MEMORANDUM FOR: Director of Central Intelligence

FROM : Deputy Director for Operations

SUBJECT : Consultant Status for -

James Angleton Raymond G. Rocca William J. Hood Newton S. Miler

REFERENCE: HR 20-52 and HHB 20-8

1. Action Requested:

This memorandum requests the Director to approve the use of Messrs Angleton, Rocca, Hood and Miler as Agency Consultants for the period 1 April - 30 September 1975.

2. Background:

a. All four officers retired under the CIARDS system 31 December 1974 and are currently contract employees, contracts to expire 30 March 1975.

b. It is proposed that Subjects' services be retained under consultant status on an intermittent, as-needed basis as determined by Acting Chief, CI Operations, Mr. George T. Kalaris. In view of the long and unique experience of these officers in counter-intelligence, not duplicated in any other personnel, the new Acting Chief, CI Operations will want to have available the benefit of their advice and counsel during the next few months.

- c. Payment for services as consultant for the period 1 April - 30 September 1975 shall be as follows: in each case the total allowable is one half or less of the difference between 90 percent of their former salaries and their current annuities:
 - Mr. Angleton: at a fee of \$138.48 per day not to exceed \$6,000 for the period;
 - Mr. Rocca: at a fee of \$138.48 per day not to exceed \$3,700 for the period;
 - Mr. Hood: at a fee of \$138.48 per day not to exceed \$3,300 for the period;
 - Mr. Miler: at a fee of \$138.48 per day not to exceed \$5,200 for the period.

3. Positions:

- a. It is the position of CI Operations that there is a need for Subjects' services which cannot be met from on-board personnel. Coordination with Domestic Collection Division is not pertinent and has not been effected. Clearance from the Office of Security has been received.
- b. The Office of Personnel affirms that on the basis of the information supplied above, this request appears to meet the policy requirements of HR 20-52, Consultants. It accordingly recommends that this request be approved.
- c. The Office of General Counsel has reviewed this proposal and has found no evidence of conflict of interest.

CONFIDENTIAL

4. Recommendation:

It is requested that approval be granted to engage James Angleton, Raymond G. Rocca, William J. Hood, and Newton S, Miler as consultants at a daily fee equal to the top step of a GS-15, which is currently \$138.48.

Dear Scotty:

On the occasion of retirement, it has been the custom to send a letter to our employees in appreciation for their services. While your retirement has been stretched a bit by your willingness to help us on the transition to your successor, I do not want the occasion to pass without this recognition.

I sincerely regret the publicity which surrounded your retirement and the circumstances under which it occurred. These should not, however, conceal the fact that you have made a real contribution to your country, to this Agency, and to the intelligence profession in your many years of service. We do appreciate this contribution and wish you the best of satisfaction and enjoyment in the years ahead.

Sincerely,

W. E. Colby Director

For 28 years Mr. Newton Scott Miler contributed greatly to the Central Intelligence Agency; in earlier years as an operations officer in China activities, starting off in 1947 in Mukden, later Shanghai, Hokkaido, Yokosuka, Subic Bay, Bangkok and Addis Ababa, and in recent years (1964 to 1974) he has specialized in counterintelligence; his particular competence being in the management of sensitive counterintelligence cases of the Agency and of other elements of the US Intelligence Community. An aggressive, independent, articulate officer, he was personally involved in the current conduct and in planning the future of counterintelligence as a function. He has exercised leadership and command in his specialty and has left his imprint on the modus operandi of his field. He has dealt with penetration operations, double agent operations, and in Soviet and Bloc operations targetted against Americans overseas, as well as in disinformation and deception operations. His performance in these has been a model of conception and execution. He has been a hard working and gifted officer who often made solfsacrifices to get his tasks accomplished. On his departure into retirement it is appropriate to award Mr. Miler the Career Intelligence Medal in recognition of his years of superior performance.

Mr. Newton S. Miler 4314 Birchlake Court Alexandria, Virginia 22309

Dear Mr. Hiler:

I am happy to send to you, under separate cover, your Agency Satirement Medallion. The Medallion is a tangible form of recognition and appreciation of your service to the Agency. It should serve as a lasting reminder of an honorable career, rewarding associations and the knowledge that you played your part in a vital activity.

