MEMORANDUM FOR: Chief, TSD/AB

VIA : Office of Security/Alien Affairs Staff

SUBJECT : Request for Alias Documentation for
AMOTIS-117

1. In accordance with preliminary conversations between Mr. Robert Vambrial, WH/4/A, and Miss Tina Japke and Mr. Patrick Phelan, TSD/AB, it is requested that an ordinary Nicaraguan passport be issued in the name of Juan Hidalgo ELIZONDO Romano for AMOTIS-117's use to travel from the United States to Argentina and return. In addition, it is requested that an Arrival-Departure Record (I&NS Form I-94) be prepared for Subject.

2. The requested passport should contain a forged United States multiple entry tourist visa and a cachet showing entry into the United States via Miami, Florida, in early April 1968. Inclusion of the forged United States visa in Subject's passport will not afford him any privileges he does not already legally hold in his true identity. The passport should be valid through the end of 1968.

3. The following information should be included on the Form I-94 to be prepared for Subject:

- a. Permanent address in Managua, Nicaragua;
Calle 13 de Septiembre No. 493.

SECRET

- 2 -

- b. Anticipated address in the United States:
Airport International Hotel, Miami International Airport, Miami, Florida.

4. The above requirements are being coordinated with the Chief, Alien Affairs Staff, Office of Security, who will be kept informed every time the passport is being used for travel from or to the United States prior to exit and reentry to the United States. The information will include flight number, date and place of departure and reentry. The Alien Affairs Staff has been requested to provide Form-512 in alias.

SUBJECT TYPIC/Operational
Termination of AMSTALK-1

ACTION REQUIRED - REFERENCES

ACTION: Cancel OA and MOC

1. Transmitted herewith are the Agent Service Record, Damage Report and Form 2457 on AMSTALK-1, who was terminated 29 February 1968. Subject was terminated for economy reasons, the lack of operational activity and because of the current JMWAVE reorganization. The termination was amicable and without prejudice. Attempts to place Subject with another JMWAVE component or the JMCHALK program were unsuccessful. Please cancel Subject's OA and MOC.

2. JMWAVE believes it worth noting that Subject has an excellent operational record and has participated in a number of special operations as a team member, team leader and principal agent. In addition, he had a hand in the recruitment of AMTRUNK-19, and, as recently as June 1967, made a WOFIRM-sponsored operational trip to Madrid.

3. As a result of the good will built up with Subject over the years of WOFIRM service and the excellent rapport maintained with him throughout, Subject offered to make himself available on short notice for any WOFIRM operational assignment. His 201 file contains his current location, in the event recontact with him becomes desirable at a later date.

1. On 30 January 1968 AMSTALK-1 was shown the passport picture of Pedro Luis PINERO Eiria, which was received at JMWAVE as an attachment to the reference, for possible identification as one of the two Cubans he had met with in Madrid on 23 June 1967.

2. AMSTALK-1 said the individual in the photo was definitely not "Guillermo". He said that if the individual was one of the two he had met with, it would have to be the second man, who used no name but gave the impression of being a bodyguard. However, he said the second man had darker skin tones; looked like an Arab or Lebanese; appeared to have some Negro blood, although he would not classify him as a mulatto; and had curly hair which was almost kinky. The eyes, lips and receding hairline are very similar, but the individual he met had a large bushy mustache.

Miguel - Sientate, quieres un cigarrillo?

Guillermo - Como no, gracias.

Miguel - La situation no se cual es, te das cuenta, entonces quiero conocer la situation.

Guillermo - Ante todo, vamos a tener la perspectiva de una conversacion, en todos nuestros aspectos, e incluso en la actitud necesaria quereros verle a fin de rectificar. Toda esta conversacion va a ser algo mas tecnica, lo mas armado, tratando de subanar, y siendo lo mas ecuanime posible.

Miguel - Si, yo creo que tanto Uds. como yo, todos tenemos somos cubanos, y entonces podemos conversar. Entonces que lleguemos o no a un acuerdo ya es otra cosa, pero siempre podemos hablar y no creo que con eso se perjudicaran ni Uds. ni yo. Mis ideas Uds. saben cuales son. Siempre han sido esas, desde que luchabamos contra Batista, o sea no es una situacion nueva ni es una cosa improvisada. Y tambien saben por que me fui de Cuba. No fue ambicion politica, porque yo estaba muy bien con el gobierno y tenia muchos amigos, sino simplemente porque no estaba de acuerdo con las ideas. Pero bueno es una parte de la cosa que no vamos a discutir, pero sinceramente en lo que me vine de los EEUU aqui y no es cosa de juego y estar retido ya en la situacion esperando llamado de Uds. tampoco. De Cuba llegue el jueves pasado.

