Continuance of pay and allowances as specified above shall be as prescribed in the Missing Persons Act of 1942 (50 U.S.C.A. App 1001-1015, 7 March 1942).

ARTICLE XI. General. The Employee shall comply with the following provisions, and violation thereof by the Employee shall be deemed a breach of this contract.

- 1. In participating in the programs and activities of any private organization, the Employee shall make it clear that the Department of State has no official connection with such organization and that it does not sponsor or sanction the viewpoints which he may express. In general, his relations with private organizations shall be governed by applicable Foreign Service Regulations.
- 2. Neither the Employee nor the members of his family shall act as correspondents for American or foreign newspapers, press syndicates, or associations unless special authorization has been obtained in advance from the ADSO. - 4. Members of the Employee's family shall not be employed in the same Foreign Service office except during grave emergencies or when special authorization has been obtained in advance of employment from both the Department of State and CIA.
- 5. Before contracting marriage with a person of foreign nationality, the Employee shall request and obtain permission from the appropriate officials in both the Department of State and CIA. Any such marriage with an alien without obtaining advance permission shall be deemed a breach of this contract and shall result in termination of service with the Government.

Its transmission or the revelation of its contents in any manner to an unauthorized person is prohibited by law. Violation of this ARTICLE or any security agreement signed by the Employee with the Government shall result in immediate disciplinary action, which may include suspension, separation from Government service, and may subject the Employee to criminal prosecution under the Espionage Act.

- 1. The termination of this contract will not release the Employee from the provisions of any security oaths which he may be required to take by CIA.
- 2. The Employee shall not publish, transmit, or divulge in any manner, information received by him as the result of his employment by the Government under this contract without specific written authority from the Director, CIA.

ARTICLE XIII. Orders and Directives. Orders and Directives received by the Employee from competent authority, including instructions received in briefing and training, shall be complied with by the Employee. No promises or commitments to the Employee of any nature whatsoever, beyond and in addition to the terms hereof, shall be binding on the Government unless and until such promise or commitment is reduced to writing and approved by an authorized official of CIA, and such writing placed with this contract thereby becoming an amendment hereto.

ARTICLE XIV. Amendments. The Government may at any time amend this contract and may terminate this contract upon thirty day prior notice to the Employee. If the Government proposes to amend this contract by reducing the salary provided for in ARTICLE IX (including class promotions, or other authorized increases, if any) and such reduction is unacceptable to the Employee, resignation by the Employee for such reason shall be considered as a termination of this contract for the convenience of the Government. Where the Employee is directed to proceed to a new post on a permanent change of station by the ADSO, this contract will be deemed to have been amended to the extent of such change.

PERSONNEL QUALIFICATION QUESTIONNAIRE

- 1. The Agency is currently revising the system for machine coding employee qualifications, thereby permitting more complete and accurate data on all personnel. The new system will aid in implementing Agency policies on promotion from within by facilitating the selection of personnel with desired education and experience for vacancies which may occur. It is also expected that the new system will provide readily accessible statistics for planning and management purposes.
- 2. The attached questionnaire is designed to cover adequately those factors in which the Agency is interested. Although the information is, in a large measure, already reflected in previous forms submitted by you, it is felt that your time within the organization may enable you to emphasize those qualifications pertinent to its needs. The questionnaire also serves to bring your education and qualifications record up to date.
- 3. Your cooperation is requested in completing the questionnaire as thoroughly and accurately as possible and returning it to your Administrative Officer within the time allotted.