Let me, therefore, add my congratulations and wish you the very best for the future.

Sincerely,

Dear Mr. Colby:

I would like to take this opportunity to express my appreciation to you and through you to Messrs. N. Scott Miler, Bruce Solie, Jerry G. Brown, Ernest Tsikerdanos, Richard Sampson, George Fill, and Oleg Keikuatov for assistance rendered to this Bureau in a matter of mutual concern which occurred recently in Mexico City. The manner in which Messrs. George Fill and Oleg Keikuatov carried out their assignments is particularly noteworthy and indicative of the professionalism employed by representatives of your Agency.

This situation is another example of the cooperative attitude which prevails among members of the American intelligence community and I look forward to continued mutual reciprocity in matters of this nature.

Clandestine Service Senior Seminar

- 1. I have been some time getting around to expressing my appreciation to you and through you to the other officers who participated in the Senior Seminar. Maybe it is just as well because, as you probably are aware, a number of the findings of the Senior Seminar have been, in one form or another, acted upon. In some of the cases, action that was already underway was accelerated. In others, the Seminar produced useful insights on the basis of which action was taken.
- 2. I know that it was a considerable labor for you but I would like you to be aware of the fact that I and the other officers in the Clandestine Service involved in the matters dealt with by the Seminar have been helped greatly by its several findings.
- 3. It is probable that we will want to do another running of the Seminar later this year. If so, I know that we will benefit from the excellent pilot run which you conducted.

Recommendation for Promotion -

Newton Scott MILER

1. This is a recommendation for promotion for Mr. Miler from Grade GS-15 to GS-16.

- 2. The careerof this officer has been notably marked throughout with relatively important responsibilities for his age. His youth, intense drive, initiative, self-assurance, capacity for work, natural talent for determining the objectives, recognizing the problem, organization of the work to be done, administering and supervising the effort, have long been evident to those for and with whom he has worked. Years of service during which he has steadily matured has resulted in a recognition, by supervisors and subordinate fellowworkers alike of his unusually wide experience, proven soundness of judgement, organizational administrative and executive talent coupled with powers of expression both oral and written and demonstrated capacity for work. He is unquestionably a very outstanding officer.
- 3. Having entered on duty as a Code Clerk (GS-05) in October 1946 following an A. B. degree in Economics from Dartmouth College in a Navy V-12 Program, he was soon assigned to Shanghai where he remained a short period before a TDY assignment to open the communications station in Seoul, Korea. .. He was assigned to Mukden and Antung, Manchuria from April 1947 to June 1949 where despite being barely 21 years of age and an official designation as Code Clerk as Grades GS-5/7, he conducted Agent operations into Korea, USSR and China. He handled liaison with Chinese officers and counter espionage cases with X-2 officers. His talents were recognized and after TDY training at Headquarters, he was assigned to Shanghai as an Intelligence Officer. There he performed as a Case Officer and engaged in stay beyond planning, supervision of other junior Case Officers, and assisted in the evacation of other CIA officers. Before he was 25 years of age, he established the station and served as Chief of Sapporo, Japan, for some 20 months (1949-51).

The same of the sa

4. He has successfully engaged in all types of operations -El, CI, CA including PM and PW, but his principal talents have been in the Counter Intelligence, particularly Counter-Espionage field. His experience includes service as Chiefs of Station, Senior-Case Officer, Senior Staff Officer, and since September 1964, Deputy Chief of the Special Investigations Group of the CI Staff where he has had a major responsibility in the supervision of senior grade Counter Intelligence Officers as well as being personally and directly active in matters of agreat complexity and highest security considerations. In his service in that capacity he has demonstrated his outstanding abilities as a Counter Intelligence officer. He has carried a substantial portion of the work load of his office including supervision of both clerical and officer personnel, liaison with all elements of the Agency and other intelligence and security services of the government as appropriate. It is strongly recommended that he be promoted to Grade GS-16.