Guillermo - de La Habana?

Miguel - Mande un telegrama pero con la direccion equivocada, con el numero equivocado. Me lo entregaron entonces mande uno a los dos dias como no tuvo exito entonces.....

Guillermo - Como preambulo te dire que te conocemos, nos conocemos mas o menos. Sabemos las ideas de (oidas?). Queremos saber que quieres tu de ideas, de accion, de hechos, de exposiciones, colocaciones mas alla de lo debido, las ventajas, etc. Mira, fijate, cuando nosotros te conociamos durante la lucha revolucionaria de tipo continental, tu no eras un tipo comun, tu eras un tipo singular.

Miguel - Y o soy un cubano mas, igual que Uds.

Guillermo - Te quiero decir, tu tienes personalidad, tenias ideas, tenias barba, te pusiste mas o menos, en una cuestion luchando por ahi. Luego vienen los primeros anos donde entra una serie ya de compromisos en cuanto al proceso. Tu en lo que te radica. Fijate, en cuanto a los años interesantes, quisiera que tu me hicieras un analisis para poder empezar la discusion, ese año 1959-60, que te paso a ti?

Miguel - 1959-60, empezando, yo nunca presencie el 26 de Julio. Fui Presidente del Directorio, fui amigo personal de Jose Antonio DEFIETUSCO (fon) de CHENIL (fon), de PSPIN (fon). De toda la gente del Directorio. Es mas, nunca presencie el 26 de Julio. Yo tuve la suerte de conocer a un individuo, al mejor amigo de Fidel Castro, que si conocia las ideas de Castro. Y se lo puedo decir como un secreto, porque sino lo perjudico, puesto que lo quiero entranablemente, es para mi como un hermano. Yo se lo digo Uds. lo saben. El sabia como Fidel pensaba, inclusive Fidel lo reconocio en una reunion personal, que teniamos

Miguel - en Santa Fe en el año en que fue convocado, un mes antes. Estaba Federico, no Federico no, Santamaría, Isaac, Fidel y no recuerdo quien más estaba. Entonces FIDEL le dice, se rio y le dijo Isaac: tu de Jefe del Ejército y yo de Presidente de la República, a ver quien se mueve en Cuba, que fuera de estilo comunista, y desde entonces nos nunca se vieron, y el retroproceso ya se conoce. Esa es una de las partes de con las cuales yo estaba predispuesto con de Fidel, perfectamente con Fidel y conocía sus ideas, y así fue como en el año 1956 en los EEUU, en el 1957..... inclusive los primeros meses del gobierno, como diez muchachos conversamos eso y somos el, el lo sabe.

Guillermo - Fíjate, viendo perspectivamente como se representa tu suspicacia, tu desavenencia, ya visto el proceso, el desarrollo (Miguel interrupts)

Miguel - Dijimos al principio que íbamos a hablar con sinceridad, no es cierto? Ud. ve que yo hablo muy claro.

Guillermo - Fíjate, nosotros tenemos que buscar un punto de coincidencia, si no buscamos un punto de coincidencia(Miguel interrupts)

Miguel - Específicamente, cual es la razón por la cual Uds. han buscado que me viniera hasta aquí?

Guillermo - Mira Miguel, te voy a hacer la historia.

Miguel - Ahora comprendiendo, porque podemos estar hablando tres días seguidos y no nos decimos nada.

Guillermo - Mira aquí vamos a hablar con sinceridad. Tu eres un individuo que, claro, para un cubano es poco común, entonces una serie de boberías, boberías dentro del personal, técnicamente mal hecho, entonces tuvo el una serie de problemas que nosotros no podemos anticipar sobre este punto la manera necesaria y dejar la otra, era un caso específico. Entonces que pasa, pero claro ponemos la familia que pasa con este que está de tonto aquí viendo a gente que como Entonces eso parte de la historia; se congela la salida y la entrada de todo el mundo allí.

Miguel - Eso que te digo de Fidel se lo digo a Marcelo en el año 1956 en mi casa. Me dice Miguel, ven acá. Yo en aquel entonces era Presidente de la Asociación de Me dijo Miguel, por que no vienes a trabajar con nosotros en el 26 de Julio. Yo sé que Fidel es comunista y tu lo sabes también. No, estás equivocado, no me estoy equivocando.

