked hard, carrying out a great deal of independent sabotage activity, although there was not much coordination among the various movements. One movement which had a large membership, especially in Oriente Province, was the E-30-11. This group was planning to launch an insurrection in Pinar del Rio in January 1962, but they could not carry it out since the repression in the area was so great.
- h. Hans, a member of the Revolutionary Student Directorate, was recently taken prisoner, and it seemed that he was tortured a great deal and talked. As a result of this, a house in Wajay, in Havana Province, was seized and arms and gelatina were found. The owners of the house and other persons were arrested.