MEMORANDUM FOR MR. N. SCOTT MILER

VIA: Director of Contral Intelligence

SUBJ: Expression of Appreciation (U)

1.0) I hereby express my appreciation for service of the highest degree of excellence provided to my office during the past several months. You displayed professional competence that can only be described as exemplary in nature.

2. (Dit is unfortunate that the work on which you performed is of such a nature that it precludes a specific description herein, but that need not detract from the significance of this message of approbation. Of all the attributes displayed, the two most worthy of note are your use of imagination and persistence. Those two qualities enabled your to produce results which others had not been able to obtain. Heartfailure was transformed into success.

3.(1) Not to be ignored is your administrative ability. The marshaffing of resources available to you and coordination of the efforts of your available personnel contributed materially to the degree and quantity of results obtained as well as the expeditious manner in which Bu proceeded. Also, selflessness was manifested by your willingness to ignore assigned working hours and press on as long as any hope existed for obtaining results.

4.(C) As you are aware, the results achieved by you have significance—beyond the boundaries of the Navy. The full import cannot be completely evaluated at this time but it is known that the lives of many persons will be enriched by your efforts. It is regretted that all persons affected will not have the opportunity to express their thanks to you in person for the part you have played.

5.00 On behalf of all persons who will benefit from your efforts, and on behalf of the Navy and myself, I again express my despest appreciation and say to you a most hearty "Well done".

6.00 lf it is consistent with the policy of your agency, it is requested that a copy of this letter be leaded all page of your official record.

MEMORANDUM FOR: Chief, Africa Division

SUBJECT:

Recommendation for Promotion - Newton Scott Miler

1. It is recommended that Newton Scott Miler be promoted from his present grade of GS-14 to GS-15. Miler was assigned to the Africa Division on 9 July 1961 and assumed his present position of Chief of Station, Addis Ababa, in September 1961. He has been in grade since 24 March 1957. In accepting his present assignment Miler assumed responsibility for a very complicated operational program requiring considerable reorientation and modification. In a short time he has been able to give purpose and direction to operations which previously had been the subject of considerable controversy within DD/P. It is worthy of note that Miler has accomplished this with an almost entirely new team, few of whom had any previous experience in African operations.

- 2. Under normal circumstances, the Supervisor would be inclined to delay a promotion recommendation pending further opportunity to observe first hand the performance of the individual. It is felt that Miler is a justifiable exception to this rule. Prior to his assignment to the Africa Division, Miler had been recommended for promotion by his former Supervisor who is presently Deputy Chief, CI-CE Staff. This man had apparently felt so strongly about Miler's performance that he had suggested that Miler be the one man on the CI-CE staff who should be given a jump promotion to supergrade. If necessary a memorandum supporting the remarks made can be obtained.
- 3. In addition to the above, the Supervisor has been associated with Miler in a professional relationship since 1946. The only gap in continuity was from the period 1956 to 1959. It is felt, therefore, that the Supervisor's evaluation of Miler's knowledge, ability, experience, and potential bears weight.

SUBJECT:

Recommendation for Promotion of Newton Scott Miler

1. It is recommended that Mr. Miler be promoted to Grade 15.

2. During the two years that he has been an officer of the Operations Group of the CI Staff Mr. Miler has demonstrated an exceptional ability to interpret counterintelligence experience and practice in guiding operations in this area throughout the divisions of the DD/P. He has applied field experience gained in one area, combined with expertly informed Headquarters knowledge, to intricate and sensitive problems affecting U. S. security in a variety of geographic areas from the Far East to the Western Hemisphere and Europe with outstanding skill and surcness of judgment. He is aggressive, devotes long hours uncomplainingly to his tasks, and willingly contributes his guidance to officers of less experience. In personal relationships throughout the Clandestine Services he is admired, respected, and well-liked. His recommendations are eagerly sought and contribute in major fashion to increased effectiveness in carrying out the CI mission. It is again strongly recommended that he be promoted to GS-15.