Guillermo - A nosotros nos interesa en cuanto a lo queo buscar la línea de coincidencia, porque fíjate tu a tu parte es una cosa. Tu eres un agente que para nosotros todavía no porque en el lugar donde te colocaste no se te confía. Primero de todo que apoyas demasiado desde el punto de vista técnico, vamos a mantener una estética.

Miguel - No hay nada mas logico que si tu vas a tu madre, es que la sino que la veas. Mi madre es una mujer que te voy a decir una cosa, todo lo que le ha hecho a Cuba ha sido bien. Toda su vida ha sido maestra, ha tenido muchos amigos, ha hecho mucho efectivamente en contra de Batista, te das cuenta? O sea que el estado ha tenido consideraciones con ella y con el resto de la familia por porque tambien, aparte de lo que haya sido yo, eso es completamente aparte de mi, yo no tengo nada que ver con ella.

Guillermo - No tienes nada que ver pero Mira chico aqui hay una cosa que esta escrita en la carta, mira (probably shows him something). Hay un millon de cosas a solucionar, partiendo del entendimiento mutuo. Que eso es lo que tratamos de participante, queremos decirlo.

Miguel - Bueno, pero que tipo de entendimiento por ejemplo?

Guillermo - Buscar una linea, tratar de ubicar que te molesta, que te mortifica, que tienes y entonces vamos a ver, vamos a entrar en discusion, hoy, podemos tener una discusion diaria, porque esto es problema de mas de un dia, podemos discutir a ver hasta donde podemos llegar. A ver quien eres tu de veras, o que quieres. Aparte de eso, mira tu juicio es contradictorio, tu eres combatiente de un cuadro y te metes en ese bando y te destacas en ese bando. Las cosas que tu vienes a plantearnos a nosotros son contradictorias. No en el origen ideologico, que ya estamos de acuerdo tu no eres comunista, pero en la cuestion practica, es la contradiccion de la persona. Porque hay millones de cosas ideologicas que no vamos a entrar.

Miguel - Yo no se, especificamente para que esos senores puedan dejarla en libertad que es lo que habria que hacer.

Guillermo - (screaks in very low voice)

Miguel - Espero que no, pero estoy tratando de ayudar porque... (Guillermo interrupts)

Guillermo - Mira Miguel, el (balon?) moderno de lo que el mensaje que te queriamos dar es ese. Que discutas con el, discutas un poco, no (he mentions Manolo again). Que trates de discutir con el, ese es el objetivo nuestro, y ademas la carta esta puesta.

Miguel - De manera que eso, la actitud mia, es una actitud, una posicion clara, definida, no pueden tener Uds. en ningun momento idea de que yo pueda tener un doble juego con Uds., siempre hablar con claridad. Yo con Uds. no podria llegar nunca en la vida a ningun tipo de acuerdo en cuanto al trabajo se refiere, porque mis ideas son radicalmente opuestas a las de Uds. Eso no quiero decir que no pueda conversar con Uds. ni eso no quiero decir que no les tenga afecto a Uds., que somos como hermanos, mismo Manolo, Manolo y yo siempre nos llevamos bastante bien, pero ahora el esta en un lado y yo estoy en otro, radicalmente opuesto. No estoy dispuesto a enganarme.

Guillermo - Okey.....

- 4 -

Miguel - Creo que las dos líneas saben que estamos aquí.

Guillermo - Que quiere decir eso?

Miguel - Quiere decir que el gobierno de los EEU U saben, no que estoy en esta habitación en este momento pero que estoy en España y que vine a hablar con Uds. Por eso le digo a Ud. que la intención mía no es crear un doble juego ni a Ud. ni a mí. Ellos saben que mi madre está en Cuba, están conscientes de eso, y que en Cuba Uds. Lo que quiero decir es que no hago juego sucio con Uds.

Guillermo - (habla de una situación y de analizarla más, muy difícil de entender)

Miguel - Es una lucha que ha tenido muchas alternativas. Como Uds. vieron yo cometí un error, Uds. también cometieron un error, todos cometimos errores, todos fueron susceptibles de cometer errores. Pero siempre podemos hablar, siempre podemos hablar, este hecho por ejemplo, que estamos nosotros reunidos aquí, hace dos o tres años yo creo que hubiera sido imposible.

Guillermo - Este planteamiento muy fino, es un planteamiento que a nosotros nos protege; eso sí, nos protege. Tendríamos que entrar a la cuestión ideológica como tu planteas o creo que de momento En nuestra opinión, entonces el planteamiento que tu haces, que tengo que hacer yo?.....

Miguel - Yo no haría nada que afectara en ninguna forma mi modo de pensar. Ya le digo no tengo ningún interés en hacerles que tengan una idea equivocada o errónea, un doble juego como se que hay quien lo hace, que se ponen a hacerle juego a Uds. para ver lo que dicen o hacen. Yo vivo en los EEUU, me siento cubano, soy cubano y debo sentirme como tal, y quiero a Cuba y quiero a mis amigos que están allá, no a los amigos que están en el gobierno, otros que están presos, y por eso he venido aquí a conversar con Uds.

Guillermo - Esa es una disyuntiva un poquito cerrada, un poquito cerrada. Yo no puedo creer sobre los amigos que tu tienes allá y que están en el gobierno, no se que no te gustaría nada positivo para ellos. Los otros amigos que tu tienes allá que están presos, esos sí que tampoco puedes esperar nada positivo para ellos. Hay una cosa cierta, a través de 3 años que son 3 años de revolución, tu sigues manteniendo una conducta en tu opinión nunca jamás equivocada. Hasta cuando tu podrás seguir manteniendo esa línea de conducta? 27, 14, 15 años? Tus amigos seguirán presos, yo ~~xx~~ tendré una opinión quizás no muy buena de ti. El problema de Cuba yo no creo que se defina en una forma fácil. Cuba ya no es un caso aislado, tu lo sabes. Cuba forma parte de un problema continental incluso mundial.

Miguel - Por desgracia, tanto para Uds. como para nosotros.

Guillermo - Nosotros no, nosotros por suerte. Pero bien, esa es la situación. La situación es un poco difícil. Porque EEUU no han podido liquidar América Latina es un continente en revolución, Asia también. Claro, estos son nuestros puntos de vista que por supuesto pueden ser muy divergentes a los tuyos.

Guillermo - Cuando eramos mas debiles, cuando estabamos mas aislados, no podiamos influir, en cambio el que habia ahora tengo una fe absoluta (?). Es una situacion dificil y que prospectivamente, no se, quizas tu entres en analisis perspective de lo que tu hagas.

Miguel - Hay una cosa que es la siguiente, estaba analizando la situacion. Desde el punto de vista de U.S., esta bien; ahora el punto de vista mio es el siguiente: yo no soy comunista, por lo tanto en Cuba.... las ideas..

Guillermo - Fijate, mira yo te diria a ti otra cosa. Yo te diria a ti que en Cuba hay gente que no es comunista, que no simpatiza con la revolucion, que es Catolica que tienen todas sus ideas, de todo tipo, sociales, predicales, diversas en general, no coincidentes con las ideas de la revolucion, sin embargo estan en Cuba, tienen sus ninos, tienen su trabajo, disfrutan de sus vacaciones, o sea que es una actitud de familia que Una cosa es el ciudadano que se va a los EEUU o se va para Pakistan Occidental que no quiero saber nada mas de Cuba.

Miguel - El que se vaya de Cuba y no quiera saber mas de Cuba no es buen cubano.

Guillermo - O quiera saber de Cuba, se entero por la prensa, como avanza la revolucion, las dificultades de la revolucion, la situacion mundial por la zona de Cuba, Cuba con relacion a la situacion mundial, se sigue enterando, se siente cubano, tiene una bandera cubana en la casa, se sigue sintiendo cubano. Sin embargo, se dedica a una serie de juegos un poquito peligrosos, tu te das cuenta? Introduccion de RF 48A (fon), introduccion de y hasta ahora nosotros no hemos tenido mas remedio que defendernos, defendernos de la forma mas humana posible, porque yo te digo a ti realmente con el cargo que tenia tu hermano (?) que era para estamos hablando en nuestro propio idioma. Nosotros no podemos estar dando bombones al que nos tira piedras, y ademas vacaciones al que nos introduce materiales de espionaje.

Miguel - exactamente igual.

Guillermo - Quizas, si.

Miguel - En los EEUU no, porque en los EEUU la situacion del pais es distinta, a la de los paises latinos. Es mejor.

Guillermo - Hay una diferencia sensible, por ejemplo nosotros no lo hacemos digamos contra nuestro propio pais, contra nuestro propio pueblo.