Recommendation for Promotion of Newton Scott Miler

- 1. It is recommended that Mr. Miler be promoted to Grade 15.
- 2. Since July 1958 Mr. Miler has been serving in the Soviet/
 Satellite Branch of the CI Staff, Operations Division. In this
 position he has made a major contribution to the CI mission in his
 daily contacts with elements of the DD/P, Office of Training and
 Office of Security. Mr. Miler has excellent motivation, works long
 hours, readily accepts responsibility, and is highly effective in
 expressing his views both orally and in written form. He is
 resourceful, imaginative, and his operational judgment is superior.
 The frequency with which his professional advice is sought on an
 informal and personal basis is clear evidence of the high regard
 with which he is held by many individuals in the Clandestine
 Services. I strongly recommend him for promotion to the next
 higher grade.

HEMORANDUM POR: Chief, Africa Division

EUBJECT:

Recommendation for Promotion - Nowton Scott Miles

- 1. It is recommended that Newton Boott Biler be promoted from his present grade of GS-14 to GS-15. Biler was assigned to the Africa Division on 9 July 1961 and assumed his present position of Chief of Station, Addis /babs, in Reptember 1961. He has been in grace since 24 March 1957. In accepting his present assignment Biler assumed responsibility for a very complicated operational program requiring considerable reorientation and modification. In a short time he has been able to give purpose and direction to operations which proviously had been the subject of considerable controversy within DD/P. It is worthy of note that Miler has accomplished this with an almost entirely new team, for all whom had any previous experience in African operations.
- 2. Under normal circumstances, the Supervisor would be inclined to delay a promotion recommendation pending further opportunity to observe first hand the performance of the individual. It is felt that Miler is a justifiable exception to this rule. Prior to his assignment to the Africa Division, Miler had been recommended for promotion by his former Supervisor who is presently Deputy Chief, CI-CE Staff. This man had apparently felt so strongly about Miler's performance that he had suggested that kiler be the one man on the CI-CE staff who should be given a jump premetion to supergrade. If necessary a memorandum supporting the remerse made can be obtained.
- 3. In addition to the above, the Supervisor has been senociated with Miler is a professional relationship since 1946. The only gap in continuity was from the period 1956 to 1959. It is felt, therefore, that the Eupervisor's evaluation of Miler's knowledge, ability, experience, and potential bears weight.

INTERNATIONAL COOPERATION ADMITS TRATION

UNITED STATES OF AMERICA OPERATIONS MISSION TO THAILAND

BANGKOK, THAILAND

April 9, 1950

Mr. Theo K. Hall Uniof, Public Safety Division Leternational Cooperation Administration Nachington 25, D. C.

Rowton S. Aller

Doar Thee!

You have by now received our unelassified cable, FOICA 1408, advising of our acceptance of the resignation of Nowton 9. Miler who has served cinco becomber 24, 1956, as Chief of our Crimical Investigation Branch, Public Safety Division, USCV7. It was with deep regret that I accepted the resignation since his departure on or about April 15, 1956, will be felt very beenly by coth the Chief of the Division, Nr. Al Dassis, and sysulf.

Here it mot for the present meet of stateside medical attention for his wife and the fact that he should be with her during this period, I should have endeavored to prevail on him to take the realternative course of action. However, I am satisfied that there was no alternative and, hence, did accept the realgnation effective April 15, 1958, it being noted that he is returning with him featly to the States of his own express.

This letter is to advise you of the facts leading to what would appear to be a sudden resignation. I also want to inform you that Aller's job performance here has, in my estimation, been of high order and can very eacily be summarized by stating that he has performed most satisfactorily.

He has shown timelf consistently to be tactful, considerate, and objective in his apprend to his responsibilities and in the performance of his duties. I have at all times found that his judgment has been nound and maters. He has had warm and mutually satisfying relationship with his opposite manders in the That police.

In furtherence of my statement of my emiliones in him, I unbesitatingly designated him as acting Chief of our Public Safety Dirician during Mr. Ballis' observe on TVI in Machington for the period Harch 9 through April 7, 1956. I naturally had continuing personal

ountrot with him during that poriod and observed his handling of himself in Expositive Staff motings. The various attributes which I cited above were clearly demonstrated during this period and, in fort, his performance during this period pormits me to add that I am satisfied with his supervisory abilities.

I would have so basitancy in recommending his recapleyment by ICA if in the future the present family health situation is restified.

Sincerely,

Thomas B. Haughton Diroctor