Miguel - Tu crees que el pueblo de Cuba esta contento con la situacion de ahora?

Guillermo - Yo creo que si, mira yo te voy a decir otra cosa para que tu tengas una idea clara y nitida de esto. Hay una serie de gente con nivel cultural bastante jodido que no tienen porque ponerse en contra de la revolucion, aunque no sean revolucionarios sinceros, que si miramos del punto de vista economico, han mejorado con la revolucion, si lo miramos desde el punto de vista politico, han mejorado tambien, te das cuenta? Entonces a esas personas nosotros los consideramos tambien parte del pueblo de Cuba. Mira, a nosotros no nos preocuparia mucho de que tu te quejes de tu (?), incluso un resultado, tu te das cuenta?

- Miguel - El problema es que esas personas, con el forma de pensar tampoco me daría muchos resultados. No sería valioso para eso.
- Guillermo - (Talks about how unsuccessful they've been, very difficult to understand what it is)..... que tu estes con un servicio de inteligencia de un país que está tratando de
- Miguel - del comunismo?
- Guillermo - Vamos a hablar de esto como liderazgo de que? Vamos a llamarlo por su nombre. De la escuela. Cosas concretas porque se habla en abstracto se parece a la otra (?) Cuando se habla en concreto tenemos que llegar al sistema social de algo, a escuelas, a hospitales, a comida, a existencias sociales.
- Miguel - sistema social que se conocía por el nombre comunista de capitalista y en los sistemas sociales se puede programar..... como el cambio de Rusia de la época de los zares a la fecha actual es una cosa increíble, posiblemente nunca se ha visto..... por eso los EEUU y otros países como los EEUU también
- Guillermo - Igual que el de Perú, el de Ecuador, el de Bolivia, el de Brasil.
- Miguel - Tu sabes el problema de Sudamérica cuales.
- Guillermo - (interrupts), El origen de esta cuestión es muy simple. En primer lugar tu tienes la Cuba de tu información parcial. Esta la otra Cuba, la Cuba que combate, la Cuba que rinde, la Cuba que va el 31 de diciembre, 300,000 o 400,000 a un lugar a festejar, la Cuba que tiene cuero. Tu basas tu información en base a que? EEUU está viviendo a costa de Nicaragua, de Costa Rica, de Bolivia, de Panamá. Porque mira, si hablamos de liberación lo primero que tendríamos que liberar sería la humanidad.
- Miguel - La situación actualmente en Cuba no es de la mejor. Hay escasez de todo. Negar eso sería faltar a la forma en que estamos conversando.
- Guillermo - Si, hay escasez, eso tu sabes por que hay escasez? Porque todo el mundo corre, son dos cosas que se vienen hacia mí. En toda Cuba, desde la sierra, no hay un niño, no hay un anciano, no hay un hombre que se quede sin correr, pero hambre hambre entonces no hay.
- (then they talk about 5 minutes, very difficult to understand, possibly about others living in Miami and how they live.)
- Guillermo - No nos quedamos de acuerdo.
- Miguel - Para mí hubiera sido una posición mas cómoda haberle hecho juego a Ud. y lo pudo haber hecho, puesto que he venido aquí, nadie se conoce aquí, nadie sabe que yo estoy. Hemos hablado con sinceridad. Otra cosa, no creo que hubiera sido correcto crear un doble juego y aceptar, cambiar el manera de pensar. Eso sería lo que casi cualquier otra persona hubiera hecho pero yo no lo haré... Espero que algún día cambie de manera de pensar. El mundo da muchas vueltas y quien sabe, nadie sabe, ahora está fascinado con esas ideas, a lo mejor cambia.
- Adiós, mucho gusto.

SUBJECT: CUIS RECRUITMENT ATTEMPTS AGAINST BOLLEX IN THE U.S.

201-367337

2. AMSTALK-1 (Identity B) received recruitment letter in very sophisticated operation involving a frame of 35 mm film rolled up and concealed in a hollowed out crucifix on rosary beads sent via his cousin who came out on the airlift on 11 April 1967. The letter believed to be from AMGHOST-1 was mildly threatening to AMSTALK-1's family and friends in Cuba and suggesting a meeting with the CUIS in Spain or Canada. Local LNERGO not advised. AMSTALK-1 and JMWAVE Case Officer are currently in Madrid on this operation. It is believed that this operation was initiated by AMGHOST-1 for unknown reasons, but possibility exists it is to establish a communications channel to WOFAC.
